

April 2007

Dear Alumnas,

Whenever I talk to alumni in casual conversation, I am struck by the near universal sentiment that St. Sebastian School gave them a wonderful education. That seems to include those who were not inclined to like going to school as well as the enthusiastic students. Many have commented on how they were struck by the favorable knowledge gap between themselves and others when starting out in their careers.

St. Sebastian School is still striving to give a quality education to the children of the new Woodsiders and Sunnysiders who replaced many of us when we moved on, and it would be a nice gesture on our part to support the dedicated teachers and administrators, as well as the students, by showing we appreciate what was done on our behalf.

Your Alumni Association is an important and vital component of St. Sebastian School.

The Alumni Association is in the process of planning events for the 2007/2008 school year. We need your help. We need your dues and where possible your active participation.

The annual tax deductible membership fee is \$20.00 and we have enclosed a stamped, self-addressed stamped envelope for your convenience. Please tell you friends and please continue to support St. Sebastian School. Please make checks payable to St. Sebastian School Alumni Association.

SAVE THE DATE - On Saturday, September 29th, please join us for some refreshments, music and great conversation in the school auditorium at 7:00 PM. More information to follow.

Thank you and God bless you.

St. Sebastian School Alumni Association

Our list is growing and we are looking for additional graduates of St. Sebastian School. If you know of any one who is not on our mailing list, please feel free to send us their name, address, and year of graduation.

You can email us your information as well as fellow alumni information to: staff@stsebastianschool.org

My (optional) e-mail address is: _____

My (optional) phone number is: _____

I graduated in (year) _____

OR We would love to hear from you please send all correspondence to:
