To Eddie Howell goes Eleanor Schump's place in Latin Club.

We, the Senior Class, declare this, our last will and testament, and drawn
up according to the code of the Iowa City High School.
Sheriff: That is all. Have you anything else to say for yourself?
Horse Thief: No, I am ready for death. Let it come.
Weak Moment (sobbing): My darling, you are so brave!
Friend (sobbing): Be courageous in your last moments.
Sheriff (leading Horse Thief away by a huge rope): The tree is this way.

THE MODEL "A" FORD

A wonderful new Ford, which never squeaks, rattles, or bangs, but is always in perfect condition, is one of the most cherished possessions of the junior class. It has several remarkable features, the best of which is that it is composed of many members of the class, and, therefore, never needs overhauling.

JUNIOR AND SENIOR HONOR ROLL

Sievers, Argo, Helmer, McCabe, Moffitt, Shea, Woodard, Paulus, Bright, Donovan, Paden, C. Miller, S. Smith, Keeler, P. Martin, Machovec, Weekes, Hotz
G. Albrecht, Blecha, B. Soucek, Pickering, H. Breece, Lampe, Aurner, Benda, Jahnke, E. Mapes, Ewers, Batie, Bryan, M. Mapes, Laughlin, Finch, Wagner, Anderlik
Yager, Hons, L. Smith, Burrell, T. Christensen, Moore, Beckman, Howell, Spencer, Vaughn, Schump, Fairchild, Hall, Cole, Sedlacek, Reha, Mott, Riecke, Vanhorn, Overholt
Houser, Shulman, Diehl, Horack, Kittredge, M. Davis, Sexton, Wren, Brady, Sidwell, White, Parizek, H. Davis, Schnobelen, Reilly, J. Soucek, Roose, Greazel

The achievement of a position on the honor roll means as much, and has the same significance, to a student of I. C. H. S. as does Phi Beta Kappa to a university student. In order to be placed upon the honor roll the boy's or girl's grades must be "G" or above in all of his subjects.

Those who have done exceptional work and have an all "E" average are: Evelyn Benda, Robert Shea, William Donovan, Priscilla Keeler, and Herdis Christensen.

Following close in the footsteps of the "all E" students are Lois Beckman, Irene Benda, Mildred Mott, Bessie Soucek, Dorothy Spencer, Martha Vaughn, Harold Paulus, and Beryl Weekes who have received all "E's" but one.

FRESHMAN AND SOPHOMORE HONOR ROLL

Filter, Saltzman, Mapes, Keeler, G. Dunton, Rate, Snider, Fousek, Findly, A. Dunton, Nelson, Green, Richey, Sievers, Johnston, D. Chapman, Wharton Miller, Fitzgerald, Kadlec, Scharf, Lawson, Kauffman, Rohrbacher, Anthony, Smith, Mahr, Talbot, Dempster, Kasper, Neumann, Todd, Soucek, Cone, Hurd, Fisher Paddock, Sybil, Bales, Eichler, Bennett, Albrecht, McGhee, Burke, Vanhorn, Alcock, Paine, Epperson, Balkema, Martin, Huffman, L. Benda, A. Chapman, Van Doren, Huff Albright, Stronks, Kelly, Scannell, Slavata, Fairchild, Lampe, Ayres, Lauer, Hacker, Trowbridge, Potter, Fousek, Simpson, Fox, Lambert, Mahan, Dichl

All freshmen and sophomores who receive G's and E's on report cards have their names placed on the honor roll. "E" indicates a grade ranging from 95-100; "G" from 85-95. The interest in the honor roll is increasing greatly from year to year.

Betty Kuhl and Iowa Scharf were the only sophomores to get all E's the first semester of this school year. Chester Filter and Eloise McGhee received all G's and E's.

Lambert Trowbridge, Helen Fitzgerald, Frances Keeler, Alice Kelly, and Eleanor Lauer were the freshmen to get all E's. Those who made G's and E's were Virginia Eichler, Mary Eleanor Johnston, Gretchen Neumann, Betty Lampe, and David Fisher.

Coach Wells, Miller, Redman, Captain Lucky, Moffitt, Vestermark, Coach Cannon

IOWA CITY 27, WEST LIBERTY 0

The Little Hawks trampled the Blue and White gridders to the tune of 27-0, and made a good showing for the first game of the season. Captain Lucky was high scorer, making three of the four touchdowns. Iowa City's passing attack completely baffled the West Liberty eleven, and enabled the Little Hawks to score.

IOWA CITY 12, FAIRFIELD 0

For two consecutive years, the Hawklets have defeated the Fairfield gridders. In 1928 the former succeeded in securing a 7-6 verdict, and in 1929 gave the Orange and Black a 12-0 defeat. The game was hotly contested, but the Hawklets earned every point.

