Notes for Lurena B. Pitman:

General Notes:

The census records offer contradictory information about the children of Lurena and David Williams. The 1910 census of Preemption twp, Mercer Co, lists two daughters (Elizabeth, age 6 and Mary, age 5). Their birth years would be ca. 1904 and 1905, respectively. The 1910 census record also indicates that Lurena and David had 2 surviving children from 3 total. The 1920 census of Preemption twp, Mercer Co, lists a daughter Susan L. (age 16) and a son Matthew H. (age 15). Their birth years would also be ca. 1904 and 1905, respectively. Both census records identify the parents correctly in terms of their birth loc's and their parents' birth loc's.
