Sir,

In the claim of Mary A. Rose
for a Pension under act of March 9, 1878, No. 26,275
proof of her marriage to the soldier is required. You are informed that proof upon
this point is of value in the following order:

2. An affidavit of the officiating clergyman or magistrate.
3. The testimony of two or more eye-witnesses of the ceremony.
4. Affidavits of children whose ages would show the date of marriage or commencement of cohabitation.

When this class of evidence is furnished it must be shown by whom and when the record was made, and the date of the Bible, or other book, in which the record is made, must be given, and it should be corroborated by other evidence of at least as high order as the 6th class.

Witnesses under the 2d, 3d, 4th, and 6th classes of testimony must state the circumstances or contemporaneous events by which they are enabled to fix the date of the marriage, and the witnesses should state their ages at the time they testify.

Before any of the lower classes of evidence can be accepted, it must be shown by competent testimony that none higher can be obtained

If the claim is for service pension under the act of February 14, 1871, marriage must be proved at a date prior to February 17, 1815.

If the claim is for service pension under either the act of February 14, 1871, or March 9, 1878, proof will be required to show whether the claimant has again married since the death of the soldier on whose services the claim is made.
