MORE DESCENDANTS OF MATHIAS

It is time that we update the material on the Matthew (Mathias) Naftzinger line. The update is not due so much that we have clarified the information on the early ones of this family but more to the fact that we have added several hundred descendants to the list that we published several years ago. As many of our readers already know, three Naftzgers, Matthew, Peter and Rudolph arrived in Philadelphia on Friday, September 15, 1749 on the Ship Phoenix. They sailed from Rotterdam but were last from Cowes, England. In many cases the journey from Germany to Pennsylvania lasted for about six months. It is difficult to describe all of the hardships that the three Naftzgers probably endured to make the trip. The hardship probably began when they had to make the journey down the Rhine to Holland. On this short journey, there may have been as many as 26 custom houses and all the ships had to be examined. In all likelihood, the three Naftzgers were detained often by custom officials. Sometimes, the trip down the Rhine lasted four, five and even six weeks. Often the ship was detained five or six weeks before they reached Holland. Thus, often the Germans who were trying to make their way to America spent nearly all they had just getting to Holland.

Cowes, on the Isle of Wight was the favorite stopping place of ships that are recorded as having sailed from Rotterdam. So the Naftzger boys had to get from Rotterdam to one of the English ports and in this case, the Naftzgers went to Cowes. At Cowes, there could have been another delay either to pass through the custom house or waiting for favorable winds. The long ocean voyage was marked by much suffering and hardship. Passengers were packed tightly, had limited food and water and subjected to all sorts of diseases such as dysentery, scurvy, typhoid and smallpox. It must have been that the fear and misery reached its climax when the ships encountered a storm that would last for days.

But the three Naftzgers did arrive in Philadelphia one Fall day in 1749 and it has been speculated that they must have been brothers. However, we have at least one historian, who is a

COMMENDATION

We enjoyed our telephone conversation with Rosalie Naftzger Alter of Rockfall, Illinois. We talked for sometime on one of the Naftzger lines that we have been seeking information to make the various connections. We hope Rosalie will send up all of the information she can collect on this line. Perhaps, we can build a good file on this line. After chatting with her on the phone, I checked our files and was disappointed to find that either I could not make any connection of her line to the information we have on file or it represents a line that we have little or no information on file. Thus, we hope Rosalie will forward the data such as date of birth, marriage dates, name of spouse, names of children, etc. Thanks for the call, Rosalie!

Thanks to Marvin S. Naftzger for helping connect some Naftzgers that we found in the census and reported in the last issue of the News. He writes that John and Catherine Naftzger were his grandparents and Benjamin was his father. He had two brothers born after the census was taken.

Our thanks to Frank Nofsinger of Sturgis, Michigan for the old pictures. Frank has been an unselfish, dedicated worker in behalf of his Naftzger family line which is the Valentine Naftzger family of Wayne County and came to America in 1831. He has almost single handed traced descendants of this complicated line. It represents one of the scattered lines in that descendants are found from Ohio to California and there appears to be no heavy concentration of them in any one area. Thus, we realize the tremendous effort Frank had to make to find exactly 1906 descendants of this line. We will publish the old photographs in the next issue of the News and then we will all have copies. Thanks!
THE NOFFSINGER REUNION

All Nafzger-Noffsinger have an invitation from Dean F. Noffsinger to attend the 7th Annual Noffsinger Reunion at Osborne, Kansas on June 4, 1978 at the Osborne City Park. Up to this point, the reunion has consisted of descendants of Levi Martin Noffsinger (1861-1931) who had nine brothers and sisters. A pot luck dinner at noon is planned for the event. If there are readers who plan to attend, they should contact Dean Noffsinger, 334 W. 27th Street, Hays, Kansas or Mrs. Mervin Legg at Osborne, Kansas.