IOWA CITY 14, EAST DES MOINES 14

If ever there was a Hawklet football machine which put up as good a fight as the 1929 team did against East Des Moines, it must have been a state champion team. Fighting against heavy odds, and seven points behind, the Hawklets battered the Red and Black line until they were in scoring distance. Then fate took a hand and brought six points to Iowa City on a pass, which was incomplete and over the goal. The intended receiver was fouled on the play and Iowa City received her six points. Moffitt added the extra point with only a few minutes to play, and Iowa City and East Des Moines fought to a draw, 14-14.

IOWA CITY 0, CLINTON 0

Iowa City and Clinton battled to the usual score, 0-0. The Hawklets, however, seemed to have had the best of the game, for they came within scoring distance several times. These chances to score were lost, when the Hawklets failed to catch two of the passes which were over the goal, which would have given Iowa City a victory.

IOWA CITY 14, WASHINGTON HIGH (CEDAR RAPIDS) 12

Aided by her baffling pass attack, Iowa City came through with a win against Washington Hi. The game was never on Ice until the Little Hawks pushed over seven points in the last quarter to give themselves a victory.

IOWA CITY 6, GRINNELL 6

Grinnell immediately put the Little Hawks on the defensive by virtue of two long passes. Moffitt's 60-yard punt brought Iowa City to a position to use its offense, and a pass and a fake pass put Iowa City into the lead. Grinnell tied the count in the same quarter, and the second half was uneventful.

IOWA CITY 38, MUSCATINE 0

Using about a half and half mixture of first and second string men, Iowa City pushed over a touchdown a quarter against Muscatine. Using the whole first team in the last quarter, the Little Hawks ran rough shod over the "Musgies" to make their largest score of the year.

IOWA CITY 13, COLUMBUS JUNCTION 0

Columbus Junction's passing attack gave the Iowa City secondary defense a stiff workout to prevent a score. Columbus Junction completed pass after pass, but could not score. Glick intercepted a well timed pass, and ran 60 yards for a touchdown.

