Preface

This book on the Ancestors and Descendants of the William Andrews Family is still a work in progress and may contain errors and omissions.

The layout of the book starts with a Chapter on the Early Andrews Ancestry then is followed by chapters on the Ancestors of Horace Charles Andrews and his two wives, Annie Laurie Martins-Coe and Sophie Danyluik. By doing this it is possible to show the ancestors for all of the descendants of Horace Charles Andrews and his brother, Russell William Andrews. The next chapters show the descendants of each of the children of Russell and Horace Andrews, and also of the Coe side as well.

The final chapters are associated with photos with additional space for you to add your own photos, documents, and other personal info.

Much of the initial research work on the Andrews and Coe lines was done by my sister, Barbara Anne (Krause) McIntyre, and my cousin, Bernice Catherine (Andrews) Robinson, who were working together on a family history of my maternal side of the family. I have all of the research material that Barb had collected as it was passed on to me after her death in 1994.

One of the main problems with any family history is that when it is published it is just a snap-shot of the status of the families when it went to press. The ancestor information may not change that much unless more and extensive research is continued but the families keep growing and expanding as children marry and have their own families. It is our responsibility to keep this information up-to-date by adding the new generations that keep forever increasing. Our/Your work is never done!

Any updates and/or corrections MUST not use any page numbering in this eBook to refer to a person but rather must use the person's full name or family group and then give the change or update. The page numbering in this book changes all the time as new information is added and any reference to a page number may be from an eBook that is no longer available.

To have a person added to the database someone just needs to send me an email with the info. Full name of person, full date of birth/marriage/death and the location of the event(city/town, province/state). If it is a marriage the full information on the spouse needs to be sent. This is the same as above but should also include the names of the spouses father and maiden name of the mother. I don't need full info on the parents of the spouse.

To make changes, I need the name of the person including birth date or parents of the person so that I can find them in my database then what the new info is compared the old info.

Please help us to keep recording our ever expanding descendants by sending any update information and/or corrections to the following

Directions on Finding your way

Many people are having difficulty in finding their way through this document. It is suggested that you use the following steps to find what you want.

1. Look at the "Table of Contents" (ToC) page and note the section that you are interested in. I will use Ivan Andrews as an example. The Chapters for Ivan Horace Andrews are found on pages 223, and 224. The next chapter after Ivan is for Marilyn Andrews on page 229

2. Now go to the "Index" and in the surname section for Andrews, find Ivan Horace Andrews. He is found on the following pages 133, 134, 139, 223, 224, 253, 255, and 258. From the ToC, we know that p 223 is the divider section for Ivan Horace Andrews. If you have opened the small icons for each page in your Adobe Reader the scroll down to the Adobe page that shows the divider section for Ivan Horace Andrews, this will be p 230(an additional 6 pages are at the start of the document and are shown with roman numerals.). These small icons for each page are shown if you click on the icon on the left side of your Adobe window that looks like two pages of paper. When you double click on this icon then a small icon of each page in the eBook is shown with the associated Adobe page.

Pages 133 and 134 are associated with Ivan as a child in his parents family.

Page 223 is the Outline Report, and

Page 224 is the NGS Quarterly Report.

Pages 253, 255, and 258 are associated with reports that show Ivan as a Descendant of John Danyliuk.

If you look at a family that has several generations in the report then the first person in that report is shown as #1 and each descendant is the next higher number. If a person is a child in a family and they are shown as #256, normal font, with a + sign to the left of the number then that person has descendants. These descendants are found by scrolling forward and finding that same person but now the number will be a larger and BOLD font. This allows the reader to move either forward or backward within a chapter and trace the parentage of a person. They can also be found in the Index as explained above.

NOTE The page numbers shown above are those for a version of the eBook that was produced on 19 Aug. 2015. These numbers will change in subsequent updates if modifications are made to any section prior to the given page. The overall idea remains the same.

I hope this has helped you a little.

Introduction

The data for this book has been acquired by many people, the people mainly responsible for initially collecting the data are Bernice (Andrews) Robinson and Barbara (Krause) McIntyre. and other members of the families.

The chapters of this book cover the ancestors and descendants of the children of Willam Andrews as well as the children of Georgianna Martins. This was done to cover as many of the descendants in one book as two brothers of the Andrews family married two daughters of Georgianna Martins who had one daughter, Annie Laurie, prior to her marriage to William Charles Coe. Since no proof has been found showing the biological father of Annie Laurie, then it is being assumed that he is unknown.

The following description is an attempt to show how the Ahnentafel Report shows your ancestors and secondly how the NGS Quarterly Report format is used to show descendants.

The Ahnentafel format shows a report starting with the primary person who is numbered as #1, the father is #2 and the mother is #3. This is like taking the primary person as 2 to the power n where n is 0 thus giving a #1. The next generation is #1 so it is 2 to the power 1 or 2 for the father and the mother is one larger at 3. The next generation starts at 2 to the power 2 or #4 and his wife is #5. The next person is two times the number 3 from the previous generation giving a 6 and his wife is 7. This continues on generation after generation. The numbers for the fathers side are 1, 2, 4, 8, 16, 32, 64, 128, 256, 512, 1024, etc. The numbers for the female ancestral line are 1, 3, 7, 15, 31, 63, 127, 255, 511, 1023, etc. You do not need to totally follow these numbers but this just shows how they are generated. This is all done by the genealogy program.

