Fire Damages White Hotel at Hartford City for Third Time.

Hartford City, June 6.—Damaged by fire for the third time in two years, the White hotel, at 302 East Water street, stands a partial wreck following a blaze Thursday morning. The damage to the building and contents will run close to a thousand dollars, fully covered by insurance.

It has never been learned just what caused the former fires, and, likewise, the origin of Thursday's blaze is unknown.
