MOSES SANDERS

Moses Sanders, planter, and grandfather of Moses Martin Sanders, died 29 March 1817, according to the minutes of the Grove Level Baptist Church, which is located near Homer, Banks County, Georgia. At the time of his death, this part of Georgia was Franklin County, but later divided to form Banks County. (Film 366,671 Minutes of Grove Level Baptist Church)

Our earliest record concerning this Moses Sanders is in the North Carolina Land Grant Records, Office of the Secretary of State, Raleigh, North Carolina. Anson County Record no. 3449 contains an order by Josiah Martin, Esq. His Majesty's Captain General and Governor in Chief, in and over the said province, dated 18 Nov 1771, to the Surveyor General, ordering him to admeasure and lay out to Moses Sanders, a plantation containing 200 acres in County Anson. It is to be on Dumas's Creek of Huwarry joining Mr. McCulloks's Line Running up the Creek for a compliment. It was surveyed by James Cotton 6 Jan 1772 and was described as "On Duncan's Creek of Huwarry (Uwharrie). Moses Sanders acted as one of the chain bearers. This grant was issued to Moses Sanders 23 Jul 1774 by grant number 690, entry no. 338(Book 26 Page 37) (See photocopies)

Anson County record no. 3450 contains a survey order dated 16 May 1772 for the surveyor general to lay out to Moses Sanders a plantation containing 200 acres in Anson County "on the N.E. of PeeDee on Abners Creek." This survey was completed by James Cotton 27 June 1772 and was issued to Moses Sanders 23 Jul 1774 by grant no. 691, entry 475. (Book 26 Page 37) (See photocopies)

Anson County record number 2940 contains a grant of 100 acres to Moses Sanders issued 22 Jan 1773. (Book 22 Page 147) It was surveyed 25 Jun 1772 and was described "100 acres of land in Anson County on the west side of Huwarry." (See photocopy)

Moses Sanders is awarded 640 acres of land in Anson County by a North Carolina land warrant dated 16 Jan 1773 (Film 018,070) no. 1147. Anson County record number 3414, Grant 1147(Book 25 Page 297) issued 11 Mar 1775: "Moses Sanders 640 acres of Land in Anson County on Old Mill Creek So Wt of PeeDee beginning at a Red Oak between 3 Red Oaks Pointers in Stephen Tomkins's line west side of said Creek, and runs thence So 60 Wt 60 poles to a Stake in Still's line, then with said line So 40 East 100 poles to his corner then No 70 Wt 220 poles to a Stake in John Rush's line, then with said line So 335 poles crossing the Ridge path, then No 78 Et 492 poles then No 44 Wt 405 poles to and with said Tomkins's line reverse to the beginning. Dated March 1775 /s/Jo. Martin." (11 Mar 1775)

Anson County court and other records (Film 018,065) contain several references to Moses Sanders:

15 Jan 1772 Moses Sanders appointed constable in the room of Ephraim Fonder in the upper part of Uwharie
13 Apr 1774 Moses Sanders is ordered to help construct a road from Edward Moore's store to Williams old store on Cape Fear Road.
13 Jul 1774 Court ordered certain hands to construct a road from Beaver Dam Creek to Rocky Creek. These included George.Sanders, Moses Sanders, Aaron Sanders, William Hamilton, and many others.
11 Oct 1774 Moses Sanders is a witness in court.
13 Oct 1774 Moses Sanders named as a juror to Salisbury Superior Court.
15 Apr 1775 Aaron Sanders is ordered to be a constable in room of Moses Sanders.

2 Jun 1775 Moses Sanders of Anson, North Carolina, planter, party of first part sells 640 acres of land on Old Mill Creek, S.W. of PeeDee River to James Cotton. Said land was "granted unto the said Moses Sanders by his majesties letter bearing date March last. (Film 018,146 page 301) This would be the sale of his land grant issued 11 Mar 1775. Although this sale was made 2 Jun 1775, it was not until 19 Mar 1789 that the sale was executed.
In 1776, Major James Cotton files a claim against the British Government for losses incurred when the Colonial Rebels captured the records. Included on Cotton's list of debtors are James Sanders, Moses Sanders, and Aron Sanders.

Two references in the State Records of North Carolina pertain to this property belonging to Moses Sanders: Vol 20 (1785-88) pp 581 under date Saturday 29 Nov 1788 "Whereas, it is represented to the Assembly by Charles Bruce, Commissioner of forfeited Estates for the district of Salisbury, that by virtue of a return from Morgan Brown, Esq., Surveyor of Anson Co., there was on 21 Sep 1787 exposed to Sale as the property of Moses Sanders, 1850 acres of Land in the County aforesaid, which since appears to be the property of James Cotton and others. Therefore resolved, That the said commissioner be directed to forbear collecting the Money arising from the sale of the aforesaid Tract of Land until the end of the Next Session of Assembly to the end that the matter may be fully investigated. On motion the House adjourned till tomorrow morning at 10 o'clock."