The NGS Quarterly report format is used so that all people who are descendants of the starting person are numbered sequentially and makes it much easier to keep track of the total number of descendants.

The example shown below is for one of the earliest known members of our Andrews line at generation #1. The names shown in the section in () are any ancestors of this person. If the parent is shown as a ? then they are unknown and any names show after that are just pseudo-names that I use to keep track of multiple lines of any surname that start with the 00Root-Andrews in our case. The capital letters A, B, C, etc just show the generation level that goes earlier then the starting person and should be disregarded as they are only for my information and have nothing to do with our ancestry.

Using the names of the person shown below, Humphrey Andrews is the starting person and is numbered as a bold 1 his children are shown as 2,3, and 4. Any child that has descendants will have a + sign before the number that is associated with their name and that name will appear in bold print with the same number further on in the text where their family is shown. This process keeps repeating for each generation. The numbers that are shown after the first name are just to show what generation level you are at.

Since this eBook has an index you don't need to follow the lineage of a person by tracing the numbers but can use the index to find the person. Any person that has descendants

will be shown at least twice in the index. First where they are a child in their parents family and secondly where they are a parent in their own family. When anyone is reporting on any update or correction you should never use these numbers but rather use the names of the parents of the child and the child's name and any date like birth, etc. Always report full information for dates of B/M/D and the location of the event. Dates without locations have half of the information missing and will be shown as a question mark (?).

Ahmentafel Report of Horace Charles Andrews

Generation 1

1. **Horace Charles Andrews**, son of William Andrews and Harriet Chapman, was born on 31 August 1892 in Swainsthorpe Parish, Norfolk Co., England. He died on 11 February 1969 in Moose Jaw, Saskatchewan, Canada¹. He married **Annie Laurie Martins-Coe** on 27 August 1911 in Salisbury S.D., Tribune, Sask.. She was born on 08 December 1887 in Heigham, Norwich Parish, Norfolk Co., England¹⁻². She died on 27 February 1936 in Moose Jaw, Saskatchewan, Canada¹. He married **Sophia 'Helen' Danyliuk** on 03 July 1938 in Moose Jaw, Saskatchewan, Canada. She was born on 10 April 1919 in Sect 18, Twp. 37, Rnge. 5, W2, Endeavour, SK³. She died on 05 December 2015 in Regina, SK.

Notes for Annie Laurie Martins-Coe:

Since Annie Laurie was born four years prior to the time that her mother married William Charles Coe then her biological father is suspect. However, a Certified Copy of her Birth Registration, CH017831, which was registered by Georgianna Martins had the father as William Charles Coe and mother, Georgianna Coe formerly Martins. The informant was Georgianna Coe, Mother. Registration date is 18 January 1888. However, this registration is suspect as Georgianna Martins and William Charles Coe were not married until 12 October 1891.

Family Finder DNA testing on two descendants, one a descendant of Horace Andrews and Annie Laurie and the second a descendant of Russell Andrews and Ethel Coe has conclusively shown that Annie Laurie and Ethel were half-sisters and not full-sisters as was thought previously. The power of present day DNA testing, Autosomal DNA, in this case clearly showed the connections for the two persons tested were different when they should have been the same if they were full sisters.

Fred Peachment and Emily Martins, known as Uncle Fred and Aunt Emily to the children of Annie Laurie Martins-Coe, were the people who raised Annie Laurie sometime before Annie Laurie left for Canada prior to 1911. Since Annie Laurie is in the home of George Martins with her mother, Georgianna, in 1891 and the Uncle Fred and Aunt Emily were not married until 1901 then this must have taken place between 1901 and 1911 when Annie Laurie came to Canada with Horace Andrews who she married on 27 Aug 1911.

- ix. Dau Andrews.

Notes for Dau Andrews:

This person is possibly Ellen or Alice Andrews. Which one is unknown!!!!!!

6. ? <Smith> was born about 1850. He married **Maria Chapman**.
7. **Maria Chapman**, daughter of Isaac Chapman I and Lydia Pearce, was born in January 1851 in Swainsthorpe Parish, Norfolk Co., England. She died in 1925.

Notes for ? <Smith>:

This unknown person is where the Smith connection appears to be from in this Pedigree. A very careful DNA study needs to be done to try and determine as much as possible about this part of the missing portion of the Pedigree.

Anyone who has had their DNA tested by Ancestry.com is being asked to please help in trying to break down this brick wall. You may be the person that has that one missing piece of the puzzle that will make the connection possible.

How you can help: first of all we/I need anyone that has had their DNA tested by Ancestry.com and is a descendant of either Russell or Horace Andrews to share their DNA matches with me(Arnold Krause) and I will share my matches with you. In this way we might be able to zero in on the

unknown father just like what was done with the unknown father of Annie-Laurie Martine-Coe when her father was determined as being a Buehl. See the notes for Annie-Laurie for more detail. Thank you in advance for your cooperation.

