

Nisbet Of Ladytown

Nisbet Of Carfin

James Nisbet of Feoch Ayr later Ireland
can't remember if I have seen any documentation where in Ireland will have to check born ca 1603.
Married ca 1628 Jean HAMILTON

Alexander Nisbet in his heraldry states (Ed 1722 / 322) that Nisbet of Carfin is a branch of the Nisbets of Greenholme a family of good standing in the shire of Ayr descended of Nisbet of that ilk This descent cannot be proven from documents .

DNA testing has neither proven or disproven this claim.
I have not found proof that Carphin is from Greenholm

-----nor is there any DNA so far proven to connect to either

DNA for Carfin or Greenholm line -----lines thought to connect unfortunately had errors and no proven descent from Greenholm or Carfin
