To the Worshipful Court of Augusta now sitting: We, the inhabitants of this County, have long felt the smart of the great indulgence the ordinary keepers of this County have met with in allowing them to sell such large quantities of rum and wine at an extravagant rate, by which our money is drained out of the County, for which we have no return but a fresh supply to pick our pockets. We, your petitioners, humbly pray your worship to put a stop to the said liquors, which would encourage us to pursue our laborious designs, which is to raise sufficient quantities of grain which would sufficiently supply us with liquors and the money circulate in this County to the advantage of us, the same. We hope that your worships will discover to us that you have a real regard for the good of the County, and lay us under an obligation to pray for your prosperity.