In preparation for this study, if you have had your DNA tested by Ancestry.com then go to your matches and do a search for anyone with the name of Smith or Cotton in their Pedigree. Record what relationship level that is suggested. If they are 3-4th cousin level the we have a near hit for the common connection. These are will just be the preliminary possibilities but at least a starting point.

Ahnentafel Report of Annie Laurie Martins Coe

Generation 1

1. **Annie Laurie Martins-Coe**, daughter of Father-Annie-Laurie Buehl and Georgianna Martins, was born on 08 December 1887 in Heigham, Norwich Parish, Norfolk Co., England¹⁻². She died on 27 February 1936 in Moose Jaw, Saskatchewan, Canada¹. She married **Horace Charles Andrews** on 27 August 1911 in Salisbury S.D., Tribune, Sask.. He was born on 31 August 1892 in Swainsthorpe Parish, Norfolk Co., England. He died on 11 February 1969 in Moose Jaw, Saskatchewan, Canada¹.

Notes for Annie Laurie Martins-Coe:

Since Annie Laurie was born four years prior to the time that her mother married William Charles Coe then her biological father is suspect. However, a Certified Copy of her Birth Registration, CH017831, which was registered by Georgianna Martins had the father as William Charles Coe and mother, Georgianna Coe formerly Martins. The informant was Georgianna Coe, Mother. Registration date is 18 January 1888. However, this registration is suspect as Georgianna Martins and William Charles Coe were not married until 12 October 1891.

Family Finder DNA testing on two descendants, one a descendant of Horace Andrews and Annie Laurie and the second a descendant of Russell Andrews and Ethel Coe has conclusively shown that Annie Laurie and Ethel were half-sisters and not full-sisters as was thought previously. The power of present day DNA testing, Autosomal DNA, in this case clearly showed the connections for the two persons tested were different when they should have been the same if they were full sisters.

Fred Peachement and Emily Martins, known as Uncle Fred and Aunt Emily to the children of Annie Laurie Martins-Coe, were the people who raised Annie Laurie sometime before Annie Laurie left for Canada prior to 1911. Since Annie Laurie is in the home of George Martins with her mother, Georgianna, in 1891 and the Uncle Fred and Aunt Emily were not married until 1901 then this must have taken place between 1901 and 1911 when Annie Laurie came to Canada with Horace Andrews who she married on 27 Aug 1911.

MRS. A. ANDREWS LAID TO REST AT MOOSE JAW (Leader-Post Moose Jaw Bureau) MOOSE JAW, March 3. Funeral services for Mrs. Annie Laura Andrews, 48, wife of Horace C. England.

Notes for Father-Annie-Laurie Buehl:

This person is male as he is the father of Annie-Laurie and his surname is Buehl because he has a brother by the surname of Buehl. This may seem as convoluted reasoning but I am 99% sure it is correct. More analysis and data will only add or subtract from the evidence. More research required to make it 99.999% sure.

This connection to the Buehl line may not be correct. It is based on DNA analysis where 18 different people all match Arnold Krause by sharing DNA on Chromosome #19. These people are listed below.

The following are the contents of an email that was sent to those who are related to me via the father of Annie Laurie:

The first email to this group was in the summer of 2017 and later again in 2021. It has taken four years to arrive at a conclusion!!

Hi to all of you.

First of all, let me introduce myself. My grand-mother Andrews was Annie Laurie Martins-Coe and I have been able to determine that she was the illegitimate daughter of Georginanna Martins, father of Annie is unknown but my matches to you is via this unknown male. Georgianna Martins was born Apr 1868 in Norfolk County, England and died June 1938 in the same county. Annie Laurie was born 8 Dec 1887, Heigham, Norwich Parish, Norfolk Co., England.

With this known information and the list of people that show as matches in my Family Finder DNA test, I am hoping that maybe it might be possible to determine what family line the unknown father was from. Maybe I am embarking on a futile search but again with your help, we may be able to find something.

The next known information that I have is that all of you in this mailing list match me on Chromosome #19 with the following amount of Shared DNA. I have also included the total shared DNA/Longest Block values for my Daughter, Jocelyn Krause

NOTE:: "--" have been added to force the columns to line up as all spaces and tabs were removed when printed on 8 1/2x11 paper.

Name:--Shared DNA on #19,-Total shared DNA/Longest Block(Arnie) cM,- Jocelyn values(cM)
Michelle Seibold,-----26.86 cM,-----65/27,-----51/27

Myra Borchardt,-----26.86 cM,-----51/27,-----57/21

John Moczygemba,--23.87 cM,-----54/24,-----45/24

Dane Gay,-----17.46 cM,-----31/17,-----41/17

April Harris,-----14.07 cM,-----36/14,-----47/15

Kendrick Lafitte,-----14.07 cM,-----22/14,-----20/14

Celia Beene,-----08.43 cM,-----25/8,-----33/8

C. A. Horkey,-----08.43 cM,-----34/8,-----26/8

Now comes the part where you may be able to help me. If you look at your matches and then select my name and find those who are "In Common" with me and yourself then your list will show a list of people with the amount of shared DNA with you. The ones at the top of your list will be your closest relatives. By chance you may know how these people are connected to your line. That would be a big plus for me as then we would know the common family that both of you descend from. My connection must also include the Pedigree from the Common Family. By putting together the information on common families that each of you find then it may be possible to determine how or where my line comes from.

