

THE MOUNTAINEER

1955

Our Dedication

To Mr. Dugan, members of the Board of Education, members of the faculty, past graduates, and those to graduate in the future, this book is dedicated.

The Orange and White

2.

Educations toils are many,
Its summits hard to gain;
The completion of some subject,
Is often fraught with pain.
There are strong new lights before us,
Whose glimmer leads aright;
Till we come in days bright luster,
'Neath the Orange and the White.

1.

Near Old Delaware's eastern border,
With Ulster's line in sight;
Is the school to colors faithful,
Good old Fleischmanns High.
Neath the Catskills glorious splendor,
On the left and on the right;
Fleischmanns High School stands defender,
Of the Orange and the White.

3.

Though our years are young in number,
Our student roll yet small;
We are working sure and steadfast,
For the mastery of all.
We will mine our facts in nuggets,
In heaps full high and bright;
Still the smile of God imploring,
On the Orange and the White.

Príncípal's Message

It has been the fervent hope and diligent effort of your teachers to prepare you to take your place in society, to help you to become active, intelligent and effective citizens of your community, your state and your country.

As you go forth into the world some will continue their education at institutions of higher learning while others will continue theirs in other fields of endeavor.

Down whatsoever road you may travel and to whatever heights you may ascend, always bear in mind that life is a continuous process of education and when one ceases to learn, mental stagnation sets in, and one ceases to live.

He who attains success in life is he who has faith; faith in himself, his country and his God.

Class History

In September, four short years ago, there were twenty-eight members of the Freshman Class and our class advisors were Mrs. Lawrence and Mr. Hagen. We grossed over \$100.00 on our magazine sales. We also held a successful "Barn Dance".

When we were Sophomores our class dwindled because many of the students went to Oteora Central School. Mr. Levy was our class advisor that year. We produced a successful play, "The Midnight Ghost". A Superstition Dance was given and we also held movies that were very profitable.

When we were Juniors, we held the annual Junior Prom in May. At the Junior Soiree, Frank Maggio and his orchestra furnished the music. Our class advisor was Miss Burke. At the closing of school, we went to Gilberts Lake where the school picnic was held.

In our Senior year we held two dances, a Juke Box Jamboree and a Winterlude. For the fourth time in four years we again changed advisors. This year we had Mr. Overzat. The two biggest highlights of the year were the Senior trip and our successful Senior play, "Off The Tracks".

Class Prophecy

DREAM AWHILE

Gee, I'm tired. Only 9:30. Seems later than I thought. I guess I'll go to bed early tonight.

I wonder what things will be like ten years from now? Ten years, Ten years. Well, well, seems a bit different. Dig those crazy jetmobiles. I see they still have the comic book "MAD" on the newstands. "Give me a morning paper, sir." Well, will you look at the headlines, "New Theory On Atom Discovered", written by Rochells Arnold, O.P. Imagine that--I used to go to school with good old Rochelle.

Look at that new Cadillac Jetmobile. And look who's in it. "Tinkle Fingers" Curtis, and one of her rich boy friends. I hear Peg is doing quite well in her new Music School for Incapable Altos.

Look up there. A jet plane writing in the sky. "R. L. ROSENDORF, ESQ. PLUMBERY, INCORP., JOBBING PROMPTLY ATTENDED." I guess Bob must be doing quite well in spite of himself.

Funny how people you know disappear and then all of a sudden come back into your life. Just yeaterday I met Betty Ann Birdsall coming back from a lecture tour in Europe. I gather from her conversation that she just returned from making lectures at several foreign colleges on physio-therapy. In her travels she met Bob Craft--who by the way, received his notice from the government grab-bag, called the draft, shortly after graduation. She also attended Shirley Bushnell's debut at the Galli-Curci in the "Midnight Ghost" as Carmel, the little colored maid.

I hear Arlene's given up cleaning house, she lets her maid do it now. Now Arlene had time to devote to her seven delightful little boys. Arlene tells me that her cousin, Jim Darling, is doing considerable well. The grand opening of his one hundred and twenty-two pump jet fuel self-service station and used jet lot is tomorrow night. I must make it a point to go.

RING*G*G*G*G*G. Oh 7:00 so soon--why I just fell asleep. Oh well, I'd better gather my cape and tambourine and meet Naomi. We're going to see if we can gather together some money for lunches at Albany State.

Barbara Wasielewski

Class Will

I, Arlene Squires, leave to Beverly Rosendorf one of the Old Gold dancing packs so she won't be lonely nights after school.

I, Barbara Wasielewski, leave my "MUST SET GOOD EXAMPLES" to Phyllis Wasielewski and Barbara Searle in hopes that they will do the job well.

