Hi Everyone,

**The Family Reunion will now be scheduled for the 2<sup>nd</sup> Sunday in July at the Riverside Shelter in Goodell's Park.**

This site serves our needs very well keeping us dry in bad weather, set apart from the main park and has this great children's play space right beside us. I hope you can make the shift in your schedules and will be able to join us for family fun at this annual get together. Let's try something new. The theme behind this year's reunion is, **THE BEST GAME EVER**. Each of us has special memories of past reunions or family events we could share with younger generations. So think about it, consider what you remember, is it a story, event, the food, special activity, person etc. If you have past reunion photos please bring them to share or a recipe or the material to play your favorite game. Sharing and leaving behind the memories of the family is our gift to the future generations in the Landschoot clan.

Remember parking at the site is limited so leave the lower site parking for family member less able to walk distances. The rest of us, use this as a drop off center then park back up in the main west lot at the entrance. **Please do not park on the grass!** There is a splash park so be sure to bring swim suits and towels. This is a public park, even though we are separated from most activity; please keep a eye on your children. There are restroom close at hand and a terrific children's playground structure right next to us. Look for Landschoot Reunion signs. If you have changed your email address or moved be sure to update our mailing list.

HELP PLEASE- I'm still looking for any pictures of the **2005 Family** Reunion. This is the reunion where the family members from down south came up to join us but for some reason I've lost my picture file for this year. If anyone has photos from 2005 especially the family group shot please let me know or bring them to the reunion and I'll scan them there.

Donation :\$20 per family is requested to help cover cost.

Fun starts at 12:00pm- lunch 1:00pm

Bring a Dish to share

Beverage to share (we'll provide lemonade)

Hamburgers or hot dog with buns for dinner

Lawn chairs, yard games

**Penny's for PENNY TOSS**

**REMEMBER Reunion is 2<sup>nd</sup> Sunday on July 13, 2014 at Goodell's Park, Riverside Shelter - Spread the word! MAGGIE**
