

THE SMALL CEMETRY

- near Highfield.

This rather old and near neglected cemetery is on land originally granted to Thomas Small and known as Lot No. 4. (Could not find out who is the owner now).

It is quite difficult to find. There are two ways of going to it; ie, 1. Turn off the Codys-ColesIsland road at the Codys Community Hall and go out a very poor dirt road toward Salmon Creek and turn off on the Highfield road. 2. (the easiest) Go to Long Creek on the trans-Canada and turn right on the Highfield road, go some miles and then turn right on the Codys road. Not far in that road is an old farm road on the left

and the graveyard is a short distance in that on the right. There is woods around it and you can't see it from the Codys road

Sketched and written by Fred L. Corcoran, assisted in finding it by Mr. George West and Mr. Kevin Perry for the Queens County historical Society.
