

STARKEY (Private) CEMETRY

Map
Mar. 9. 1975

This Cemetery is on land originally granted to Hezekiah Starkey and known as Lot. 10. It is now owned by Mr. William Nairn.

It is on the right side of the road leading down to Starkeys Wharf. It is overgrown with trees and bushes. One part with five graves without headstones has been recently cleared and a low fence placed about it. The rest has had no care and some headstones are down.

The sketch and report made by Fred L. Corcoran assisted by Mr. George West for the Queens County Historical Society.

November 1975.
