The Union Leadership of Plant 11 would like to thank the Suggestions Coordinators, Cindy Hart and Rick Gentry, for organizing the suggestions picnic. The event was held on June 16, 2005 at Plant 11, with delicious Pizza Hut pizza, cake, cookies and drinks on the menu. We are sure it took many hours of planning and organizing to stage such an event. Often Cindy and Rick are overlooked for all the things they do for us at this site. We would also like to wish Rick a happy retirement beginning 7/1/05. We will all miss you and wish you the best. Cindy Hart will become Suggestions Coordinator for the entire site. We wish her the best in this transition. We hope you continue to do the superb job that we have experienced from you in Plant 11.

— **Sincerely, Greg Logan, Shane Haston, Mel Bennett & Mike Fleet**

NOTE FROM THE EDITOR

This will be the last issue of the Sparks published every other month. We will begin publishing the Sparks once every quarter. We will be distributing the local union paper in the plant instead of by mail. We have asked that the retirees send in a form requesting future mailings.

We are making every attempt to reduce the cost of this paper.
