725. Research files of James Downey, New York. XXXXXXXXXXXXXXXXXXXXXXXX
Mr. Downey's files contain research from original sources, mostly 18th and early 19th century. These sources include original probate and land records (deeds and mortgages), tax lists, family records, church registers, and newspaper notices of marriage and death. He also made use of some secondary sources, but only those that have been thoroughly vetted, and have stood the test of time. These include Ecclesiastical Records of the State of New York (very helpful for studying the families of Fordham Manor), and the excellent series of Dutch Reformed church records by Arthur Kelly, FAMILIES OF THE COLONIAL TOWN OF PHILLIPSBURG, WESTCHESTER COUNTY, NEW YORK, compiled by Greenville Mackenzie, 1966. Original manuscript is at the Westchester County Historical Society, 2199 Saw Mill River Road Elmsford, New York 10523. The complete undocumented book is 806 pages and has over 200 families mentioned, as well as some others.