As an example, if one of your matches is a first cousin to you then you would have the Pedigree of the Common family and my connection must be somewhere within that Pedigree. If someone else finds similar results for their connection then where the two Pedigrees intersect is where the Pedigree fits the four of you that found matches and the Pedigree from that intersection is part of the Pedigree that would be common to my line as well.

I will do the work, just need your help and cooperation in determining if we can find any common families.

This is pure Basic Research.

Cheers, Arnie

4. **Robert Manning Coe II**, son of Robert Manning and Jemima Coe, was born in 1842 in Great Massingham, Norfolk Co., England. He died in 1898 in Norwich, Norfolk Co., England. He married **Frances Elizabeth Claxton** on 13 January 1864 in Norfolk Co., England¹¹.
5. **Frances Elizabeth Claxton**, daughter of Robert Claxton and Maryann Raven, was born on 03 January 1842 in Swaffham, Norfolk Co., England.

Notes for Robert Manning Coe II:

There is some confusion as to who the parents of Robert Manning Coe are. One group has him as shown in the following report segment:

Descendants of Robert Coe

Robert Coe (RobertA, John WoodbineB) was born Bet. 1844 - 1845 in Lynn, Norfolk Co., England.

The second group shows him as the son of Jemima Coe who was a housekeeper for Robert Manning. This Robert Coe(carried his mothers maiden name as she never married Robert Manning). This Robert was born in Massingham, Norfolk Co., England. This matches his census record data as shown below. The other factor that points to his father as being a Manning is that his middle name is also Manning as several of his siblings have this middle name as well.

3. **Annie 'Olga' ???**, daughter of ? ???, was born between 1885-1886 in Austria. She died after 1962 in Endeavour, SK.

Notes for John Danyliuk:

The surname of this family is like a moving target. Since they were from the Racial or Tribal Origin: Ruthenian as shown in the 1916 census, they did not speak English or write using any English spelling but rather the Ukrainian form which made it difficult for others to know what the proper spelling was for their name. All I can do is to show what was given in the different sources found where this family was present.

The following is from the Endeavour Community History Book, p172

Danyliuk, John and Olga

John Danyliuk came to Canada from the Ukraine in 1906. He worked on the CPR from Montreal to Fort McMurray, Alta. He went back to the Ukraine in 1912 and brought back his wife,her sister Ann and his daughter Ann. They settled north of Preeceville in the Endeavour area.

They raised five girls and one boy. Worked in many places until later years.

The following link shows a Google Earth image of the Endeavour area and the <https://freepages.rootsweb.com/~aek740/genealogy/images/Endeavour-SK.JPG> Danaluk/Danyliuk farm. The farm yard is in the trees at the lower right corner of section 18.

When viewing this actual document at the Sask Archives, the name is clearly shown as John Danyliuk and not Danzliuck as reported in the Western Land Grants database! A document in the folder box for SE 18, 37, 5, W2 shows when John sent the necessary documents to correct the mis-spelling of his name.

Notes for Annie Laurie Martins-Coe:

Since Annie Laurie was born four years prior to the time that her mother married William Charles Coe then her biological father is suspect. However, a Certified Copy of her Birth Registration, CH017831, which was registered by Georgianna Martins had the father as William Charles Coe and mother, Georgianna Coe formerly Martins. The informant was Georgianna Coe, Mother. Registration date is 18 January 1888. However, this registration is suspect as Georgianna Martins and William Charles Coe were not married until 12 October 1891.

Family Finder DNA testing on two descendants, one a descendant of Horace Andrews and Annie Laurie and the second a descendant of Russell Andrews and Ethel Coe has conclusively shown that Annie Laurie and Ethel were half-sisters and not full-sisters as was thought previously. The power of present day DNA testing, Autosomal DNA, in this case clearly showed the connections for the two persons tested were different when they should have been the same if they were full sisters.

Fred Peachment and Emily Martins, known as Uncle Fred and Aunt Emily to the children of Annie Laurie Martins-Coe, were the people who raised Annie Laurie sometime before Annie Laurie left for Canada prior to 1911. Since Annie Laurie is in the home of George Martins with her mother, Georgianna, in 1891 and the Uncle Fred and Aunt Emily were not married until 1901 then this must have taken place between 1901 and 1911 when Annie Laurie came to Canada with Horace Andrews who she married on 27 Aug 1911.