For our readers, it is our opinion that Levi Martin Noffsinger is a great-great grandson of Rudolph Nafziger who landed in America in 1749. The father of Levi must have been Peter Noffsinger who married Margaret Martin at Nodaway County, Missouri. Grandfather of Levi Noffsinger must have been another Peter Noffsinger who was born around 1780 and married Franey Keen in 1810. They lived at Belmont County, Ohio. This same Peter was living in Monroe County, Ohio in the 1820 Census.

We haven't documented the great grandfather of Levi but it would appear that he was the child of one of the two sons of Rudolph who lived in Ohio. The most likely he was the child of one of two sons of Rudolph who lived in Ohio. The most likely ancestor would be Matthias who married Nancy Brill and moved from Frederick County, Maryland to Belmont County, Ohio via Green County, Pennsylvania.

The publication of the Fulton County Nafzigers is in trouble financially. The main reason is that is a very expensive plus the number of descendants is far greater than we expected. For example, the number of descendants of just one of the three family lines is approaching nine thousand descendants. The cost of listed data on such a number is too great for us! Shortcuts to the cost factor have met with failure.

AN ADDITION

Born to Jolithe Ann and Dean Oswald, a son on April 16, 1977. The new arrival has been named Christopher Dean. Christopher would be a seventh generation descendant of Christian Nafziger who settled in Hopedale, Illinois.

Enclosed is my check for my subscription renewal. I am interested in the write up in your November issue of the News. Would you please send a copy to Mr. and Mrs. Earl Nafziger of Saskatoon, Sask, Canada? He is the youngest of the five sons born to Joseph Naffziger. This line ties up with our line. The brother John Naffziger, born on the ship while crossing the Atlantic, was my husband's father.

My son David Naffziger wrote you regarding our side some time ago so maybe, we all can help tie this family line together. Earl may be able to provide you with a great deal of information.

I do enjoy your publication and appreciate the undertaking.

A TRIP TO GERMANY

Carroll and LeVeta Nafziger of Hopedale, Illinois took a two week trip to Europe last summer. Carroll says his biggest disappointment was when the tour group traveled within 10 to 20 miles of Darmstat-Hesse where his ancestors came from and he didn't have a chance to spend a good day there... It sounds as if their trip was a fast moving one as they traveled to France, Austria, West Germany and Berlin. Carroll says two other frustrations occurred when they went through Antwerp, the town where their first exchange student lived and they didn't have time to stop and when he tried to find a cemetery where his stepmother's only brother, who was killed during World War I was buried in France.

Carroll vows that the next trip he makes to Germany will be done at his speed. He suggests buying the plane ticket over, renting an auto after your arrival and traveling by auto to find some genealogical information about the Nafzigers. He likes the idea of a group of all Nafzigers heading for Germany as suggested in a past issue of the News. Carroll says he is ready to go. Do we have others who feel the same way?
Naftziger descendant, that poses the question as to why it was not a father and two sons. This is a possibility. However, the only statement we can make is that they must have been closely related.

Matthew (Mathias) Naftzger, the featured one in this issue of the News, is the one who settled in Berks County, Pennsylvania. He bought a farm in 1751 along the Tulpehocken, west of where Bernville is now located. It has been reported to the News by descendants that his first wife's name was Phonica and they were Mennonites but many of their descendants joined the Reformed Church. The records of his sons and daughters are incomplete but, it would appear, unless proven otherwise, children to the first marriage are John, Henery, Mathias, Barbara, and two children who were born between 1753 and the year of the death of his first wife in 1768.

After the death of his first wife, he married Elizabeth Sollenberger (1745-1828). Descendants speculate that Mathias (Mathias) was born 1731 or 1732 so Elizabeth must have been 13 or 14 years younger. Anna, Magdalena, Jacob, Adam and two other children who apparently died prior to the 1790 census were born of the second marriage from 1772-1790. Matthew (Mathias) lived his entire life in the Bern township, Berks County, Pennsylvania. Matthew (Mathias) lived his entire life in the Bern township, Berks County, Pennsylvania area and died at the age of 72 years.

