## THE ORANGE AND THE WHITE

In old Delaware's eastern border  
With Ulster's line in sight  
Is the school to colors faithful  
Good old Fleischmanns High  
Neath the Catskills glorious splendor  
On the left and on the right  
Fleischmanns High School stands defender  
Of the Orange and the White.

Education's toils are many  
Its summit hard to gain  
The completion of some subject  
Is often fraught with pain  
There are strong new lights before us  
whose glimmer leads aright  
Till we come in day's bright luster  
Neath the Orange and the White.

Though our years are young in number  
Our student roll yet small  
We are working sure and steadfast  
For the mastery of all  
We will mine our facts in nuggets  
In heaps full high and bright  
Still the smile of God imploring  
On the Orange and the White.

Words by Laura Fowler -- Class 1911.  
Music - The Orange and the Black. 152.
