NARROWS CEMETRY

This is a Baptist Cemetery and is situated on the line (half on each) between lots originally granted to Seth Chase and Adolph Humphrey as Lots No. 2 and 3 respectively. □ marks its position.

It is in the Village of NARROWS on a hill overlooking the Washademoak Lake. It is still in use. There are many graves without markers.

Sketched and copied by Fred L. Corcoran for the Queens County Historical Society. 1975.