John Naftzger, son of Mathias (Mathias) was born in 1753 and died in 1823. Children are Sara, Elizabeth, Daniel and Samuel. We do not have any information on the surname nor the birthdate of his wife. We have located a record of a Catharine Tobias who married a John Naftzger in 1795. If this is indeed his wife, he would have been over forty years of age when married. John is buried at the Bellamann Churchyard Cemetery, in Berks County, Pa. He died in 1823.

Henry Naftzger, another son of Mathias (Mathias) is another mystery. He may have been first married to a Barbara and we have found a Berks County marriage record of a Henry Naftzger that married Magdalena Speckt in 1800. We can find another record of a Henry Naftzger, buried in Centre County, Pa. but his wife was Margareth. This Henry was born in 1764- about the right year. Thus far, we have too many wives and not enough Henrys! We are reasonably certain that Elizabeth, Adam and Benjamin were born to the first wife of Henry. His second marriage was to Susanna Phillips. John and Maria were born of the second marriage. It would appear that Henry was a blacksmith and moved about Pennsylvania quite a bit.

And now for the second mystery about Henry. Where are his descendants? We find the records show that his daughter Elizabeth married Joseph Kreitz and they are buried at Bellamans. What happened to the descendants of the other four children? Three of them were sons and should have produced descendants of the other four children! Three of them were sons and should have produced descendants with the Naftzger name. The News is especially interested in one son named John, who may be the one to have settled in Stark County, Ohio in about 1817. This connection is a very vital connection to hundreds of Naftzger descendants in Ohio who have written or contacted the News. As yet, we have not documented that John, son of Henry is the one who settled in Stark County. In this publication, we have listed the descendants of John who settled in Stark County as descendants of Mathias (Mathias) although we do not have the kind of documentation that we would like to make the claim. We reserve the right to pull the list and move them to another line if we are proven wrong.

Mathias Naftzger was born in 1757. He married Philaphina Ney (1773-1861). They resided in the Tulpehocken section of Berks County, Pennsylvania. Children of this marriage are Magdalena, Elizabeth, Catharine, Sarah, Phillip, Adam, Hannah, John, Christina, Mary, and Benjamin.

Barbara, a daughter of Mathias (Matthew) was born in 1759 and died in 1803. She was unmarried and had died at the time of the final division of the estate of her father in 1826.

Magdalena Naftzger, another daughter of Mathias was born in 1774. She mentions children in her will. Other records cause us to believe the surname of her husband was Auman. Ann Naftzger, daughter, was born in 1772. Dorthea, a third daughter of Matthew (Mathias) must have been the one to have married John Keneg.

It would appear that Maria was a daughter of Matthew (Mathias). She was born in 1782. There is an Elizabeth Naftzger buried in Tildens township between Hamburg and Shartleville, Pennsylvania. It is quite possible that this Elizabeth is a daughter.

Jacob Naftzger, another son of Matthew (Mathias) was born in 1778. He married Maria Moyer (1783-1856). They resided on the home farm. Children are Peter, Jacob and Joseph.

Adam Naftzger was born in 1783. He did not marry. Burial in 1815 at St. Michael's Churchyard Cemetery.

Letters

Thanks to Mrs. Ben (Rose) Nofsinger for the identification of one of the Naftzgers we pulled from the Illinois Census! She wrote to tell us that John C. Nofsinger, 38 years old, born in Illinois, Washington township, Tazewell County is her father-in-law! We have information of this family on file but did not make the connection until Rose wrote to us. John C. Nofsinger is the son of Christian and Magdalena Nofsinger. Christian was born in 1809 and died in 1881. Magdalena born in 1810 and died in 1885. Many thanks to Rose for the information.

Thanks to Leona I. Baughman for her nice letter that keeps us updated on her family line. Also, she sent an article on genealogy from her newspaper titled "The Great Ancestor Hunt" by Harriet Van Horne. We appreciate the material.
Piecing the family history together from bits of family-kept data is not easy. This is the case with the Shafer-Naftzger history. However, when I think that up to two years ago I had virtually no knowledge of my mother's family, I marvel at the story I can now tell.