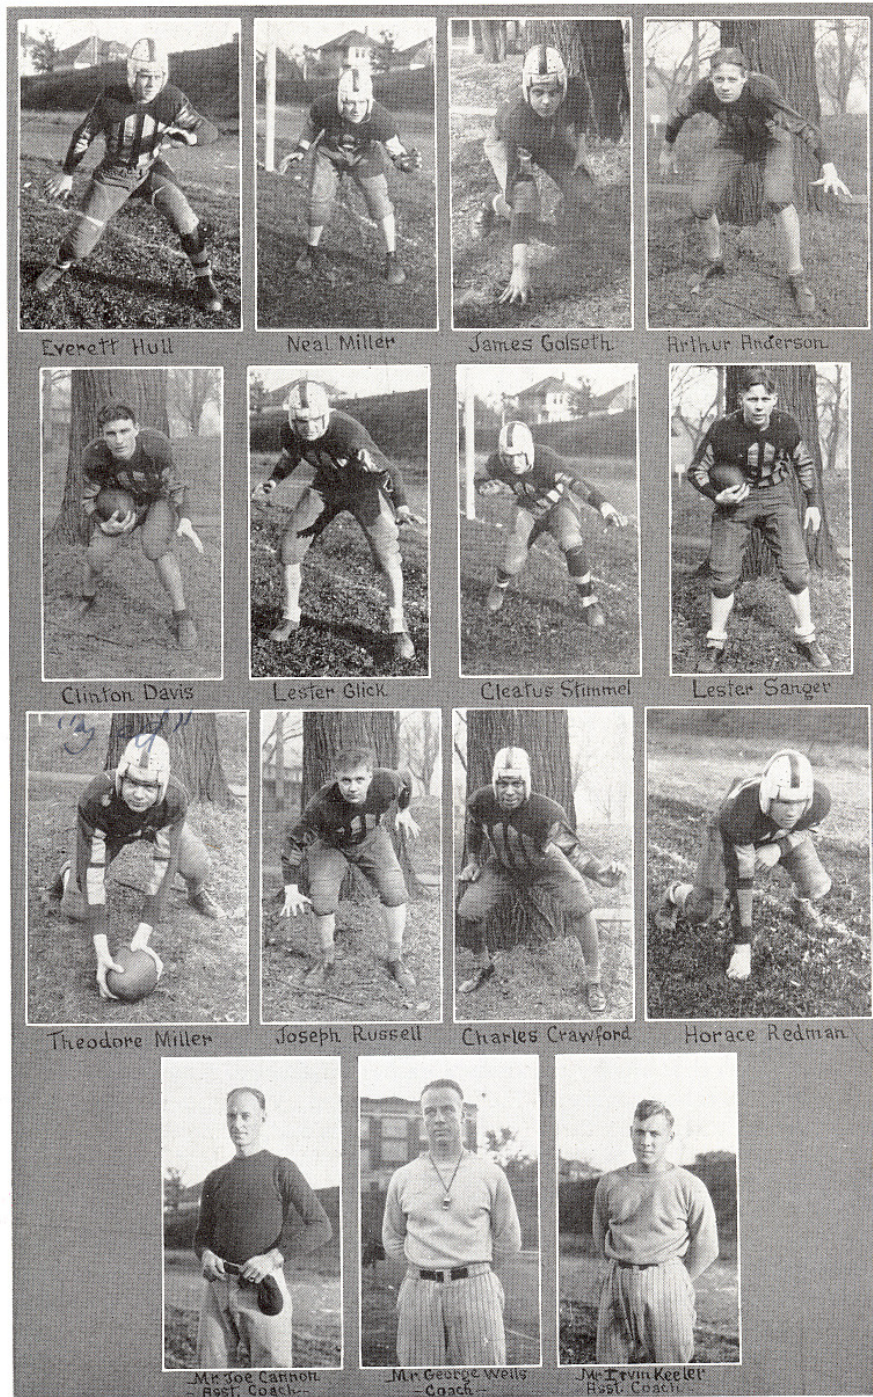

IOWA CITY 0, DAVENPORT 16

The Little Hawks lost their first game and championship bid when the undefeated Davenport team outscored them 16-0. "Mike" Layden made both of Davenport's touchdowns by unexpected dashes off tackle. Krumbholz kicked both goals. A safety completed the Iowa City ruin. Wellington was the star of the zero-weather game, throwing accurate passes and getting distance on his kicks.

IOWA CITY 12, WEST WATERLOO 7

West Waterloo started in an impressive manner, and scored a touchdown after the first two minutes of play. Waterloo weakened, however, in the face of the savage attack on the part of the Little Hawks, and Iowa City added another victory to her record. A blizzard dropped a curtain of snow over the field during the last quarter.

COACHES

Undertaking the task of molding inexperienced material into first string players, Coach Wells turned out both an excellent football machine and a fine basketball team. The football team, up until the next to the last game of the season where it met defeat at the hands of Davenport, was the "Dark Horse" in the race for the state championship. The basketball team earned a .500 per cent rating in the M. V. C., and, after winning the sectional tournament, went to the finals of the district tournament where it met defeat. Coach Wells emphasized team play and good sportsmanship in his coaching, thereby benefiting the squad members in both the science of the game and the playing of it.

Coach Keeler, himself a versatile athlete, gave his time and services to the Hawklet grid team. He demonstrated to the backfield men, during scrimmages, the way they should play their respective positions by carrying the ball for a touchdown, or passing to an offensive man in an opening in the opponent's defense, and by punting at the unexpected time.

He also proved to be a reliable and accurate scout for scouting the opposing teams.

As a most able assistant, and a great sportsman, Coach Cannon devoted much of his time to the promotion of good sportsmanship and clean athletics at Iowa City High. He possesses a thorough knowledge of both football and basketball and passed it on to the squad members.

His membership in the Hospital Corps of the A. E. F. gave him valuable experience in training athletes, and also in the care and prevention of athletic injuries.

THE TEAM

DONALD LUCKY, *Captain*

Don was rated as one of the best backfield men on the Hawklet squad. He was particularly noted for his accurate pass-receiving and interference. "Lucky" was in every play and responsible for many of the Little Hawk victories.

HARRISON WRIGHT, *Captain-elect*

"Bud's" ability to buck up the line at the fullback position was not overshadowed in the least by his ball carrying. "Bud" was a stellar, dependable football player, and marked as a dangerous man by every opposing team.

HOWARD MOFFITT

The fastest and most alert man on the squad, Howard took care of the punting, passing, and much of the ball carrying. He also took care of his end of the pass-receiving and interference. "Hank's" ability to think quickly in pinches and then execute his decision was his outstanding feature. He has been chosen for the all-state second team to play the quarterback position, which honor he certainly deserves. "Hank" has played his last football game for Iowa City High.

LEE MATHES

Lee has undoubtedly upheld his reputation as an honorably-mentioned all-state end. His spectacular tackling and pass-receiving have gained conference, and even state-wide, recognition. He also played halfback where he was especially dangerous. Lee is a senior; his loss to the squad will be quite noticeable.

EVERETT HULL

"Shorty" was an end dreaded by every opposing team. His deadly pass-receiving was a remarkable feature and sent more than one team to defeat. This is "Stub's" last year at I. C. H. S.

ARTHUR ANDERSON

"Swede" helped uphold the "end" section of the Hawklet football squad, and his extended height gave him quite an advantage when it came to snagging passes. He was a reserve player, but gave all he had to the team. Arthur lacked a few quarters of earning his major letter, so he was rewarded with a reserve monogram. The Hawklets will be minus the services of "Swede" next year.

