Throughout Jamboree in 2009, lecture sessions will be held in the main hotel building as well as the convention center. This opens up a number of additional seats and should help to reduce the potential for standing-room-only conditions in the most popular sessions. We appreciate your taking the time to help us in our capacity planning.

Following is the lecture schedule as of February 15. The schedule and speakers are subject to change. Look for the Jamboree brochure in March and watch for announcements at [www.genealogyjamboree.blogspot.com](http://www.genealogyjamboree.blogspot.com)
