Goldie married 1st Carl Henry Heberle. From this union there was 2 issue:

1. Carl Harrison Heberle
2. Living Heberle

I am assuming Carl (the husband) died in the armed forces because Goldie applied for a headstone for military vets. His death date was 1940.

Goldie married 2nd Thomas Miles Stratton, sometime between 1940 and 1946. Tom died in 1946.

Goldie married 3rd Unknown Berridge, sometime between 1946 and 1973.

Goldie was the youngest of 4 to Maggie E Clark Perkins and the youngest of 5 to John H Perkins. John's 1st wife, Molly, died.