ELDRED VESTERMARK

"Pink" had enough fight in him to bring victory to ten teams. As a tackle, he was a hard man to deal with. Opposing teams never failed to find out that "Pink's" side of the line was almost impenetrable. He will be back next year with all his fight and spirit.

LESTER GLICK

"Les" developed into an excellent end. Moreover he devoted his time to the halfback position where his uncanny faking and pivoting were a constant menace to opposing teams. "Les" is a senior and will not be back next year.

CLEATUS STIMMEL

"Gus" was a powerful tackle who played a great game on both offense and defense. He was a deadly tackler and a good blocker. "Gus" will be with us again next year.

CHARLES CRAWFORD

"Duke" played at the tackle position where it took plenty of fight and grit to hold one's own. If the ball carrier was anywhere within reach of "Duke," he was as good as tackled.

JARO SOUCEK

"Yud," one of the best guards in the M. V. C., was the mainstay of the Hawklet line where his excellent offensive work was remarkable. While playing the center position on offense, he occupied the halfback territory on defense. His ability to break up opponents' passes was excellent. He will not be back next year.

RICHARD YAGER

"Dick" was a fighting guard who gave all he had in every game. He had plenty of fight and was a scrappy linesman. The Little Hawks will have to do without him next year.

HORACE REDMAN

"Red" divided his time between halfback and end. His playing was equally effective at either position. At halfback he was especially adept at smearing enemy passes. He was a fine tackler with plenty of grit. Since "Red" is a senior, his football career at I. C. H. S. is over.

CLINTON DAVIS

Clinton played halfback, and was a speedy offensive man. Part of the season, however, he played end, and performed there in good style. He had unusual ability in breaking into the open spaces around end. The Red and White squad will be without his services next year.

HOWARD DAVIS

A fast and accurate end was Howard, who proved his worth in the Muscatine game. He was a good defensive man, allowing few plays around him. This is his last year.

JAMES CHRISTENSEN

"Jim," a fighting Swede, full of grit and determination, played in the backfield and sometimes at end. He was a great man for plowing through the line, and was fast when once he broke away. This is "Jim's" final year.

JAMES GOLSETH

The Hawklet tackle berths were ably aided by Jim. He was a heavy man, and dangerous, starring especially on offense. "Jim" has played his last football game for Iowa City.

WENDELL TAYLOR

One of the hardest-hitting tackles in the M. V. C. was Wendell, and a great player either on offense or defense. Although he was handicapped by injuries for a while, he proved his worth in the Thanksgiving Day battle with West Waterloo, when he recovered a Wahawk fumble which led directly to Iowa City's first marker. Then in the last minutes of play, with Waterloo leading 7-6, he recovered a blocked punt which placed the Hawklets in position to score. Thanks to Taylor, the Little Hawks won, 12-7.

THEODORE MILLER

"Ted" was an outstanding guard whose ability had been proved by his steady playing. He was full of fight and a good man to be inserted in pinches. Ted will strengthen the Hawklet team next year.

NEAL MILLER

Neal played guard. He was a hard-hitting, dependable player, whose fight and determination brought out all that was in him in every game. Neal will be back next year to bolster up the line weakened by this year's graduates.

VICTOR CURRY

"Vic," a snappy end, who fought every minute, was a deadly blocker, and especially capable of holding his own on defense. "Vic" returns next year when we hope to see a lot of him.

LORNE ISENSEE

A most dependable center was "Ike," and a mountain of strength either on offense or defense. "Ike" handled the ball in excellent fashion. He will return next year to strengthen the center of the line.

JOE RUSSELL

Joe played guard, where his weight was of considerable advantage to him. He held down his position in good style. Joe lacked a few quarters of earning his letter, but he was awarded a reserve monogram.

PAUL CALLAGHAN

Paul was a hard-hitting, dreaded tackle, and a handy man to be used in pinches. Although he failed to make the required number of quarters to get a major letter, he was awarded a reserve.