Annie Laurie Martins-Coe

Since Annie Laurie was born four years prior to the time that her mother married William Charles Coe then her biological father is suspect. However, a Certified Copy of her Birth Registration, CH017831, which was registered by Georgianna Martins had the father as William Charles Coe and mother, Georgianna Coe formerly Martins. The informant was Georgianna Coe, Mother. Registration date is 18 January 1888. However, this registration is suspect as Georgianna Martins and William Charles Coe were not married until 12 October 1891.

Family Finder DNA testing on two descendants, one a descendant of Horace Andrews and Annie Laurie and the second a descendant of Russell Andrews and Ethel Coe has conclusively shown that Annie Laurie and Ethel were half-sisters and not full-sisters as was thought previously. The power of present day DNA testing, Autosomal DNA, in this case clearly showed the connections for the two persons tested were different when they should have been the same if they were full sisters.

Fred Peachement and Emily Martins, known as Uncle Fred and Aunt Emily to the children of Annie Laurie Martins-Coe, were the people who raised Annie Laurie sometime before Annie Laurie left for Canada prior to 1911. Since Annie Laurie is in the home of George Martins with her mother, Georgianna, in 1891 and the Uncle Fred and Aunt Emily were not married until 1901 then this must have taken place between 1901 and 1911 when Annie Laurie came to Canada with Horace Andrews who she married on 27 Aug 1911.

Hilda Annie (Andrews) Krause passed away peacefully on 30 June 2008 at Moose Jaw Union Hospital with her family at her side. Hilda was born 28 July 1919, in the Caron District to Horace and Annie Laurie (Martins Coe) Andrews. She is survived by her son, Arnold (Lila) Krause of Saskatoon; daughter, Marlene (Garry) Bruce of Calgary; grandchildren: Janet (Trevor) Wannop, Jeffrey (Andrea) Krause, Lori (Grant) Henningsen, Brian Bruce (Marcella), Jocelyn Krause (Daniel Buxton), Trent (Stacey) McIntyre; and great-grandchildren: Tyler and Jordan Krause; Spencer, Connor, and Justin Wannop; Rebecca and Katelyn Henningsen; Chloe and Gage McIntyre; her sisters: Ruth McIntyre, Ethel Lynn Stratford, Bernice Austin, Violet (Paul) Sapergia; and by her half-sisters, Olive Russell, Darlene (Edward) Kitzul, and Marilyn Andrews; half brother, Ivan Andrews; and step-mother, Helen Andrews; and several nieces, nephews and other relatives. She is predeceased by her parents; sister, Rosamond Dykstra; brother, Leslie Andrews; daughter, Barbara McIntyre; grandson Dean McIntyre; and Edwin Krause. Hilda and Edwin were married and settled in the Parkbeg district. Hilda was active in many activities which included: tending her large garden and fruit orchard as many can attest to her canning and preserving abilities that she shared with her family and friends. Later she became involved" with the 4H program, curling, sewing, and quilting. The sewing and quilting became a life long hobby as she took classes then returned to her community to pass on her learning and skills to others. In June 1990, Hilda was one of seven women in Moose Jaw to establish the "Prairie Hearts Quilt Guild". This guild was very dear to her heart as well as the many friends that she made while making beautiful quilts. These quilts, quillos, and baby blankets have been enjoyed by many including her children, grandchildren and great-grandchildren. Our sincere thanks to the staff of Chateau St. Michael and First and Second floors at the Moose Jaw Union Hospital for their special care of our mother, and for the support shown to the family during her illness. The Funeral Service will be held at W.J.Jones & Son Chapel on Monday July 7, 2008 at 2:30 pm. Della Ferguson will officiate. Hilda Annie (Andrews) Krause passed away peacefully on 30 June 2008 at Moose Jaw Union Hospital with her family at her side. Hilda was born 28 July 1919, in the Caron District to Horace and Annie Laurie (Martins Coe) Andrews. She is survived by her son, Arnold (Lila) Krause of Saskatoon; daughter, Marlene (Garry) Bruce of Calgary; grandchildren: Janet (Trevor) Wannop, Jeffrey (Andrea) Krause, Lori (Grant) Henningsen, Brian Bruce (Marcella), Jocelyn Krause (Daniel Buxton), Trent (Stacey) McIntyre; and great-grandchildren: Tyler and Jordan Krause; Spencer, Connor, and Justin Wannop; Rebecca and Katelyn Henningsen; Chloe and Gage McIntyre; her sisters: Ruth McIntyre, Ethellynn Stratford, Bernice Austin, Violet (Paul) Sapergia; and by her half-sisters, Olive Russell, Darlene (Edward) Kitzul, and Marilyn Andrews; half brother, Ivan Andrews; and step-mother, Helen Andrews; and several nieces, nephews and other relatives. She is predeceased by her parents; sister, Rosamond Dykstra; brother, Leslie Andrews; daughter, Barbara McIntyre; grandson Dean McIntyre; and Edwin Krause. Hilda and Edwin were married and settled in the Parkbeg district. Hilda was active in many activities which included: tending her large garden and fruit orchard as many can attest to her canning and preserving abilities that she shared with her family and friends. Later she became involved" with the 4H program, curling, sewing, and quilting. The sewing and quilting became a life long hobby as she took classes then returned to her community to pass on her learning and skills to others. In June 1990, Hilda was one of seven women in Moose Jaw to establish the "Prairie Hearts Quilt Guild". This guild was very dear to her heart as well as the many friends that she made while making beautiful quilts. These quilts, quillos, and baby blankets have been enjoyed by many including her children, grandchildren and great-grandchildren. Our sincere thanks to the staff of Chateau St. Michael and First and Second floors at the Moose Jaw Union Hospital for their special care of our mother, and for the support shown to the family during her illness. The Funeral Service will be held at W.J.Jones & Son Chapel on Monday July 7, 2008 at 2:30 pm. Della Ferguson will officiate. The interment will take place prior to the Service at Sunset Cemetery at 1:30 pm. Those wishing to join the cortege may meet at the Funeral Home at 1:15 pm. In living memory of Hilda, a tree will be planted in Besant Park by W.J.Jones & Son Funeral Home. www.wjjonesandson.com

