OLD EATON HIGH SCHOOL SONG

In Eaton Indiana there's a high school
you'll agree,

We love her well and praise her too, where
ever we may be.

Old Eaton with her classic halls and
memories so dear,

We'll ne'er forget to glorify, with praises
most sincere.

CHORUS

For we are jolly students of our Hoosier
Land, we've got the sand,

We're students of the tried and true.

Old Eaton is the high school we all love
so well,

Rah! Rah! Rah! We're the kind who dare
and do...

2nd verse

Old Eaton with her baseball teams, her Glee
Clubs and the rest.

Are known through out the country round from
North, East, South, and West.

Here's to Alma Mater may she live forever
more.

And give the world her gallent men, as she
has done of yore.

REPEAT CHORUS

New Eaton High School Song 1945

Go Eaton Norsemen, on to victory,

We will fight with all our might, and
ever faithful be, Rah! Rah! Rah!

So to our colors, bring honor, praise,
and fame.

Let's raise the score now, one basket
more, so,
fight and we will win this game.....

ing for 600, and a gymnasium, with seating
for 3,600

1-23-1970 The Delaware Metropolitan School Board of trustees, authorized construction of a new Eaton Elementary School.

Action was taken after an insurance representative said his company could no longer insure the buildings at Eaton. Salvage value at Eaton was \$433,000.00. The Ag building and the Music building are the only buildings left of what we remember as Eaton High School.

The picture in the front of the book is our connection with the past, and our "memories" will keep it alive.

The Eaton High School Alumni Assoc.
was born in 1936. Our first President was Ruby Boyd, Snider.

Officers and directors were nominated and elected to insure "success and growth."

The purpose was to "keep alive the spirit of friendship and loyalty among those who have graduated."

The banquet in May was to be called the ANNUAL REUNION, and held the Saturday before Memorial Day.

At first they had carry-in meals, or the Home Ec. Dept. served the meals. (I remember doing that.) Sometimes church groups or organizations would serve the

(History continued)

meals.

The graduating class would be invited to the Annual Reunion, and initiated into the Alumni.

Flowers were presented to the Seniors. At one time they even had a Scholarship Fund, and made donations to worthy causes.

After dinner, they would have dancing till midnight. Sometimes, round and square dancing. The gym was always decorated with streamers of crepe paper, and decorations. The music was great. We went to watch the dancing. Mr. Henderson's dance band called "The Directors" played a few times.

For money making projects the Donkey Basketball was a favorite. The Seniors vs the Alumni

Later instead of dancing, they had speakers, home movies, baton twirling, tap dancing, humorous skits, kitchen bands, barbershop quartets, dixieland bands, german bands, music groups from Ball State, school chorus groups, individual singers, and dinner music during the meal.

During the Centennial, old fashioned outfits were worn to the Reunion.

The 1971 Annual Reunion had 385 present. They had thought the building would be torn down and it would be their last chance to see and go through the building. It wasn't demolished until 1976. Some have a brick from the building as a souvenir.

They included the dues of \$1.00 into the reservation cost of \$10.00 the rest is for the cost of the meal.

You can probably think of many more special moments while attending the Annual Reunion of the Eaton High School.