There are two stories being developed: that of the Charles E. Naftzgers and the David Elijah Shafer. Charles E. Naftzger and Mrs. D. E. Shafer, Mary Angeline Naftzger, were brother and sister. The two stories are linked when the D.E. Shafer were married. Attached to the marriage license record in the Wabash Co., courthouse is a not: "Mr. James Rofs, Wabash, Ind, sir: Please send me a marriage license for David E. Shafer and Mary A. Naftzger. Please send by mail and I will send money by return mail. Yours Truly, Chas. E. Naftzger. PS- The persons are both of a marriageable age and residents of the county. CEN"'

Being a romantically-inclined person, I just had to persuade this Naftzger family.

In the book, TALES OF THE OLD DAYS* by W.E. Billings, 1926, North Manchester IN News-Journal is a bit from a letter written by C.E. Naftzger, who was 77 years old, Sedro Woolley WA: "Effie Shellenger who later became my wife taught school in the fall and winter of 1871 in a school that later burned, April 4 (?), 1874. She taught school in the old Methodist church." It was also noted that the family had moved to Sedro Woolley in 1903.

In the records of the North Manchester IN United Methodist church it is recorded that on September 20, 1874, Charles Naftzger and Effie J. Shellenger were married at the residence of the bride's parents by Rev. Enos P. Church. In later notation it is recorded that Mr. and Mrs. Naftzger and Beulah and Vinnie were received on October 25, 1896, by J.B. Ford. They were later removed by letter.

The search for this family now shifted to Seattle. City directories lists the family from 1903 on. By 1908 the names of Beulah, Blanche, and Vinnie were no longer listed, but the name of Arthur R. Naftzger, a son by Charles E.'s marriage to Louisa Ream, appeared. By 1912, the Charles Naftzgers were no longer listed in the directory, and Arthur R. Naftzger had married Eva M-- by 1926 Mrs. A.B. Naftzger was the only one listed.

The research centered in Everett at this point because I had a picture of Blanche Naftzger Hampton with an Everett address. The United Methodist church records indicated that Mr. and Mrs. C.E. Naftzger joined the church on November 28, 1926, but nothing about the Hamptons was found.

Mrs. Naftzger died in Everett on November 20, 1934. Her obituary appeared in the Everett Daily Herald for the same date. Mr. Naftzger moved back to Seattle in 1939 and died July 22, 1941, issue of the Seattle Times. Both Mr. and Mrs. Naftzger were cremated at the Washelli cemetery, Seattle.

At the time of his death, at 92, Mr. Naftzger was survived by a daughter, Mrs. Philip Hampton, Everett; a son, A.R. Naftzger, Kirkland; four grandchildren and three great grandchildren.

A survey of the Everett city directories revealed the Philip Hamptons lived in Everett between 1922 and 1947. The A.R. Naftzgers are listed in the Kirkland directories between 1959-1962.

C.E. Naftzger had been in the hardware and real estate business in Seattle; Arthur had worked for the Washington Shoe Co.. Philip Hampton had worked for the J.M. Co., Everett.

There is a gap in the C.E. Naftzger history: 1912-1926. The story for the A.R. Naftzgers needs to be filled in from 1926-1959. What happened to Beulah and Vinnie is a question still to be solved. The story of Blanche from the time her name disappeared from the Seattle Directory, when the Philip Hamptons are listed in the Everett directories (1908-1922), is still to be discovered as are the stories of the grandchildren and great grandchildren mentioned in the C.E. Naftzger obituary. Perhaps there are Naftzger family members who might help solve the puzzle. I would appreciate their writing to me: Mrs. A.T. Goold, 412 N. Plum Street, Northfield MN. Phone: 507-645-9663.