Vol 21 page 1053 under date of 15 Dec 1790 "Whereas Charles Bruce, Esq., commissioner of confiscated property of Salisbury District, proceeded to sell 640 acres of land the property of a certain Moses Sanders, in different lots situated in the County of Anson to the following persons, to wit: John Wright, Jun., William Morris, George Wells, William Wood, when at the same time the said Moses Sanders was a Justice of the Peace in the County Rowan, whereby the said lands were illegally sold: Resolved, That Charles Bruce, Esq., commissioner of confiscated property for the district of Salisbury be directed by the comptroller not to bring suits against the said John Wright, Jun., William Morris, George Wells, and William Wood, until after the rise of the next General Assembly.

In 1777, the inhabitants of Anson County "because of PeeDee River dividing the county" ask for the creation of a new county. Signer #62 is Moses Sanders and #64 is Aaron Sanders. Montgomery County was created in 1778.

The activities of Moses Sanders in Montgomery County are unknown, due to a fire which destroyed the Courthouse and all records. The next references to Moses Sanders appear in Rowan County.

The Sanders Family likely came to Anson County from Virginia, as their eldest son, Aaron, in the 1850 census indicated he was born in Virginia in 1769. Their second son, Moses, was probably born in 1771, and their daughter Sarah gives her birth as 15 May 1773 in North Carolina.

The Aaron Sanders mentioned in Anson County is of considerable interest as a possible parent or brother of Moses Sanders. He receives North Carolina land patents in Anson County 22 Jul 1774 - #1093 for 300 acres and #1094 for 400 acres. (Film 018,070) However, the Land Grant Records in the Secretary of States’s Office in Raleigh lists the grants as follows:

Grant #177 issued 24 May 1773 for 100 acres on the N.E. side of Yadkin River.
Grant #1092 issued 11 Mar 1775 for 240 acres on N.E. side of Yadkin River.
Grant #1093 issued 11 Mar 1775 for 250 acres on N.E. side of Yadkin River.

The publication "Anson County, North Carolina Abstracts of Early records" (975.675 A5m) contains the following notation on page 142: "Sept term 1782 Letters of administration on estate of Aaron Sanders, deceased, grant William Miller, Sec. Mark Allen, Esquire and John Hopkins. For 100 pounds. Rec. 12 Nov 1782 Book A Folio 19, George Davidson, Clerk." The transaction is for Montgomery County. Unfortunately the Court House burned and this one short notation at the state level is all that is available.

Anson County Pleas & Quarter Court minute docket 1771-1776 (Film 018,165) contains these three notations: Page 168 Aaron Sanders: ordered that the following allowances be made to Aaron Sanders for his ticket. Two wild cat scalps - 5. Two wild cat scalps - 5, 1 wild cat scalp - 2. Aaron Sanders sells property to Edward Moore. (Film 018,148 Rec of Deeds Anson County Bk K Page 318)

Moses Sanders indicated his grandmother had a brother William Hambleton. A William Hambleton received the following grants of land in Anson County:

No. 3087 Grant No. 184 Book 22 Page 229 100 acres of land in Anson County "on the N. E. side of Peedee River." Surveyed 16 Sep 1772 and issued 24 May 1773. Moses Sanders and William Hamilton are chainbearers for James Cotton, Surveyor.

Moses Sanders is listed as entry #38 for his grant on Duncan's Creek and William Hamilton is listed as entry #39 for his property on Barnes' Creek.

This William Hamilton, who is so closely associated with Moses Sanders may or may not be Mary Sanders brother. Her brother William appears for certain in Bedford County, Tenn. by 29 Jul 1813 when he purchases property there. (Film 476,351 BK D Bedford County Deeds Page 470) "This indenture made the 29 July in the year of our Lord one thousand eight hundred and thirteen between Ephraim Davidson of Iredell, North Carolina and John Jones of Giles County and State of

3 Dec 1814 150 acres to Francis Hamilton

Moses Martin Sanders identified his grand uncle William Hambleton and 2nd cousins Theophilus, Hatton, John and Isaac Hambleton. Both John & Isaac Hamilton are named in deeds in Bedford Co.