Notes for Annie Laurie Martins-Coe:

Since Annie Laurie was born four years prior to the time that her mother married William Charles Coe then her biological father is suspect. However, a Certified Copy of her Birth Registration, CH017831, which was registered by Georgianna Martins had the father as William Charles Coe and mother, Georgianna Coe formerly Martins. The informant was Georgianna Coe, Mother. Registration date is 18 January 1888. However, this registration is suspect as Georgianna Martins and William Charles Coe were not married until 12 October 1891.

Family Finder DNA testing on two descendants, one a descendant of Horace Andrews and Annie Laurie and the second a descendant of Russell Andrews and Ethel Coe has conclusively shown that Annie Laurie and Ethel were half-sisters and not full-sisters as was thought previously. The power of present day DNA testing, Autosomal DNA, in this case clearly showed the connections for the two persons tested were different when they should have been the same if they were full sisters.

Fred Peachment and Emily Martins, known as Uncle Fred and Aunt Emily to the children of Annie Laurie Martins-Coe, were the people who raised Annie Laurie sometime before Annie Laurie left for Canada prior to 1911. Since Annie Laurie is in the home of George Martins with her mother, Georgianna, in 1891 and the Uncle Fred and Aunt Emily were not married until 1901 then this must have taken place between 1901 and 1911 when Annie Laurie came to Canada with Horace Andrews who she married on 27 Aug 1911.

Mom attended Empire School in Moose Jaw and later, when they moved out to the Britannia Park west of town, she finished her education in the Coburg School District. Biography

Generation 1 (cont.)

It is with sadness that we announce the passing of Everette on June 13, 2016 at the age of 93. Everette was born on June 20, 1922 in Kincaid, SK and grew up on the family farm near Trossachs, SK. A typical farm boy of the thirties, he worked hard on the farm but learned a love of the land that he carried throughout his life. When the War broke out, he joined the army, then transferred to the airforce. He spent the War years overseas in Holland and Belgium. Everette had many memories, both good and bad, of the War and enjoyed sharing the good memories and stories with his family. After the War ended he left the military and returned to Sask. To become a heavy duty mechanic, attaining his journeyman standing. He worked in Moose Jaw, then Verwood, SK, returning to Moose Jaw to complete his working career. After his retirement, Everette returned to his first love, the land, and farmed until his late 80's. He enjoyed people and belonged to several groups: Army, Navy & Airforce Vets, 601 Wing RCAFA, the Minus One Club, and the Canadian Diabetes Association. He was on the executive in many of these groups throughout the years. Predeceased by his life partners, Rosamond Dann Dykstra and Iva Duperon; his parents Sidney and Irene Dykstra; brothers Richard and Carl, and sister Ellen. Left behind to miss his smile and his joy for life are his family: daughter Helen (Lloyd) Andrews - High River, AB; and his step-son D'Arcy (Sheila) Dann of Moose Jaw; his pride and joy, his grandchildren: Tracy, Christopher, Kelly, Colleen, Jeremy, and Travis; as well as twelve great-grandchildren. Everette also leaves his step-son, Robert (Mary) Dann and children Rob, Tracy, Karen, and Cheryl; step-daughters Linda Schniekart and children Tammy, Angela, Karissa, and Natasha; Ruth (Cy) Monsees and children Cory, MacKenzie, and Shauna, and their families; his brothers Robert and Harvey, and sister Marian to mourn his loss. A special thank you to the staff of St. Anthony's Wing at Providence Place for their care and compassion during Everette's final months. At Everette's request a private family service will be held. For those so wishing, donations may be made to the Canadian Diabetes Association, 917 Albert Street, Regina, S4R 2P6. In living memory of Everette, a memorial planting will be made by W. J. Our Mom Geraldine Duncan lost her battle with cancer on July 30, 2012, she was born September 9, 1931, the eldest of eleven children. Notes for Gordon Ramsay Duncan:
Gordon's Obituary

