SICK CALLS.

Don't delay sick calls until night. Send during the day. The priest should be sent for before the danger becomes serious. When there is sickness and a priest is sent for, see that a table is prepared with a clean cloth, and a candle (blessed if possible) in a candlestick, some holy water, a tumbler of common water and a crucifix. All who are present should kneel if they know that the priest brings the Blessed Sacrament; they should also kneel and say appropriate prayers during the giving of the Last Sacraments. It is a pious and commendable practice that when the priest comes in the morning to bring Holy Communion to the sick, one of the family should meet him at the door with a lighted, blessed candle.

It offers as great security to its patrons as any Bank here.

It is conducted on conservative and unquestionably legitimate banking principles, and any interests or business intrusted to it will be cared for to its patrons' entire satisfaction.

It is a State Bank, chartered, and observes the Act of 1876, doing distinctively a mercantile and savings business as it has always done. Pays interest at the rate of four (4) per cent. per annum on deposits of one dollar and upward. Two (2) per cent. daily balance on accounts warranting same.

We would be pleased to have our friends and patrons recommend this Bank to their friends, and we will give our best care and attention to any of their business with which we are favored.

Respectfully yours, **FREDK. MAUL, President**

The Correct Thing for Catholics.

The following quoted from Lelia Hardin Buggs' little book, "The Correct Thing for Catholics," we think will be of interest to our readers.

It Is the Correct Thing to

Always be in time for Mass and other services of the Church.

Remember that the church bells are rung for a purpose, and not merely to keep the sexton busy, and that it would be well, therefore, to obey their call.

Take Holy Water on entering the Church.

Make the sign of the cross on the person, and not in the air.

Genuflect on the right knee, and have it touch the floor.

Remember that the King of Kings is present on the altar, and to conduct one's self accordingly.

Avoid whispering, laughing and looking about in Church.

Walk gently up the aisle if one is unavoidably detained after the services have begun.

Make a short act of adoration on bended knees after entering the pew.

Be devout and recollected at the different parts of the Mass.

Remember that bodily presence in the Church, with the mind wandering to temporal concerns, does not fulfill the precepts of hearing Mass.

Pay attention to the sermon, and make it the subject of one's thoughts during the day, as also during the week.

Remember when special collections are to be taken up, and to have your contribution ready in your hand.

Make a practice of putting *something* in the offertory contribution box every Sunday. This should never be omitted at Holy Mass. This collection is of apostolic origin.

Train children to this practice.

Listen to the music as a means of elevating the heart to God.

For a gentleman occupying a pew to move in or rise and let ladies pass in before him.

For pew-holders to offer seats in their pews to strangers.

For men too stingy to have seats of their own in Church, to occupy the free pews, and not blockade the entrance by standing or kneeling on one knee around it.

Avoid coughing, moving the feet around, or making any noise to the annoyance of the clergy and people.

The Correct Thing for Catholics—Continued.

To leave babies at home or with neighbors when going to Church.

For a mother who has a child with her at Church to get up and take it out when it begins to cry or fret.

Be punctilious in following the ceremonies of the Church, standing, kneeling, etc., at the proper times.

For members of the choir to sing for the glory of God, and not for their own.

Take an earnest Protestant to hear a good sermon.

Remain kneeling until the last prayers have been said and the Priest has retired to the sacristy.

It is Not the Correct Thing for Catholics to

Be late for Mass or any Church service.

Stalk hurriedly and noisily up the aisle.

Ignore the Holy Water font at the entrance.

Make the sign of the Cross as if fanning off flies.

Give a little bobbing courtesy instead of the proper genuflection before entering one's pew.

Whisper, cough, or cause distraction to those around.

Deliberately turn around, stare up at the choir, or at those entering the Church.

Go to sleep, or read the prayer book during the sermon. This is unpardonable.

Be in an ecstatic condition of devotion when the contribution box approaches.

Forget all about a special collection for the Orphans, Church Debt, &c

Go to Highmass simply to listen to the music, as one would go to the opera.

For the person occupying the end seat to scrowl forbiddingly at all those who seek to enter the pew.

For a person to go to a private pew without an invitation.

Take babies and crying children to Church.

Make a rush for the door before the Priest has descended the altar to begin the concluding prayers.