I, Naomi Shaver, leave "position 16" on the switchboard of the telephone office to Beverly Darling.

I, Peggy Curtis, leave to Peg Blish the nickname of "Margaret".

I, Shirley Bushnell, leave my prize speaking ability to Bob Van.

I, Betty Ann Birdsall, leave my title of "Goalie of '55" to the goalie of '56, Carol Beland.

I, Rochelle Arnold, leave my two cents to the basketball referees. (They need it too!)

I, James Darling, leave to Bob Moran a good spare tire and a radio.

I, Bob Rosendorf, leave to James Davis anything he wants.

I, Robert Craft, just leave-----

To the Junior Class we leave anything they want to take---but it can't be too much because we've taken the best with us.

To the Sophomore Class we leave a box of Cheerio's with that GO POWER.

To the Freshmen we leave the curtains in the library in hopes that they will receive the best of care.

Last but not least we leave to the eighth grade the FUN of initiation.

We, the class of fifty-five, being sound in mind and memory, do hereby make, publish and declare this to be our last will and testament, in witness whereof we have hereunto set our hand and seal.

The schedule of the Girls' Soccer team consisted of two games. Our record was very good, losing only one game to Downsville out of the two games played. We defeated Andes 5-0. This sport offered the girls plenty of exercise to use up the extra energy that was acquired during the summer vacation.

The halfbacks were Naomi Shaver, Carol Beland, Peg Curtis, and Carole Crosby. The wings were Peg Blish, Arlene Griffen, Pat Bellows and Frances Taigue. The two fullbacks were Barbara Wasielewski, and Barbara Searle. The goalie was Betty Ann Birdsall.

F. H. S. in the sports line began the year with a new sport, soccer. We had a very successful season in soccer as it was just introduced this year. We won two, tied one, and lost three games.

The boys that were on the team were: Inners - Jim Davis, and Jim Pultz. Center forward was Junior Blish. The halfbacks were Don Searle, Bill Jochim, Richard Craft and Jim Todd. The wings were Jim Darling and Martin Ruchman. The center halfback was Bob Moran. The three fullbacks were Bob Rosendorf, Paul Tick and Bob Jochim. The goalie was Jim Barber.

Basketball

The season of 1954-1955 saw a successful basketball squad at Fleischmanns High School. The team started slowly and didn't catch fire until mid-season when the victories started to come. The final record shows seven wins and eleven defeats. However, the story is not all told in the record. The team suffered many close heartbreaking defeats. The season was a great success for us, for it brought Fleischmanns back to winning ways and a better spirit. There is also a much improved attitude of sportsmanship to other schools.

We started the season with the election of Bob Moran as captain. Throughout the year Bob proved that he was a capable leader both on the floor and off the floor.

Highlights of the year were: The victory over Margaretville for the first time in many years, the last second victories over Roxbury and Onteora, Bob Rosendorf's thirty points in one game, and Jim Davis' fifty-seven points in two games which set a new school record.

The team was ably supported by the cheerleaders who did much to push the boys on to the many victories. Coach Colletta was very proud of the squads and we all hope that they have set a precedence for the future Fleischmanns High basketball teams.

Junior Varsity

The Junior varsity team was coached by Mr. Daniel Sawyer. The members of the team were: Bill Jochim, Paul Tick, Martin Ruchman, James Todd, Richard Craft, Robert Van, Bob Jochim, and Ben Short. The manager was Joe Moran. The four cheerleaders were: Naomi Shaver, Barbara Searle, Beverly Darling, and Carol Beland.

Varsity

The varsity team was coached by Mr. Peter Colletta. The members of the team were: Bob Moran, Captain, Jim Davis, Jim Pultz, Jim Barbar, Jim Darling, Bob Rosendorf, Junior Blish, and Donald Searle. The team was managed by Joe Moran. The five capable cheerleaders were Peggy Blish, Sandra Fairlie, Arlene Griffin, Phyllis Wasielewski, Pat Bellows and their mascot was Valerie Fairlie.

Student Council

For the first time in the history of Fleischmanns High School, a student council has been organized. The purpose of the student council is to maintain and develop school spirit, to foster sentiments of law and order, to promote ideas of participation in democratic government and develop qualities of leadership, to solve the problems that arise in school, to promote general activities of the school, and to promote scholarship. In each of these, we feel that we have done our job well.

Our student council has had no example to follow, but we are sure we have set a good example for future student council organizations in our school.

The officers for the years 1954-'55, and acted in their jobs so well were:

President.	Barbara Wasielewski
Vice-President.	James Pultz
Secretary.	Ann Todd
Treasurer.	Jeanne Brennan
Faculty Advisor.	Mr. Peter J. Dugan

We, the members of this first student council, wish all the future organizations every measure of success.