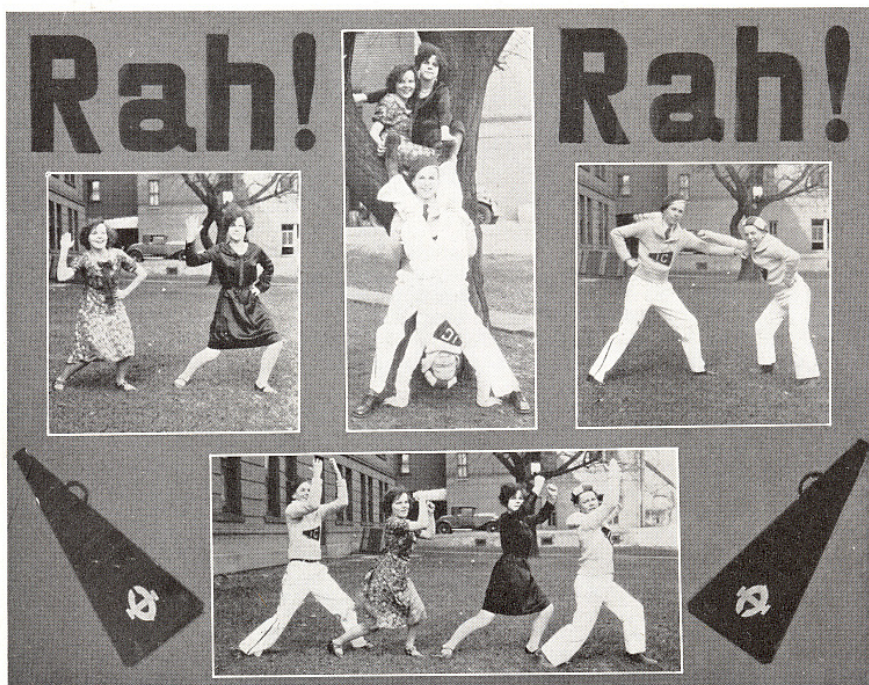

HAROLD HORACK

"Hod" was developing into a fast and evasive halfback when unfortunately he was handicapped by a back injury, thus being prohibited from further play. However, "Hod" received a reserve for his faithful services.

LESTER SANGER

"Sanger" played tackle and earned his reserve letter by displaying a snappy brand of football.

REVIEW OF 1929 FOOTBALL SEASON

The members of the 1929 Hawket football squad have completed one of the most successful seasons in the history of the high school. The team was the dark horse in the race for the state championship and, until the Davenport game, had suffered no losses. The Little Hawks had to submit to a 16-0 defeat at the hands of the Blackhawks, but did not let this interfere with their string of victories, when they smothered the Wahawks from Waterloo 12-7 in a Thanksgiving Day engagement.

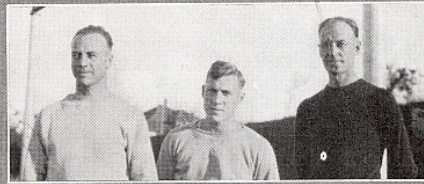

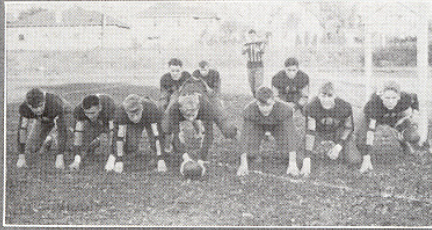

The Iowa City team succeeded in clinching six out of ten games, tying three and losing only one. The record of the games is as follows:

Iowa City	27	West Liberty	0
Iowa City	12	Fairfield	0
Iowa City	14	East Des Moines	14
Iowa City	0	Clinton	0
Iowa City	14	Washington Hi	12
Iowa City	6	Grinnell	6
Iowa City	38	Muscatine	0
Iowa City	13	Columbus Junction	0
Iowa City	0	Davenport	16
Iowa City	12	West Waterloo	7

REVIEW OF THE SEASON

Iowa City's team, although not achieving a roaring success in the Mississippi Valley league, won 14 out of 20 games. Only one game was lost outside of the league, that being to West Waterloo in the finals of the District tournament at Waterloo. The Little Hawks won the Sectional tournament by defeating U. High for the third time. Other teams beaten in that tournament included Central City, and Washington and Grant Highs of Cedar Rapids. Iowa City won five and lost five to tie with Grant High for third honors in the Mississippi Valley league. Two victories over Washington High and Clinton, and a split with Dubuque, with double losses to Davenport and Grant, gave us the .500 rating. Although the team lost three regulars at mid-year at the tournaments, it displayed more strength than ever.

IOWA CITY 21, LONE TREE 17

Iowa City's late football players had a little harder time beating the Lone Tree five than they did in previous years. The practice game ended in Iowa City's favor, however.

IOWA CITY 9, DAVENPORT 35

Davenport's playing belied the fact that this was her first game of the year, and due to a long preseason training period, she easily put aside all Iowa City attempts to score. She scored often enough to leave Iowa City hopelessly behind.

IOWA CITY 23, CLINTON 9

The Little Hawks overcame Clinton by a comfortable margin on Clinton's court, 23-9. Iowa City held the superior hand all the way.

IOWA CITY 22, DUBUQUE 27

The tussle at Dubuque proved to be anyone's game until the last minutes of play, when the Key City five piled up enough pointers to turn back the Red and White.

IOWA CITY 17, GRANT 27

Grant's last half rushes overcame the Red and White quintet in their first meeting at the Parlor City. The game was one of the roughest played in that city. Many fouls made the game a poorly played one.

