She truly was a strong fighter till the very end, until she knew it was time to let go and take a walk with God. Debbie was an avid reader for most of her life and enjoyed the romance novels by Danielle Steele. She also enjoyed watching her flower garden bloom every year and watching the hummingbirds out the window in the summertime. She loved to play Bingo with her friends and would often travel great distances for a game, often, returning home the big winner. You wouldn't find Debbie without her cup of ice cold Pepsi and a piece of chocolate. Debbie cherished the time she got to spend with her children and grandchildren. The family would like to thank the staff at Frene Valley Nursing Home for their outstanding care and compassion. A private Celebration of Life will be held for family and close friends in August.
