### *Generation No. 1*

**1. George<sup>1</sup> Chadwell<sup>1</sup>** was born Bet. 1709 - 1738 in Eng<sup>2</sup>, and died Aft. 1776 in VA, Pittsylvania Co.. He married **Gemina Turner<sup>3</sup>** Bet. 1735 - 1778<sup>4</sup>, daughter of John Turner. She was born Bet. 1718 - 1741<sup>4</sup>, and died Aft. 1776 in VA, Pittsylvania Co..

Notes for George Chadwell:

Source: "Early Settlers of VA, Lee Co.", p. 907. "The immigrant ancestor of the Chadwell family in VA". In 1749, George appears in Lunenburg Co., VA in Cornelius Cargill's List of Tithes for the Year 1749, p.117, and again in 1750. He was probably still in the part of Lunenburg Co., which became Halifax in 1752, and later Pittsylvania Co., 1766-67. In 1767 George appears in a List of Tithables taken by Peter Perkins in Pittsylvania Co., VA. (VA Historical magazine, v. 24, p. 188). In 1768 an order was given by the Colonial churches in Pittsylvania Co., VA (VA Hist. Mag., v. 22, p. 175), which mentioned church being held at times at George Chadwell's house, and listed "Camden Parish". On 4 Nov 1770, "George Chadwell of Pittsylvania Co., VA, conveyed 125 acres of land, lying in Pittsylvania Co., joining on the north side of Dan River, according to a patent granted to George Chadwell under the seal of the Colony, date 10 June 1760 in the 33rd year of the Reign of his majesty George the Second Francis Fauquier, Governor and is the land and plantation where on the said George Chadwell now dwelleth, adjoining William Beans Line, to William Harris of the Co., of Goochland and State of VA for the sum of 100 pounds. George (X) Chadwell" (Book 2, p. 36, Pittsylvania Co., VA).

George "of Pittsylvania Co., VA" sold 4 heads of cattle on 15 Feb 1775; bill of sale approved 27 March 1777. George and his wife were "Infirm of body" on 28 Nov. 1776 when they conveyed all their property to their son John in exchange for his taking care of them. (D.B. 4, p. 275, Pittsylvania Co., VA). It therefore seems clear that George and his wife died sometime thereafter in Pittsylvania Co., VA.

Notes for Gemina Turner:

Source: "Early Settlers of VA, Lee Co.", p. 908-909. Appears with her husband in a deed in which they conveyed all their property to their son John, in Pittsylvania Co., VA, in 1776.

### *Generation No. 2*

**2. John H.<sup>2</sup> Chadwell** (George<sup>1</sup>)<sup>5,6,7</sup> was born Abt. 1717 in TN<sup>8</sup>, and died Jan 12, 1794 in NC, Rockingham Co.<sup>9</sup>. He married **(1) Barthena Harding** Abt. 1732 in TN, Clairborne Co., daughter of Thomas Harding and Bethenia Knowles. She was born Abt. 1718 in KY. He married **(2) Mary Nee Allen Garland<sup>10,11</sup>** Abt. 1780 in NC, Rockingham Co.<sup>12</sup>. She was born Abt. 1761 in NC, Rockingham Co.<sup>12</sup>, and died Oct 15, 1821 in TN, Williamson<sup>12</sup>.

Notes for John H. Chadwell:

Source: "Early Settlers of VA, Lee Co.", p. 907-908. John Chadwell was a son of George Chadwell the immigrant, but David Chadwell was "a son of either John or George". David does name two of his children "John" and "Barthena", and John's wife was named "Barthena", so it is likely that David was John's son. But it is still possible that he was John's brother. John appears in Peter Perkins' List of Thithables for 1767: "John Chadwell, negro Farmer & Tiller, Land 748 Acres, 1 White, 2 Blacks". John Chadwell and his wife 'Bethunia' "of Pittsylvania Co." appears on 22 March 1770 (D.B. 1, p. 426) selling 190 acres along the South side of the Dan River. John's parents George & Jemimah Chadwell conveyed all their property to him on 27 Nov. 1776 (D.B. 4, p. 275, Pittsylvania Co., VA).

I too, am a descendant of David Chadwell of VA (1732-1832)--

David's parents were John Chadwell and Bethenia Harding, daughter of Thomas Harding and Bethenia Knowles.

John Chadwell died about 1736 or 37, because Bethenia remarried in 1738 to a Nicholas Perkins.

Since David was only a young boy when his father died, it may be that George and Jemimah raised the Chadwell children, thus creating the confusion as to who was the real father of David Chadwell, who (along with others) founded Chadwell's Station in Virginia.

### *Generation No. 3*

**4. David C<sup>3</sup> Chadwell** (John H.<sup>2</sup>, George<sup>1</sup>)<sup>21</sup> was born 1733 in Eng, Berkshire, Great Farrington, and died 1832 in TN, Clairborne Co., Tazewel. He married **(1) Elizabeth Ann Turner**<sup>22</sup> Abt. 1770 in VA, Pittsylvania Co., daughter of Jesse Turner. She was born 1752 in VA, Pittsylvania Co., and died 1790 in VA, Lee Co.. He married **(2) Second Wife** Aft. 1808.

