Dear Bernice and Jack -

Knew I'd uncover this card
somewhere - it was on my
desk. Took 3 weeks (that is 3
weeks) bookkeeping chores to clear
all the papers and ^{junk?} down
to its level.

This is just a note - really!

Are you planning on Arizona
this year? Why the strenuous
exercises - going to swim the
Channel?

Gotta run,
Lucille

Wishing you a Merry Christmas
and a Happy New Year

P.S. Been watching for your story but haven't
found it yet.
When were you last April - get delayed
somewhere? We put on a wedding for Susan
that month too.