Gordon was born in Caron, Sk. to Davina and Peter Duncan. He was the second youngest of 5 children. He lived his entire life in the Remount District and attended Remount School. He married a Moose Jaw girl, Geraldine Dann and they had four children- David, Patti, Brenda, and Leanne. Gordon and Geri started farming the George Harkness farm in 1950 and a few years later bought the Murray McLean farm and some of his Dad's land. Gordon also worked in Mortlach at the International Harvester Garage. Dad took pride in everything he did and had! In the early years it was his team of horses and the sleigh. They would bundle up the kids and head to Parkbeg for groceries or to a neighbor's for an evening of cards and visiting. In the summer, Dad played ball with the Remount Royals and the Edgehill Men's team. Dad was a pitcher and played left field. When he would travel for a sports day, the whole family would go and the kids were his biggest fans! In the winter, he enjoyed curling and played with many of the neighbors in the area. Dad was always ready to put the kettle on for a cup of tea or coffee when his neighbors would stop by for a visit. He enjoyed a good game of crib but also would not hesitate to tell someone when they "played like a sausage". In the later years he enjoyed visiting on the phone with friends and family and watching wrestling and curling. He spent many hours on his riding lawn mower ensuring that every blade of grass in the yard was cut and trimmed to perfection! By fall he would often comment "that the nice shade of golden brown was his favorite color". Dad loved everything FARM! He loved seeding, harvesting, cattle, horses, chickens, birds, deer, rabbits, and most wildlife! He also knew what to do with the ones he didn't love! And most recently he found companionship in Kitty, a stray cat that became his buddy. Dad found comfort and contentment in the peaceful tranquility that farm life offered. Our Dad was a proud man who lived a good, honest, wholesome life at the farm for all his 92 years. He will be sadly missed by his family- David & Mona Duncan and their family, Scott & Shannon Duncan and their girls Maren and Brigit, Melanie Mytroen & Brent and their children Kirsten, Presley and Jackson, Nikki & Mike Weber and their boys Jake and Brady, Patti and Les Ashton, Brenda & Roland Michel and their family, Nathan & Kamisha and children Abigale and Chase and Jaylee Michel, Leanne & Earl Coward and their family, Zach & Angela and Kolten & Jessica, along with in laws Leona Duncan, Linda Schneikart, Bob & Mary Dann and Darcy & Sheila Dann, Cy Monsees, Helen and George Andrews and numerous nieces, nephews and cousins. He is predeceased by our mom, Geri Duncan, his parents Davina and Peter Duncan. His brother David and wife Mary, brother Bruce, sister Margaret and husband Floyd Drysdale, sister Helen and husband Emil Glass and sister and brother in laws. Dad will be laid to rest at Sunset Cemetery alongside Mom. A private family service will be held. In living memory of Gordon, a memorial planting will be made by Jones - Parkview Funeral Services

Notes for Kenneth Dann:

This connection of Kenneth Dann as being the same person as Kenneth Knapp may not be correct. Beware that this is only a temporary connection and proof must be found before it is used by others.(AEK, 11 Jan 2022)

Notes for Heather Lynn McLean:

NOTE:: Heather was adopted by the McLean family, her birth parents were unknown until an extensive DNA search and analysis was done which has resulted in finding her biological father and mother. This has not been an easy task but a rewarding one and a challenge in scientific/(family history) research.

This was all done gratis for Ashley as she is one of my first cousins 2 times removed.(AEK 10 Jan 2022)

ANDREWS (JEFFERY)

October 3rd, 1918 - March 4th, 2014

It is with sadness that the family of Dorothy Violet Catherine Andrews announces her passing on Tuesday, March 4th, 2014 in Moose Jaw, SK at the age of 95 years. Dorothy was born on October 3rd, 1918 in Egham, Surrey, Middlesex, England to Ernest and Elsie Jeffery. At the age of five, she came to Canada with her parents. She was the eldest of 3 girls. Mom attended Empire School in Moose Jaw and later, when they moved out to the Britannia Park west of town, she finished her education in the Coburg School District. In 1937 she married Les Andrews, the son of Horace and Annie Andrews in Moose Jaw. She was an amazing mother and homemaker, always making room for guests in her home. For many years her grandchildren loved staying with her, enjoying her famous lemon pies as well as being the recipient of her many other baked treats. Mom would never turn down a good game of Yatzee or a game of cribbage. She showered her love on all of her grandchildren and delighted them when she would play a tune on her harmonica. When most of her children were grown, she began working outside the home, working her way through many positions. A chambermaid at the Park Hotel, a cashier at Kreskies, an elevator operator in the Hammond Building, as a dry cleaner at Crescent Cleaners, a night custodian at SIAST and finally as a Nurses Aide at St. Anthony's Home. Mom made many friends through the years. She enjoyed bowling for many years with the Slowboats Bowling League which she helped to found, later in life she played 10 pin bowling and helped out with the wheel-chair bowlers. She was an avid reader and was never without a good book. She was predeceased by her parents; sisters, Peggy Alho and Eva Griggs; daughter, Francis; grandchildren: Lynn Robinson, Sandra Shea and David Shea; great-grandchild, Jody McSween; as well as her children's father, Les Andrews. Dorothy is survived by her daughters: Bernice (Rob) Robinson, Patsy (Ed) Liberet, Leslie (Al) Unrau and Dorothy (René) Croteau; son, Bill (Carole) Andrews; grandchildren: Shelley McSween, Richard Robinson, Tim (Welly) Robinson, Nancy (Tom) Hadley, Tereasa (Lee) Bellows, Brenda (Victor) Savoie, Randy (Debbie) Liberet, Diana Liberet, Kelly Liberet, Tracey (Daniel) Lamothe, Shannon (Bobby) Severin, Sheri (Jerry) Buffet, Tammy (John) Stoffels, Lori (Jim) Larsen, Mark (Carmen) Croteau, Graham Croteau, Matthew Croteau, Andrew Croteau and Daniel (Jaquiline) Andrews; 37 great-grandchildren and 6 great-great-grandchildren. We would like to thank the staff at the Moose Jaw Union Hospital, her doctors and the staff at Pioneers Lodge for the care and kindness given to Mom and the support offered to her family. In accordance to Mom's wishes, no Funeral Service will be held. A Celebration of her life will be held for family and close friends on Friday, April 11th, 2014. Arrangements are entrusted to Moose Jaw Funeral Home, 268 Mulberry Lane. Calvin Gammel, Funeral Director 306-693-4550

