Notes

August 8, 2004. I corresponded via e-mail with a nice woman by the name of Janet Armstrong. She is a descendant of William Alexander Langford and opened up this line of the Langford family. Interestingly enough, she is also the treasurer of the Genealogy Society of White County, Illinois. Also of great importance is the lead from Janet indicating that a she had a distant cousin named Bill Langford who was also conducting Langford Family Genealogy research and ended up being the co-author of this research.

SUMMARY OF SOURCES FOR WILLIAM ALEXANDER LANGFORD:

____(1) Marriage Record. Illinois Statewide Marriage Index, 1763-1900. Groom: William A. Langford, Bride: Elizabeth A. Langford Moore, Date: February 23, 1882; Volume: 012, County: White.

____(2) 1850 US Census, Kentucky, Warren County, District 1, Sheet 29, Household #391. He is listed as William Lankford, age: 13, male.

____(3) 1860 US Census, Deckers District, Ohio County, Kentucky, Roll 390, Book 1, Household #449. He is listed as

Family Group Sheet

Wm. A. Lankford, age: 24, male, occupation: laborer. It is interesting to note that his future firstwife, Delila Shull, is living only one house away. This census shows him living next door to Delila as a laborer. William is 24 years old at the time and they marry 1 year after the census was conducted.

____(4) 1870 US Census, Cool Spring Precinct, Ohio County, Kentucky, Roll 492, Book 1, Page 26, Household #172, Family #168. He is listed as Wm. A. Lankford, age: 34, male, farmer, Value of real estate: \$800, Value of personal estate: \$400.

____(5) 1880 US Census, Carmi, White County, Illinois, District #152, Household #96. He is 44 years old at the time of this census. The head of the household is Jeremiah Rusher. Now for an important fact about William and this particular census. He is listed as a Widower. This would coincide with his first wife, Delilah Ann Shull passing away less than a year before. Additionally, you will find all of their children dispersed throughout the nearby area. I would assume that it was too difficult to raise these children on his own. Perhaps he was doing the best he could by finding them all homes for food and shelter and sending any money he could. I sure wish we could take a glimpse at the 1890 census to see if he gets them all back once he is married again.

____(6) 1900 US Census, Carmi Township, White County, Illinois, Roll 351, Book 2, Sheet 6B, Household #116. He is listed as William Langford.
