

Daleville Firemen Winners in Contest

The Daleville Fire Department won the "water ball" competition and the Muncie Fire Department took first place in two other fire fighting efficiency contests during the Civil Defense Field Day Sunday at the Fairgrounds. Five fire fighting outfits, including units from Muncie, Daleville, Cowan, Gaston, and Eaton, participated in the day long activities. Dave Jones, general chairman for the event, said more than 100 persons were on hand to watch the competition which included inspection of the Civil Defense rescue unit and other emergency equipment.
