UNITED STATES STANDARD CERTIFICATE OF DEATH

Statement of occupation.—Precise statement of occupation is very important, so that the relative healthfulness of various pursuits can be known. Make some entry in this section for every person aged 10 years or over. If the occupation had been given up or changed on account of the disease causing death, report the occupation prior to illness. If the dehad been given up or changed on account of the disease causing death, report the occupation prior to inness. If the deceased had retired from business, report the occupation prior to retirement. Children not gainfully employed may be returned as at school or at home. For a woman whose only occupation was that of home housework, write housework in answer to Question 8 and own home in answer to Question 9. For a person engaged in domestic service for wages, however, designate the occupation by the appropriate terms, as housekeeper-private family, cook-hotel, etc. For a person who had no occupation whatever write none.

To be complete, an occupation return must state:

8.—The trade, profession, or particular kind of work done.
9.—The industry or business in which the work was done.

10.—The month and year the deceased last worked at the occupation.
11.—The number of years the deceased followed the occupation.
In stating the occupation, avoid the use of such indefinite terms as "employee," "worker," operative," etc. Find out the particular kind of work done and return that, as spinner, weaver, etc.

In stating the industry or business, avoid the use of such general terms as "store," "factory," "mill," etc. State the

particular kind of store, factory, mill, etc., as greery store, soan factory, cotton mill, etc.

Distinguish carefully the different kinds of engineers by stating the full descriptive titles, as civil engineer, mechan-

ical engineer, mining engineer, stationary engineer, etc. Avoid the term "laborer" when a more precise statement of the occupation can be secured. Do not use the word "mechanic," but give the exact occupation, as carpenter, machinist, etc. Distinguish carefully between retail merchants and wholesale merchants. A person who sells goods should be called a salesman and not a clerk.

Statement of cause of death.—Cause of death means the disease, injury, or complication which causes death, not the mode of dying, e. g., heart failure, asphyxia, asthenia, etc. As principal cause name the disease or injury causing death. As related causes, name earlier morbid conditions, if any, related to the principal cause and any important complication of the principal cause. Under contributory causes of importance not related to principal cause, name other important diseases or injuries. Examples:

Example 1	Z.3•4	Example II

In a group of causes containing the principal cause and related causes, the causes should be given in the order of onset, so that in a group of three causes the principal cause may appear in either first, second, or third position. The principal cause in each of the above examples happens to be the second cause given.

AN ACT

To increase the pension of widows, minor children, and so forth, of deceased soldiers and sailors of the late civil war, the war with Mexico, the various Indian wars, and so forth, and to grant a pension to certain widows of the deceased soldiers and sailors of the late civil war.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That from and after the passage of this Act the rate of pension for widows, minor children under the age of sixteen years, and helpless minors as defined by existing laws, now on the roll or hereafter to be placed on the pension roll and entitled to receive a less rate than hereinafter provided, shall be twelve dollars per month; and nothing herein shall be construed to affect the existing allowance of two dollars per month for each child under the age of sixteen years and for each helpless child; and all Acts or parts of Acts, inconsistent with the provisions of this Act are hereby repealed: Provided, however, That this Act shall not be so construed as to reduce any pension under any Act, public or private.

SEC. 2. That if any officer or enlisted man who served ninety days or more in the Army or Navy of the United States during the late civil war, and who has been honorably discharged therefrom, has died, or shall hereafter die, leaving a widow, such widow shall, upon due proof of her husband's death, without proving his death to be the result of his army or navy service, be placed on the pension roll from the date of the filing of her application therefor under this Act at the rate of twelve dollars per month during her widowhood, provided that said widow shall have married said soldier or sailor prior to June twenty-seventh, eighteen hundred and ninety; and the benefits of this section shall include those widows whose husbands, if living, would have a pensionable status under the Joint Resolutions of February fifteenth, eighteen hundred and ninety-five; July first, nineteen hundred and two, and June twenty-eighth, nineteen hundred and six.

Sec. 3. That no claim agent or attorney shall be recognized in the adjudication of claims under the first section of this Act, and that no agent, attorney, or other person engaged in preparing, presenting, or prosecuting any claim under the provisions of the second section of this Act shall, directly or indirectly, contract for, demand, receive, or retain for such services in preparing, presenting, or prosecuting such claim a sum greater than ten dollars, which sum shall be payable only upon the order of the Commissioner of Pensions by the pension agent making payment of the pension allowed; and any person who shall violate any of the provisions of this section, or who shall wrongfully withhold from the pensioner or claimant the whole or any part of a pension or claim allowed or due such pensioner or claimant under this Act shall be deemed guilty of a misdemeanor, and upon conviction thereof shall, for each and every such offense, be fined not exceeding five hundred dollars or be imprisoned at hard labor not exceeding two years, or both, in the discretion of the court.
