REGULATIONS FOR DECORATING GRAVES

Cemetery rules are designed for the benefit and guidance of lot owners. We ask that you lend your assistance in preserving the neatness and careful keeping of the grounds, remembering that whatever is beneficial to the appearance of the grounds is of interest to you as a lot owner.

SUMMER MONTHS: Cut fresh flowers may be placed on graves from April 1 to November 15. No glass or breakable containers will be allowed. For your safety and that of cemetery personnel, it is requested that metal cans and wire hooks or spikes not be used.

POTTED BLOOMING PLANTS may be placed on top of but not into the ground. This is so they may be removed temporarily during mowing.

PLANTINGS of shrubs, trees, or annual flowers without cemetery approval is prohibited.

ARTIFICIAL DECORATIONS, flower wreaths, and funeral designs will be removed when, in the judgement of cemetery management, they become unsightly.

HOLIDAY EXCEPTIONS: Grave decorations for Memorial Day, Easter, Mother's Day, and Father's Day will not be disturbed for a week following the holiday.

STATUARY AND OTHER PERMANENT GRAVE ADORNMENTS are to be limited to those that are part of a permanent above ground memorial.

WINTER MONTHS: Wreaths are permitted from November 1 to April 1. Evergreen or other decorations may be removed whenever, in the judgement of the cemetery management, they become unsightly.

OTHER IMPORTANT RULES: No fence or enclosure of any kind shall be erected on any lot or grave. Picking flowers or breaking shrubs or trees within the cemetery is forbidden. It is forbidden to write upon, cut, bruise, discolor, or otherwise deface or damage any stone, monument, or other structure within the cemetery.

NEW GRAVE PRICES EFFECTIVE JULY 1, 1992: Sections H, P, I \$500; all other sections \$400.

PRESENT BOARD OF TRUSTEES:
