N O T E: Letters listed by dates and names of person writing contents cited in text from following pages are held by compiler, unless otherwise shown. Much of the material elsewhere acknowledged as gathered by, among others, Saarsfield Austin A. McCarthy, Clement Ross Jones, James Ulysses Kincheloe, Cass Knight Shelby has not come into compiler's possession, in original form as letters exchanged, but as digested and connected by these able earlier researchers, -for material appearing in this book. Mand Burr Morris had assimilated a wealth of correspondence and research into a finished narrative, some variation of which appears rather completely herein.
