THE ASSOCIATION OF WESTMORELAND

lived,

We, who subscribe this paper, have associated and do bind ourselves to each other, to God, and to our country, by the firmest ties that religion and virtue can frame, most sacredly and punctually to stand by and with our lives and fortunes, to support, maintain, and defend each other in the observance and execution of these following articles –

FIRST: We declare all due allegiance and obedience to our lawful Sovereign, George the Third, King of Great Britain. And we determine to the utmost of our power to preserve the laws, the peace and good order of this Colony, as far as is consistent with the preservation of our Constitutional rights and liberty,

SECONDLY: As we know it to be the Birthright privilege of every British subject (and of the people of Virginia as being such) founded on Reason, Law, and Compact; that he cannot be legally tried, but by his peers; that he cannot be taxed, but by consent of a Parliament, in which he is represented by persons chosen by the people, and who themselves pay a part of the tax they impose on others. If, therefore, any person or persons shall attempt, by any action, or proceeding, to deprive this Colony of these fundamental rights, we will immediately regard him or them, as the most dangerous enemy of the community; and we will go to any extremity, not only to prevent the success of such attempts, but to stigmatize and punish the offender.

THIRDLY: As the Stamp Act does absolutely direct the property of the people to be taken from them without their consent expressed by their representatives and as in many cases it deprives the British American Subject of his right to trial by jury; we do determine, at every hazard, and paying no regard to danger or to death, we will exert every faculty, to prevent the execution of the said Stamp Act in any instance whatsoever within this Colony. And every abandoned wretch, who shall be so lost to virtue and public good, as wickedly to contribute to the introduction or fixture of the Stamp Act in this Colony, by using stamp paper, or by any other means, we will, with the utmost expedition, convince all such profligates that immediate danger and disgrace shall attend their prostitute purposes.

FOURTHLY: That the last article may most surely and effectually be executed, we engage to each other, that whenever it shall be known to any of this association, that any person is so conducting himself as to favor the introduction of the Stamp Act, that immediate notice shall be given to as many of the association as possible; and that every individual so informed, shall, with expedition, repair to a place of meeting to be appointed as near the scene of action as may be.

FIFTHLY: Each associator shall do his true endeavor to obtain as many signers to this association, as he possibly can.

SIXTHLY: If any attempt shall be made on the liberty or property of any associator for any action or thing to be done in consequence of this agreement, we do most solemnly bind ourselves by the sacred engagements above entered into, at the risk of our lives and fortunes, to restore such associate to his liberty and to protect him in the enjoyment of his property."

In testimony of the good faith with which we resolve to execute this association we have this 27th day of February 1766 in Virginia, put our hands and seals hereto.

William Horton, & Jno. Palmer in joint tenancy 14 Oct. 1670, at James City. Said 400 A. was given to Capt. Benjamin Berryman by Jno. Berryman father to S'd Benjamin by last will 11 Dec. 1679 and confirmed by William Horton the survivor of the Three Patentees by deed to Benjamin Berryman and his Heirs 23 Jan. 1693. Surv[eyed by]. Mr. Thomas Thompson. In Westmoreland Co. on Rowzer's Cr. dams, 27 Nov. 1717. [Survey plat is in deed book.]

"From this reference we know when John Berryman wrote his will but we do not know when it was probated. Since we suspect his death occurred very shortly after 11 Dec. 1679, and since the relict, Jane, was married to John Harvey before October 1681, we assume it to be in the early part of the year. Perhaps disease or an Indian attack had killed them."

"Benjamin's mother-in-law (by his second wife, Elizabeth [RN 4] was Rose Newton. Rose was married earlier to John Tucker and their daughter, Sarah, was married to William Fitzhugh, the immigrant. Some of his letters are in existence and have been published. One letter, dated June 11th, 1680 tells us of the situation as of the middle of that year. The letter is addressed to a ship's captain, 'Capt. Fras. Partis at the Hermitage near East Smithfield London, Sir, I promis'd you by all Conveniencys to give you an Account of the affairs of the Countrey, to comply therewith I have taken this opportunity, I am not able to inform you of any new matter, but only to tell you that we are at present very quiet from our Indian Enemies. I believe no great crop will be this year made, by reason of our great drought, not having had one good Shower since your departure, which is now almost a month, so that every thing is kept under therby .....'. The weather sounds much like Richmond, August, 1987. We can see that the Indians were a danger on a day-by-day basis. That would account for a father and two sons dying at the same time."

## General Notes for Child Major S. William BERRYMAN(cont.)

The names I have to go on thus far are: John Berryman - mid to late 1600's Jane Tucker - wife Benjamin Berryman - son of aforementioned and possibly a former Sheriff of Westmoreland County and appointed Justice of the Peace of Westmoreland County, by Queen Anne in 1703.

William Berryman - born 1713 in Westmoreland County, VA...Served as a "Committeeman for Westmoreland" and represented same at Battle of Williamsburg I believe that is it for now. There are other names, mostly children and siblings of the names I have mentioned. Any record that you may have would be of great help.

I got all of these names from a document that was produced for my Grandfather. He was kind enough to give it to me. If nothing else, I would like to check the validity of the claims in the document. If this information is too vague or if you need anything else please let me know. Jim Berryman Email - jberryman@kpmg.com Day - 201 307 8657 Eve - 201 616 0697I greatly appreciate your help.

Donna: I believe this Court Case lists the children of the John Berryman in question. In 1794 Maximilian Berryman deeded 161 acres to John's sons William and Gilson (d. young?)

While a John Berryman bought Fauquier land from Shumate, I'm not sure how it ties into the court case.

Incidentally, Wm. Anderson Hagey wrote me that Mary Berryman married John Smith, "jr." son of John, "sr." As the date 1777 shows, Mary would have married Smith too late to have been the mother of Berryman Smith. Perhaps John Smith had previously married an older Berryman sister or cousin.

The below Court Case is from Wm Hagey, probably sent him by Richie May Jarrett of VA, decd.

Fauquier Min. Bk. March Court 1801 p. 698

"William F.(T.?) Berryman, Winifred Berryman, Molly (Mary?) Berryman and Elizabeth Berryman infants under the age of twenty-one years by Thomas N. Berryman, Next of kin. Plts

In Detinue. Against Lewis Shumate. Deft"

"William Payne came into court and undertook to be special bail and pledge for the Defendant in this suit that if the said Defendant should be cost he should pay the costs and condemnation of the Court or render his body to prison in satisfaction of the same or that he the said William Payne will do it for him."

Since the next of "kin" is Thomas N. Berryman (a son of William & Rebecca Berryman of Westmoreland Co, VA) this probably relates to the children of Thomas' sister, Elizabeth Newton Berryman Berryman (b. ca 1760 d. ca 1800?). Ca. 1779, she married her cousin John Berryman, the son of Maximilian & Mary Berryman and they lived in Fauquier Co. VA (except for living in Rowan/now Davie Co, NC ca 1784 - ca 1788). I have this John Berryman as b. ca 1745/6 d. > 1816. The above court case may also relate to the will of (another) John Berryman who d. 1799 (dsp?) in Scott Co, KY.

He was also a son of Wm & Rebecca Berryman and a brother of the above Elizabeth and Thomas Newton Berryman. In

In 1799, a Winifred Berryman, in Scott Co, KY, had a Robert Smith appointed as her guardian for an inheritance.  
Does anyone have information of this William Payne who was willing to "render his body to prison" for Lewis Shumate? (If he was acting as an attorney, this might set an example for our modern-day defense attorneys :- ) Marv