IOWA CITY 18, WASHINGTON HIGH 12

With Les Glick leading the way with his ten points, Iowa City made its second conquest of the Mississippi Valley league in the local swan song for the three Iowa City players: Soucek, Fry, and Glick.

IOWA CITY 6, DAVENPORT 19

Iowa City used a slow-breaking offense to prevent the Moonmen from scoring with their high powered offense, but in spite of that, the Little Hawks were defeated for the second time this year by Davenport.

IOWA CITY 14, UNIVERSITY HIGH 10

The Little Hawks played listless ball, but came out on top in their first meeting with U. High. The game was devoid of the usual thrills of former Iowa City-U. High battles.

IOWA CITY 17, CLINTON 8

Coach Wells' quintet had little trouble subduing Coach Livermore's Clinton five, weakened by a recent ousting of five of his regular players. Moffitt played but part of the game, due to a slight attack of "flu."

IOWA CITY 18, ALUMNI 20

Completely outclassing the former Hawklet basketball stars in the first half with an 18-6 lead, the Little Hawks relinquished their lead and permitted the Alumni to forge ahead. The Hawklets failed to make good on many of their free throws, which, if they had been made, would have given Iowa City a victory.

IOWA CITY 20, DUBUQUE 11

A revengful Red and White squad took the floor against the Dubuque five, and avenged their former 22-27 defeat by a 20-11 count. Here again the Hawklet defense was impenetrable, and the Duhawks were forced to take the short end of the score.

IOWA CITY 12, GRANT 21

Iowa City went down before the assault of the Grant High five for the second time this season. The first half was mostly Iowa City, but Grant gained momentum in the third and fourth periods to overcome the Iowa City advantage.

IOWA CITY 20, WASHINGTON HIGH 10

The Little Hawks made a repetition of their victory over Washington High earlier in the season by a 20-10 win. The score at the end of the first half was 10-0 in favor of the Red and White. The game was very rough, and Washington Hi garnered 20 personal fouls for the evening, while Iowa City totaled 5.

IOWA CITY 30, UNIVERSITY HIGH 11

In this game, it looked very much as if U. Hi would be held scoreless, as the score at the half was 21-0 in favor of the Little Hawks. Nevertheless the Blue and White pepped up during the last half and scored 11 points, while Iowa City brought her total to 30. The Hawklet second team played throughout the last quarter, and battled on even terms with the Blue and White.

IOWA CITY 17, MUSCATINE 14

This game was probably the cleanest and best played game of the season. Both teams were on edge, and although Iowa City was never headed, she was forced to fight hard to keep the lead. Neither team slackened its pace throughout the game, and Iowa City came out in the lead, 17-14.

SECTIONAL TOURNAMENT AT CEDAR RAPIDS

IOWA CITY 34, CENTRAL CITY 5

The Hawklets made a good start toward winning the Sectional tournament by defeating Central City 34-5. The reserve members of the squad played a good share of the game, and walked all over the Red and Black. The score at the half was 21-2, and the Central City quintet was held to 3 points in the last half.

IOWA CITY 16, WASHINGTON HIGH 10

Making away with Washington High by a 16-10 count, the Little Hawks furthered their chances of winning the tournament. At halftime the score stood 7-6 in favor of the Hawklets. The game was hotly contested throughout, and both teams were striving their hardest to win, since the outcome of the game had quite a bearing on the tournament.

IOWA CITY 29, GRANT HIGH 20

After suffering two defeats from Grant High during the season's schedule, the Hawkllets came back in the tournament and spilled the Green and Gold 29-20. At halftime the score was 19-1 with the Hawkllets on the heavy end of the score. Since the winner of the game earned the right to compete in the finals of the tournament, Grant made a desperate rally in the last half, but failed by nine points to tie the score. The Red and White reserves upheld the Little Hawk lead during the final quarter.

IOWA CITY 22, UNIVERSITY HIGH 12

The Hawkllets advanced to the final round of the tournament and met U. Hi for the championship. The Blue and White fell before the Hawkllets for the third time this season by a 22-12 score. The game was slow but hard fought as are most championship games. However, Iowa City came out ahead and earned the right to compete in the District tournament.

