

Barren County KY Marriage Index 1799-1850

B

One of the most important books existing in Barren Co is the *Barren Co Marriage Book, The First Fifty Years*, by Martha P. Reneau Harrison. Martha worked at the county clerk's office when she did this book and was able to check it against every known source. Sandi Gorin publishes this book for Martha. When there were marriage returns by the minister or bonds, Martha included them. Only the names and dates are presented here. The dates may be the marriage date, the bond date, or an estimate of when it might have been.

There is much more information in the book available from Sandi Gorin. Contact her via [email](#), or visit her [website](#) for details.