Go to Church on the last moment and leave it at the first.

Kneel on only one knee, or to emulate the position of the bear when saying one's prayers.

For members of the choir to forget that the choir loft is part of the Church, and that talking, laughing, giggling, chewing gum, and other practices which have known to prevail in some choirs, are strictly out of place.

For members of the congregation to find fault with the sermon, criticise the Priest, and retail gossip on their way home from Church, as is done in China and other places in the Orient.

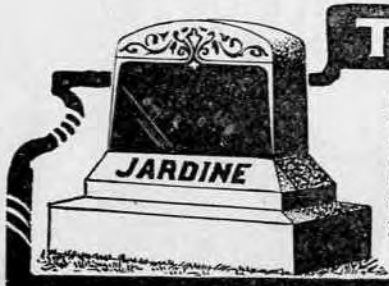
ST. MARY'S CEMETERY

St. Mary's Cemetery is convenient to town and on public highway. It is beautifully located and cost nearly 20,000 dollars. Any Catholic can procure a single grave, or cemetery lot 18x18 feet, at a reasonable rate. All that is necessary is to bring a certificate from your respective Pastors. For further information apply to the Cemetery Board or Rector of St. Mary's Church.



THE LOW PRICE

at which we sell Fine Monuments and Headstones makes it possible for people of very moderate means to erect handsome stones to the memory of their loved ones. Booklet, containing many handsome designs, tells you why our prices are cheaper but our work better than others, free if you mention this paper.

Rules of the Congregation.

1. All members of the Parish should have their names entered upon their Parish record.—(Pew Book)

2. It is an act of charity to make your Priests acquainted with any newcomer or with any member who may be neglectful in Church attendance.

Confirmation

Is administered by the Bishop. The exact date is announced from the altar. Rember this is a sacrament of obligation.

Marriage Notices.

When you intend to get married, the pastor should be seen about three weeks before. Remember that the Church requires you to be called out three times. Dispensation in two bans can, for sufficient reason, be obtained. Catholic marriages should always be celebrated in the morning at Holy Mass, and it is most commendable to receive Holy Communion at your Nuptial Mass. Marriages in the evening is not a Catholic practice.

No marriages are celebrated: 1. From Ash Wednesday until the second week after Easter. 2. From the first Sunday in Advent until the 7th day of January.

Funeral Notices.

Burial services should be held in the morning. Have your friends buried with a Holy Mass for the repose of their soul. Instead of spending money for flowers and carriages, how much better it would be to have prayers and Masses offered and alms given to the poor for the solace of the deceased.

Sunday funerals should be avoided.

Baptismal Notices.

The holy sacrament of Baptism is administered every Sunday at 1:30 p. m., and at any time when in danger of death.

Never defer the baptism of a babe longer than the first, or at most, the second Sunday after its birth. Remember your great responsibility, if by your neglect the child departs without baptism.

Baptism is always to be administered in the Church in accordance with the second council of Baltimore.

In danger of death, baptism can be administered at home, but privately, without ceremonies, these to be supplied afterwards in the Church. (2d Coun. Balt. p 237).

Baptism, marriages, etc., should be received in one's respective Church.

Catholics only can be sponsors at baptism.

Things to be Remembered.

1. Anyone frequently remaining away from Church is in danger of getting careless in every point of religion. Missing Holy Mass on Sunday and feast days of obligation, without grave reasons, is a grevious sin.

2. Allow no excuse to prevent your attendance at divine service. If prevented in the morning, strive to attend the evening service. It is edifying to see the large attendrnce, especially of men, on such occasions.

3. Let nothing induce you to speak disparagingly of your Church or religion. Stand by your Church as you would by your mother. Make no engagements which will interfere with your attendance at Mass. Church engagements stand before all others.

4. Pray for your Priests. They need it; they are only men with great responsibilities and with many to please. If there is any member of your family, or of the congregation sick, please notify the Priest.

V. If any acquaintance of yours needs the aid or counsel of a Clergyman, inform your Priest of it.

Pew Rent.

Pews are rented quarterly. Pew rent should be paid in advance. It is one source of income on which we depend to cover the expenses of the Church. Members are also expected to contribute to monthly collections.

It is the duty of every Catholic "to contribute to the support of your Pastor." Such is the fifth commandment of the Church. This can be done by renting a pew and by paying monthly dues. Are you doing your duty in that respect?