On 16 Nov 1824 William Hamilton "for and in consideration of the mutual love and affection which I bear unto my beloved son Theofiles Hamilton" give him one servant named George after death of William Hamilton and wife Marrian(Mirran). Proved in Apr 1825 Court. Registered 2 Nov 1828.

The Wilkes County, North Carolina Tax List for 1782 shows Moses Sanders in Capt. Alexander Gordon's District and he is taxed for 3 negroes 4 mules and 12 cattle. In 1784 he is taxed for 3 polls and in 1785 for 3 polls and 100 acres. The following references to Moses Sanders appear in the Rowan County Records: (Film 019,783 Page 483) "Indenture 8th Nov 1785 between Obadiah Baker and patience his wife of County of Rowan and State of North Carolina and Moses Saunders of Wilkes County and State aforesaid on the other part. 5 Aug 1788(Abstract of Court Minutes page 453, Rowan County) "Moses Sanders, Esqr. qualified and took his seat as a Justice of the Peace & co for said County." In 1788, Iredell County was formed from Rowan County. Minutes of the Court of Pleas & Quarter Session for 1789-1800(Lib. Ref No. 975.6793 P28c) shed light on Moses Sanders's activities in Iredell County:

25 Mar 1789 "ord. Chris Houston, takes the returns of taxable property in Campbell's & Gaither's Co. Moses Saunders in his dist."

24 Jun 1789 "Court met. Present Chris Houston, Joseph Sharpe, Moses Saunders, Esqrs."

The 1790 census of North Carolina, Salisbury District of Iredell County, lists a Moses Sanders who has a family of 4 males under 16, 4 females and 5 slaves. Also there is an Aron Sanders who has one male under 16 and 1 female and a Jacob Sanders who has 2 males under 16 and 2 females.

Marriage bonds of Wilkes County, North Carolina(Film 418,153 page 218) list the marriage of Moses Sanders (Jun) and Betsey Harris 12 Jun 1789. Witnesses are Stephen Harris and G. Wheatly.

5 Nov 1791 is the last mention of Moses Sanders in Iredell County. On this date he granted the 200 acres on the grassy nob to Christopher Houston for 100 pounds. This deed was probated 14 Nov 1793 by James Burnit.

Moses Martin Sanders indicated his grandfather, Moses Sanders, had a brother Francis Sanders. On file in the Secretary of State's Office in Raleigh, Wilkes County, Number 284 is a warrant of 100 acres to Francis Sanders. It is situated "Lying on ye Bear Branch, the waters of Hunting Creek." It was surveyed 29 Apr 1785. It was originally entered 18 Nov 1783 and issued 22 Sep 1785. (Grant 719 Entry No. 284 Book 59 Page 327) Francis Sanders is captain-explorer with 2 mules & 3 cattle. In years 1784-1791 he is taxed on 1 poll and 100 acres.

A census for 1787 shows Francis Sanders with 1 male, 2 male under 21 and 3 females.(Film 901,216)

Wilkes County Deeds (020,133 Pg 525) 26 Mar 1792 Francis Sanders, farmer; sells to Ben). Crabtree 100 acres of land on waters of Hunting Creek for 40 lbs. It is for property he received under grant 719 22 Sep 1785.

Francis Sanders is taxed on 200 acres on Hudson River, Franklin Co., Ga. in 1800. He is listed as a single poll tax in 1802 and in 1803, 1805, 1806 is taxed on 60 acres originally granted Geo. Vaughan adjoining Moses Sanders on Grove River. He moves to Smith County Tenn. in 1807 as noted in Sep 1807 minutes of Grove Level Baptist Church. He has sons Silas and Peter who appear as single polls on 1806 tax rolls. In 1820 census of Smith Co., Tenn. Francis Sanders is listed with 1 son 16-26 and he and wife Mary (Folly) are both over 45. Silas has two sons under 10, 1 son 10-16, 1 dau 10-16 and he and wife are 26-45.

Moses Sanders moved from North Carolina to South Carolina. By an indenture dated 27 Dec 1794 (Film 024,082 Deeds South Carolina, Page 34), Stephen Roach & Rebecca of Pendleton, South Carolina and William Crosby and wife Grace for 120
pounds sterling sell to Moses Sanders of the same place, a plantation or tract of land containing 250 acres originally granted to Thomas Carter on the Beaver Dam Branch. The indenture states Moses Sanders is already in possession of the land and it was probated 25 Sep 1795. Witnesses were Stephen Harris and Moses Sanders Jun. Moses Sanders Jun appeared and swore to above indenture 17 Sep 1795. It will be remembered that Stephen Harris was a witness to Moses Sanders' marriage to Betsy Harris in Wilkes County, North Carolina in 1789. It is fortunate that Moses Jun is witness, avoiding confusion whether it is Moses Sr or Moses Jr. purchasing the above property.

