RE: Estate of Ina Henderson
Our File No. 2005-155-00665

Dear Mr. Robbins:

Our office expresses to you and your family our deepest sympathy regarding your recent loss. Attorney Andrew R. Retherford will be handling the work on your case, and I will be assisting you as well.

Enclosed is the questionnaire we discussed during our telephone conversation. Please complete the questionnaire and return it to our office as soon as possible. At the time you drop off the questionnaire, an appointment can be scheduled for you to meet with the attorney to discuss the probate procedures along with your questions and concerns. It is very important that the requested information in the questionnaire be complete and accurate. This information will assist our office in properly advising you in this matter.

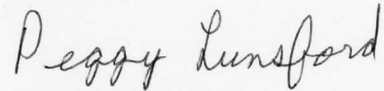

At the time of your appointment, please provide all asset- and debt-related documents involved in this matter. These documents will likely include the will, death certificate, all deeds to real estate, titles to vehicles, and documents denoting the ownership of bank accounts, stocks and other investments. I have enclosed a Preliminary Task List for your reference.

Also enclosed are the Instructions to Personal Representative for the personal representative to read and sign. This list of instructions sets out duties you, as the personal representative, may encounter throughout the probate of the estate. You should read over the instructions, sign and date the last page and bring the instructions with you to your appointment.

Due to the fact that we represent only the person or persons who will act as Personal Representative(s) in the estate, other family members may not be present at the appointment.

If you have any questions, problems, or difficulties completing the questionnaire, please feel free to contact me. We look forward to helping you in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Peggy Lunsford".