Churching.

This is not obligatory, still highly commendable. It is in imitation of the Blessed Virgin Mary, who went to the temple after the birth of her Child, our Divine Lord Jesus. Christian mothers also, the first time they leave the house after the birth of a child, go to Church to implore God's special blessing for themselves and for the new born son or daughter. Churching seems most proper after assisting at Mass, and more yet, after receiving Holy Communion.

Confession and Holy Communion.

Monthly confession and holy communion are earnestly recommended.

Confessions are heard on the eve of Sundays and Holy Days from 4 to 6 and from 7 to 9 p. m. The children who have not made their first communion go to confession several times a year.

First Communion.

All children of ten years of age must report for instruction. No one will be admitted except after a serious examination on the elementary points of religion.

Choir.

The choir, composed of our best talent, renders some excellent music at our Sunday services. We take a just pride in saying that the members who have been enriched by the inheritance of this great gift, vocal music, feel a strong desire to use it in singing the praises of God. Sacred music inspires, in the hearts of its hearers, more sublime conceptions, more exalted ideas of the lofty mysteries which are being celebrated. Good music enhances the service of God, and commands the gratitude and admiration of all true Catholics.

St. Mary's School.

It charge of the Sisters of Divine Providence. School contains six rooms, in which all branches are taught, up to fitting the scholars for a higher education or academics. German and French are optional. Music, etc., at moderate extra charges.

Persons should not call at the pastoral residence immediately before Mass or between Masses, except in cases of the greatest importance.

Notice.

The cost of publishing this valuable book of information is defrayed by the kindness of our advertisers. They represent the leading business houses of McKees Rocks and the city. Kirchenregeln.

Ein jedes Mitglied der Gemeinde sollte einen Sitz in der Kirche, und den Namen in dem Kirchenbuche (Stuhlrent Buch) eingetragen haben.

Stuhlrente sollte vierteljährig, und zwar im Anfang des Quartals vorausbezahlt werden.

Sollten Katholiken von auswärts in die Gemeinde einziehen, oder sollten Gemeindemitglieder ihre religiöse Pflichten vernachlässigen, so erfordert es die christliche Liebe, den Priester hiervon in Kenntniß zu setzen. Ein jedes Gemeindemitglied sollte sich einer, seinem Alter, Stande oder Geschlechte nach, betreffenden Konferenz anschließen.

Taufnotizen.

Des hl. Sakrament der Taufe wird regelmäßig Sonntag nachmittags um 1:30 Uhr, bei Todesgefahr jedoch zu jeder Zeit, gespendet werden.

Kindstaufen sollten nicht länger als bis zum zweiten Sonntag nach der Geburt verschoben werden. Bedenke deine große Verantwortlichkeit, sollte durch deine Nachlässigkeit ein Kind ohne die hl. Taufe sterben. Nach den Regeln des zweiten Councils von Baltimore muß die hl. Taufe immer in der betreffenden Pfarrkirche stattfinden; bei Todesgefahr jedoch, kann die Nothtaufe zu Hause vorgenommen werden. Bei jeder Taufe sollte der Priester in Kenntniß gesetzt werden, ob ein Kind die Nothtaufe empfangen hat oder nicht.

Artesian Well Water.

SINCE the Monongahela Water Company drilled the 12-inch Artesian Wells at their pumping station there has been a very marked improvement in the quality of the water distributed to the poople of McKees Rocks Esplen and Stowe Township. In fact everybody in this "neck of the woods" is delighted with the service during the past year, both as regards quality and quantity.

The pressure is good at all times; even on such high points as Shaw's hill and Norwood place the people have a uniform pressure of 60 to 70 pounds to the square inch, while on Chartiers avenue and Island avenue the pressure runs from 100 to 130 pounds, which is strong enough for the firemen to throw a stream of water over the highest building in McKees Rocks without the use of a fire engine. The people of McKees Rocks and Esplen as well as the fire departments of each borough should be congratulated on the good service given by the Monongahela Water Company during the past year. It is in marked contrast with the intermittent supply given by the other water company which supplies our neighbors in Sheraden, Ingram, Crafton and Carnegie.—McKees Rocks Gazette of February 4, 1904.
