

The five members of the top 40 band "Nightwind" will also perform for the Daleville Birthday Festival.

Entertainment at Festival

Saturday, August 20 is the day Daleville will celebrate its first birthday. The celebration will take place at the Daleville Elementary School and will offer a variety of all-day events, foods, arts and crafts and competitions.

A parade begins at noon at the Bicentennial Park.

Four musical performances are scheduled to begin at 4 p.m. and there is sure to be something of interest to every ear.

"The Cousins" will

present a collection of family Christian music at 4 p.m. followed by barbershop harmonizing as performed by the Muncie Chapter SPEBSQSA at 7 p.m.

"Dezire," a local band, will perform beginning at 5 p.m. The group specializes in rock and country music.

Finalizing the day's entertainment will be "Nightwind," a five-member group. "Nightwind" recently cut a demo record and has performed locally in central Indiana for several years.

The group is a revival of a former Barbershop Association which sang together for several years until 1977. Original members Don Tobey, Weiss, Cliff Emrick, Ed Crouch and Dave Ball decided to revive the group last winter, according to Tobey. "We made a few phone calls and got it going again," he said. The group practices each Tuesday, 7:30 p.m., at the Minnetrista Center.

Tobey said the group consists of men in occupations ranging from Ball State professors to bankers to factory workers, young and old alike.

Local chapters hold fund raising performances to support the Institute of Logopedics for persons with communication handicaps. More than \$4 million has been raised for the national SPEBSQSA project. The residential treatment center is located in Wichita, Kansas.

Four Daleville youth formed a musical act especially for the birthday festival. Members of "Dezire" have only been together for the last three weeks. They will perform a mixture of rock and country music beginning at 5 p.m.

Three of the four young men are Daleville High School students. Kevin Huff, 15, plays rhythm guitar. He said he switched from drums to guitar about two years ago. He plays drums when he performs with the Marching Broncos.

Another band member, Pat Maddox, also plays drums with the school band. He is featured drummer for "Dezire." All four teenagers sing in "Dezire." They practice in the cooler room of his family's orchard, Davis' Fruit Farm.

The fourth members, Frank Huff, plays bass guitar for the group. According to his brother, Kevin, Frank began playing about four years ago in their father's band, "Earl Huff and the Countrymen." Their father retired from music and recently opened Huff's Used Furniture in Daleville. Frank works as a deliveryman for Gesipi's Pizzeria. He is a 1983 DHS graduate. He plans to leave the group after the festival performance.

After replacing Frank, the other three gents plan to play for proms, school dances and parties, according to

Maddox.

"Nightwind," a five-man Top 40 playing group, will perform at 8 p.m., rounding out the day's activities. The band formed four years ago with Rick Stanger, bass guitar; Tim Weisner, drums; and Gary Zachary, lead guitar; the original members remaining. Two members, Dale Weiss, keyboards; and Paul Upton, rhythm guitar, joined the band less than one year ago.

The group just cut a demo record, using music written by Zachary and Weisner. All the band does vocals. "Everybody in the band has been in 'garage bands' for several years," said Weiss. In addition to performing their own songs, the five young men perform arrangements of music by Journey, the Eagles and Lynyrd Skynyrd, to name a few.

In addition to sending their demo to recording companies, the men plan to send a copy of the tape to "Q95 for an album project they've got going now," said Weiss. "It's our first stab at immortality."

The band has performed at the Char-Lu-Club in Anderson; Chug-a-Mug in Muncie; and at Abracadabra, Indianapolis. Two weekends prior to their festival appearance, Nightwind will be at Hoadley's in Alexandria. After the festival, they go to the Warehouse in Wabash and then to the Glorious East End, Hartford City, said Weiss.

Newlyweds Charles (Chuck) and Linda Hedrick arrive in their "chariot" for another ceremony after their wedding Saturday at the Salem Township Volunteer Fire Department. Chuck is a member of the department.

The happy couple walk under a "flaming arch" at the festival. "Judge" Ellen Nixon read them a somewhat different ceremony than their earlier, more legitimate marriage rite. Chuck had to promise to mop floors, take out the trash, etc., etc. as his fellow department members looked on.

Jonathon Wearly grits his teeth and pedals harder in the Junior Tractor Pull. Jonathon pedaled his way to a win in the heavyweight division.

One contestant in the All-Male Sexy Legs Contest chose to model flippers for the judges.

Bingo was a popular pastime at the Band Boosters booth during the Birthday festival. Canned goods and handmade craft items were taken home by winners.

This contestant thought his suntan lines might give him an edge over other contestants in the sexy legs competition.

"The Cousins", an all-Daleville musical group, performed Christian family songs at the festival. All the children in the group really are cousins.

Crossing the finish line at the 10K Run is Greg Harger, winner in the men's 19-24 division. Runners battled heat and humidity along with aching muscles.