Moses Sanders apparently found greener pastures across the state line in Georgia and sold his South Carolina property. Deeds of South Carolina 1785-1867 (Films 024,082 page 409) contain the following: "This indenture made this twenty third of Nov 1798 between Moses Saunders of Franklin County and State of Georgia of the one part and James Holly of Laurens County South Carolina on the other part. Witnesseth that he the said Moses Saunders and Mary his wife hath for and in consideration of the sum of 100 pounds lawful money of the State aforesaid to them in hand paid by the aforesaid James Holly the receipt whereof the said Moses Saunders and Mary his wife doth acknowledge hath bargained and sold and by their presents do give grant bargain sell and deliver unto the said James Holly his heirs and assigns one certain tract of land lying and being in the County and State aforesaid on the Beaver Dam Creek containing 250 acres more or less and bounded as follows (viz) South east on lands laid out to Henry O Neal northwest on lands laid to Henry Stone Parris and all other sides vacant land as appears by a grant dated the 22 Dec 1772 to have and to hold use occupy and enjoy all and singular the above land and premises together with all the appurtenances thereunto belonging or in any wise appurtenant unto him the aforesaid James Holly his heirs and assigns forever and from and against him the aforesaid Moses Saunders and Mary his wife and their heirs forever and he the aforesaid Moses Saunders doth for himself his heirs executors administrators and every of them warrant defend support and maintain the right and title of the above sold land together with all appurtenances and hereditaments thereunto belonging or in any wise appurtenant unto him the aforesaid James Holly his heirs and assigns forever and from the lawful claim or demand of any other person or persons whatsoever. Signed Mary Saunders, her mark.

Apparently, with the money from this sale, Moses Sanders, two days later and approximately 45 miles away, purchased 460 acres from Henry Long and wife Rebeka of South Carolina for $300. (Film 7126 Book N page 52 1799-1800 Franklin County, Ga., Deeds "This indenture made this twenty sixth day of November in the year of our Lord one thousand seven hundred and ninety eight between Henry Long and his wife Rebekah of the State of South Carolina and County of Abbeville of the one part and Moses Saunders of the State of Georgia and County of Franklin of the other part Witnesseth that the above said Henry Long and his wife Rebekah for and in consideration of the sum of three hundred dollars to him in hand paid by the said Moses Saunders the receipt whereof is hereby acknowledged hath bargained and sold and delivered and by these presents doth bargain sell and

Moses Sanders was apparently unable to pay taxes on the property and it was sold according to Franklin Co., Ga. Deed Book (Film 007126 Book N Page 103-104. Moses Sanders is listed as member #85 on the male side of the roll of the Tugalo River Baptist Church which is supposed to be the First Baptist Church in Franklin Co., Ga. The title page of the minute book says both Chauga Church &
Shale Creek Church. The minutes are from 1796 to 1802 according to Furman University. The Tugalo River Church was originally located where Chaugas River joined the Tugalo.

Know ye, That, in pursuance of the Act for opening the Land-Office, and by virtue of the powers in me vested, I have given and granted, and by these presents in the name and behalf of the said state, Do give and grant unto Moses Sanders Senr. his heirs and assigns forever, All that tract of land, containing one hundred and fifty acres situate, lying and being in the county of Franklin in the said State, and butting and bounding South West by Sanders and unknown land; South Westwardly by Montgomery's land; and on all other sides by unknown land... Each of the above had two draws. None were successful. Richard Marden was listed for one draw which indicates he was not married to Nancy Sanders as married men received two draws.

Moses Sanders Sen. received a second grant of land from the Governor dated 7 Dec 1806 described as follows: "All that tract or parcel of land containing one hundred and fifty acres, situate, lying and being in the county of Franklin in the said state, and butting and bounding South West by Sanders and unknown land; South Westwardly by Montgomery's land; and on all other sides by unknown land."

There is no concrete evidence concerning the whereabouts of Mary Hambleton Sanders following her husband's death in 1817. Moses Sanders gave his son John 150 acres 4 Jun 1811 as a deed of gift "not to take possession before my wifes & my death." John sold property rights of 200 acres to Reuben Thornton 25 Dec 1818 and 40 acres to his brother Moses Sanders 4 Jan 1816 and moved to McNairy County, Tennessee. He remained there until 1837 when he moved to Tishomingo County, Mississippi. The 1840 census lists John Sanders with 1 female 80-90 who could be his mother. "..."
