The background is a blue-toned illustration of a sky. It features several layers of stylized, white, fluffy clouds. In the middle ground, a banner of white, starburst-shaped ornaments stretches across the scene. The overall aesthetic is that of a vintage yearbook cover.

3415TH TECHNICAL TRAINING WING

Since I assumed command of Lowry Air Force Base in November of 1950, the Gunnery Group has played an important part in the mission of Lowry. A large part of the Gunnery mission has been in support of the Korean conflict, and each officer, airman, and civilian is to be commended for the outstanding job he has done to make the gunnery program the success it has been.

Your untiring efforts and unselfish loyalty are appreciated.

CONGRATULATIONS ON A JOB WELL DONE!

I wish to express my sincere appreciation to the officers, airmen and civilians of the Group for their wholehearted cooperation in making the Gunnery program a big success. Much time and effort have been devoted by each member of this organization in producing for the Air Force the best gunner that has ever been produced. I personally feel that without the diligent effort and hard work put forth by all concerned, the program could not have attained the success it has.