DISTRICT TOURNAMENT AT WATERLOO

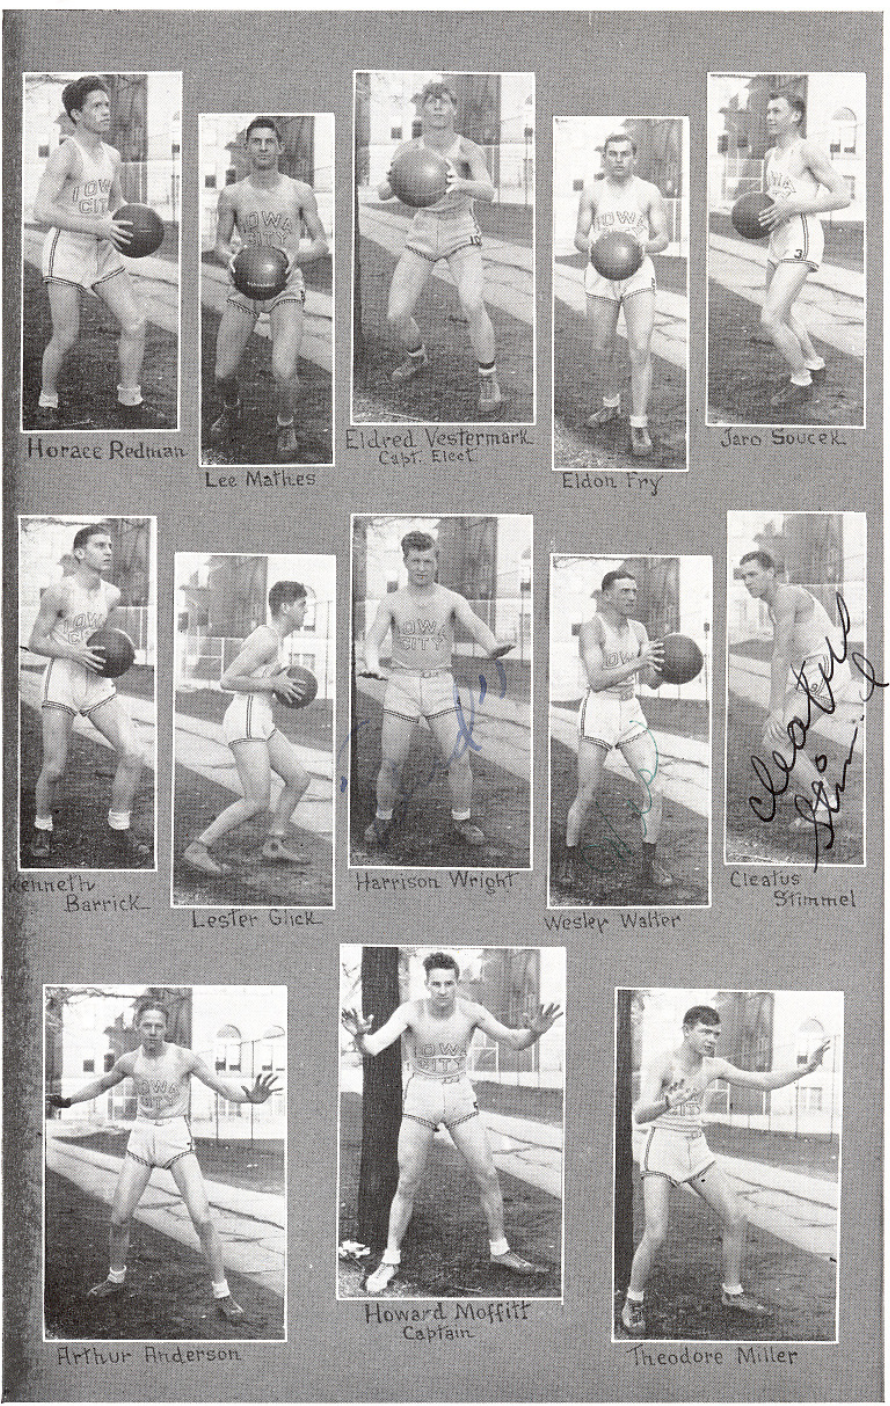

IOWA CITY 13, MANCHESTER 12

In the first game of the district tournament, Iowa City barely escaped elimination by a one-point victory over Manchester. "Pinky" Vestermark's sensational long shot was the feature of the game.

IOWA CITY 9, WEST WATERLOO 18

West Waterloo put Iowa City out of the title race by taking a hard-fought game in the finals of the district tournament. "Pinky" Vestermark again led the Iowa City point getters. The game was very close the first half, but in the third and fourth periods Waterloo gradually pulled away. The Little Hawks could not get hitting once during the tournament.

THE TEAM

CAPTAIN HOWARD MOFFITT

Ending his three-year stay on the Iowa City five, "Hank" leaves a trail of many achievements behind. In his first year, he was all-conference guard; in his second year, all-conference forward, and won a place at the same position on the all-state team. This year he again won a place on the all-state teams as a guard on the second team. Howard has been on three all-city teams. He played guard again this year and at Davenport held the league leading Krumbholz scoreless.

CAPTAIN-ELECT ELDRED VESTERMARK

As a reward for his outstanding play all season, "Pink" was elected captain for the next year. He played forward and guard. After the loss of the mid-year graduates, "Pinky" became a regular. His follow-ups made him a good point getter.

