

McMurtrie Family Residences in Kirkoswald and vicinity in 1700s

Richard McMurtry April 2008

CF 37 (assumed descendants of Thomas b 1699 Balkonnan) seemed to move around in the vicinity of Turnberry, Chanter/Shanter, Jamestown after leaving Balkonnan about 4 miles south.

CF 38 (assume Descendants of Matthew b 1705 Little Hogstown) seemed to center around Hogstown and Ardlochan less than a mile north of Jamestown. Three related families lived in Ardlochan and Littleton 1695-1721 for which later generations are unknown. An unrelated family seems to have lived in Blair and Woodhead in Kirkoswald and Kilgrammie in Dailly Parish.
