

TO THE PARENTS

This report is sent to you for your inspection directly after the close of each school month. After having inspected the items reported, please write your name in the proper space on the next page of this book, and return to the teacher. Should there be any delay in the presentation of this report, or any neglect in its preparation you will confer a favor by calling attention to it immediately.

As this is intended to be a complete summary of all that pertains to your child's school life this year, it is hoped that you will regard it with more than a mere passing interest, and that you will cooperate with the teacher in securing the best possible results. The value of the report book will largely depend upon the interest shown in it by you. The pupil naturally looks for praise or censure, according as the record is good or bad. If good, an encouraging word should be spoken. On the other hand, if irregular attendance, low deportment, or neglected lessons should not pass unnoticed.

Should you at any time discover anything of an unsatisfactory character, through means of these reports or otherwise, it is earnestly desired that you will call upon and consult with the teacher at once. By pursuing this course misunderstandings will be avoided, and the parties most interested in the welfare of the pupil will mutually assist each other.