LESTER GLICK

"Les" Glick ended his third year as a basketball player for Iowa City at the completion of the first semester. "Les" was a consistent player, always remaining cool under the hottest of competition. He turned in his best game against Washington High here.

JARO SOUCEK

"Yud" played guard. He was effective in securing rebounds from the bankboard and working the ball through on offense. His high school career came to a successful close at mid-year.

ELDON FRY

Eldon ended his competition on the high school maple courts in January. He spent his time playing guard, and when he got "hot" the baskets rolled his way. He played a good game at Grant.

HARRISON WRIGHT

"Bud" abandoned the standing guard position, where he had been playing a strong game all winter, to add point getting along with guarding. He has another year to play.

ARTHUR ANDERSON

"Swede" played during his last year as center and guard where his height helped to a great extent. Paired with Moffitt, he held Washington High scoreless the first half.

HORACE REDMAN

"Red's" fight made him the first to replace any forward who should happen to go wrong. "Red's" scrap made things hot for the opponents. This is his last year.

LEE MATHES

Lee finished his first and last year with a much improved game of ball. Playing forward all season, he became an important cog in the Iowa City offense. His arched shots were good for many points.

CLEATUS STIMMEL

"Hardy" fitted in very well at center, often controlling the tip-off. His floor play became polished as the year went by, and in the last of the season he played first class basketball. He has another year.

THEODORE MILLER

"Ted" played guard on the seconds and often got into the game for a few minutes. "Ted" was aggressive. He will add materially to the strength of next year's team.

KENNETH BARRICK

"Ken" had a good eye for the basket. In the Central City game he scored six points in about as many minutes. His floor work was smooth. Much can be expected from him next winter.

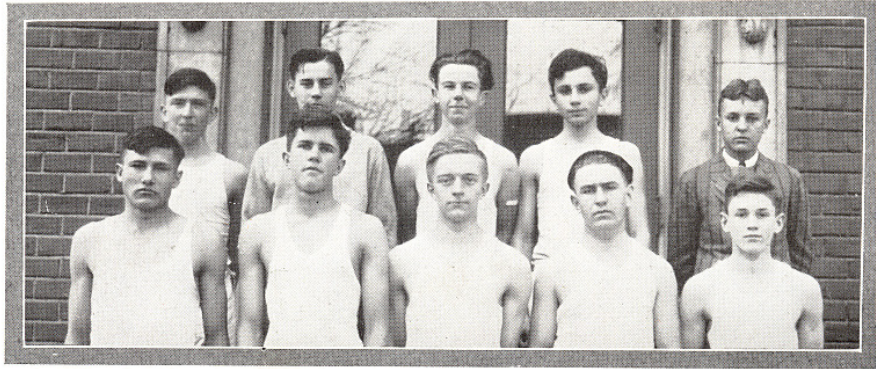

WESLEY WALTER

Wesley worked the ball through and helped to carry out the floor plays. He played guard and was a reliable man to substitute. He is also back for next year's team.

INDOOR TRACK (1930)

The indoor track schedule included two meets this year. The first was the first annual Mississippi Valley league indoor track and field meet, one week before the University invitational meet. Kittredge won the 440-yard dash, Moffitt took first in the broad jump, Vander Zee ran a fine race to place fourth in the one mile run, and Albrecht won fourth in the 880-yard run. Kittredge was the only Little Hawk to place in the state invitational meet, getting a second in his heat of the 440-yard dash.

TENNIS (1929)

Horace Redman and John Boyles represented Iowa City at the Des Moines tennis tournament last spring. Both were defeated before the third round of the singles, and in the doubles lost to the team which later came through to win the title.

TRACK (1929)

The track team won a meet from Ft. Madison, and lost a closely contested duel to U. High. Upsetting dope, Iowa City reigned supreme in the track events, but faltered in the field events. U. High, winning first in the broad jump, clinched the meet. The team also attended invitation meets and the state district at Cedar Rapids. Soucek won the javelin in the district meet. Other place winners were: Barth a fourth in the discus; Schnoebelen fourth in the mile run; Kittredge fifth in the 440-yard dash; the 880-yard relay team composed of Moffitt, Barth, Fairchild, and Kittredge, won fourth; Moffitt placed fifth in the 220-yard dash; Drizhal took second in the shot put; and Moffitt got a five-way tie for fourth place in the high jump. In the university invitation meet, Robert Cornog placed second in the hammer throw.

MISS HELEN HAYES
Director of Girls' Athletics

Through the leadership of Miss Helen Hayes, girls' athletics in high school has become an outstanding feature. Different athletic activities claim the interest of more girls each year. Every year Miss Hayes endeavors to bring in some new sport. This year the canoeing class, a swimming meet, and the intramural basketball, all new to the girls, proved very successful. All plays and entertainments, which need the help of Miss Hayes, find her a willing coach.
