# WSU Award

- August "Auggie" L. Ahlf was presented the 2005 Emeriti Lifetime Achievement Award. Ahlf was unable to attend the event, but expressed his appreciation for the award on a video.
- "Without the guidance and education that I obtained while at Weber, I would not have been able to achieve the goals of my life," Ahlf said.
- Ahlf graduated from WSU in 1932. He played on both the basketball and football teams at WSU and made several lifetime friends with whom he stays in contact. Ahlf went on to become a civil and structural engineer who helped build dams all over the world, including Thailand and Taiwan.

Letter from her, Anna via Ed & Irene Ahlf. According to Anna, Cuxhaven is a Nordsee City near Hamburg. Many Ahlfs live in the area. She quotes a newspaper clipping (photo) from Cuxhaven, Willy Ahlf in front of a pretty little house and garden.. It had a stone fence and beautiful flowers. Apparently he lived in Cadenberge and had a brother, Heinrich (his wife was Margarete). Willy and Margarete’s son Johannes corresponded with Anna. Johanne now lives in Buxtehude?. Margarete states that the name Ahlf is actually Swedish descent and “roalty”. The Swedish decent explains why so many live in northern Germany. Also some business in Cuxhaven have the name Ahlf.