Notes for David C Chadwell:

Source of information below: Family records, and p. 908 of "Early Settlers of Lee Co., VA & Adjacent Counties, Vol II", by Hattie M. Boles, which reports: David Chadwell, either a son of George or John, was born in Eng, according to tradition, 1732, and emigrated to the American Colonies with his parents in the early 1740s. The names of his children might 'pin-point' the names of his parents. Two of David's children were given the names, "John and Barthena"...

The record goes on to say that in 1766, he acquired 237 acres of land by grant, lying in Halifax Co, in the portion that became Pittsylvania (VA). He sold the above tract on March 3, 1770, and in 1770 married "Elizabeth Turner, born in Pittsylvania Co., about 1752-4, daughter of Jessey (Jesse) Turner." On 16 Sept. 1773, Jessey Turner of Pittsylvania Co., conveyed 50 acres (part of 115 acres) to David Chadwell for 50 pounds. David Chadwell was appointed Lieut. of the Militia in Henry Co., 1777, and served in the Revolutionary War with the rank of Captain. "...

Eventually David Chadwell decided to remove to a new frontier", so they sold their land in VA, Henry Co., bordering Smith River, on 30 Sept. 1790, and by 1792 were located in Powell Valley, Lee Co., (then Russell Co.), VA." David was apparently in Powell Valley before he sold his other land, for on 18 May 1790, "The Court ordered that 'David Chadwell have leave to build a grice (grist) mill on the land whereon he lives.' (Order Book 1, p. 196, Russell (now Lee) Co., VA).

It is said that David came to Powell Valley in 1784, but the records do not support this." "Immediately upon coming to this area with others, the Britains, Turners and Middletons, he built the old 'Block' house called Chadwell's Station. This was a refuge from Indian attacks or Chadwell and his neighbors, as well as a stop-over for the weary-worn pioneers traveling westward over the Wilderness Road to the unkown wilderness. "Eventually, a church was established in this area, an offspring of The old Thompson Settlement Baptist Church, called 'Chadwell's Station.'

David Chadwell had a second marriage in his old age, and by this marriage he had a son. His children opposed this marriage so strenuously that it caused a rife in father and children relationship. "After 1817, David moved with his young son to

ClaiborneCo., Tennessee, and settled in Tazewell, where he spent the remaining years of his life.

According to the 1830 Census, he was 90-100, with a male 10-15. Also several slaves were recorded. He died...in 1832 at the age of 100...

David Chadwell and his son-in-law, Moses Cottrell, were the first delegates from LeeCo., to serve in the House in the General Assembly of VA, 1794-5. Both served later Terms.

Jack Chadwell was said to be the son of old David Chadwell. He came from VA, Lee Co., and settled on Wallens Ridge two miles North of Tazewell. He married and had children: Alexander, Frank, and Mary, who married James S. McKeehan. Jack had his coffin made years before he died." Peter G. Fulkerson

David may have been the witness in many court records from 1798 on in VA, Lee Co..

Deed Book 7, p. 191 (VA, Lee Co.) lists the heirs of David Chadwell: David Chadwell, William Chadwell, Alexander H. Chadwell, Lucy Chadwell, Benjamin Cload, Polly Cloud, Catherine Chadwell.

David founded Chadwell Station on Cumberland Gap.

I am looking for any information on Bill and Barbara Chadwell, I have them listed in the 1870, 1880, and 1900 census in Claiborne Co., TN. They are buried in the Cox (Chadwell) Cemeetery in Claiborne Co., TN. Family tradition says they are from Lee Co., Va. I don't know who the parents of William are and that is what I am trying to find. Family tradition also says we connect to David Chadwell of Revolutionary war fame.

Barbara Ayers is supposedly the daughter of Jesse Ayers.  
I haven't had any luck with that one either. Any help anyone can give would be appreciated.

The children of William and Barbara are : Betty, Lucy Ann, Mary C., Lizzie, Sallie, Jenett (my ggrandmother), Houston, Henry and Harley. Thanks

Notes for Pleasant Murphey Chadwell:

The other question regarding Pleasant Murphy Chadwell and his wife Nancy Elizabeth is that they are found in the 1860 Clairborne Co., census, but not in the 1870.

Their younger children were in the household with sister Lucy Ann Chadwell Brooks and her husband John T.

One theory is they were killed in the Civil War during raids.

This is certainly possible as this area had a lot of those activities during the war and after. However, it is possible that they each died

during that 10 year period due to some other reason, but I don't know when ,where, or where they are buried. I appreciate your help.

I am trying to learn what I can about Travis Steven Leo Chadwell who died in Adair County about 15 years ago. We have reason to believe he was of Indian decandancy through his mother, Daisy Wynefred Spyres. Any clues we can gain to verify this blood line would be greatly appreciated.