She is predeceased by her parents; sister, Rosamond Dykstra; brother, Leslie Andrews; daughter, Barbara McIntyre; grandson Dean McIntyre; and Edwin Krause. Hilda and Edwin were married and settled in the Parkbeg district. Hilda was active in many activities which included: tending her large garden and fruit orchard as many can attest to her canning and preserving abilities that she shared with her family and friends. Later she became involved" with the 4H program, curling, sewing, and quilting. The sewing and quilting became a life long hobby as she took classes then returned to her community to pass on her learning and skills to others. In June 1990, Hilda was one of seven women in Moose Jaw to establish the "Prairie Hearts Quilt Guild". This guild was very dear to her heart as well as the many friends that she made while making beautiful quilts. These quilts, quillos, and baby blankets have been enjoyed by many including her children, grandchildren and great-grandchildren. Our sincere thanks to the staff of Chateau St.Michael and First and Second floors at the Moose Jaw Union Hospital for their special care of our mother, and for the support shown to the family during her illness. Notes for Father-Annie-Laurie Buehl:

This person is male as he is the father of Annie-Laurie and his surname is Buehl because he has a brother by the surname of Buehl. This may seem as convoluted reasoning but I am 99% sure it is correct. More analysis and data will only add or subtract from the evidence. More research required to make it 99.999% sure.

This connection to the Buehl line may not be correct. It is based on DNA analysis where 18 different people all match Arnold Krause by sharing DNA on Chromosome #19. These people are listed below.

The following are the contents of an email that was sent to those who are related to me via the father of Annie Laurie:

The first email to this group was in the summer of 2017 and later again in 2021. It has taken four years to arrive at a conclusion!!

Hi to all of you.

First of all, let me introduce myself. My grand-mother Andrews was Annie Laurie Martins-Coe and I have been able to determine that she was the illegitimate daughter of Georginanna Martins, father of Annie is unknown but my matches to you is via this unknown male. Georgianna Martins was born Apr 1868 in Norfolk County, England and died June 1938 in the same county. Annie Laurie was born 8 Dec 1887, Heigham, Norwich Parish, Norfolk Co., England.

With this known information and the list of people that show as matches in my Family Finder DNA test, I am hoping that maybe it might be possible to determine what family line the unknown father was from. Maybe I am embarking on a futile search but again with your help, we may be able to find something.

The next known information that I have is that all of you in this mailing list match me on Chromosome #19 with the following amount of Shared DNA. I have also included the total shared DNA/Longest Block values for my Daughter, Jocelyn Krause

NOTE:: "--" have been added to force the columns to line up as all spaces and tabs were removed when printed on 8 1/2x11 paper.

Generation 5 (cont.)

Name:--Shared DNA on #19,-Total shared DNA/Longest Block(Arnie) cM,- Jocelyn values(cM)
Michelle Seibold,-----26.86 cM,-----65/27,-----51/27

Myra Borchardt,-----26.86 cM,-----51/27,-----57/21
John Moczygemba,--23.87 cM,-----54/24,-----45/24
Dane Gay,-----17.46 cM,-----31/17,-----41/17
April Harris,-----14.07 cM,-----36/14,-----47/15
Kendrick Lafitte,-----14.07 cM,-----22/14,-----20/14
Celia Beene,-----08.43 cM,-----25/8,-----33/8
C. A. Horkey,-----08.43 cM,-----34/8,-----26/8

Now comes the part where you may be able to help me. If you look at your matches and then select my name and find those who are "In Common" with me and yourself then your list will show a list of people with the amount of shared DNA with you. The ones at the top of your list will be your closest relatives. By chance you may know how these people are connected to your line. That would be a big plus for me as then we would know the common family that both of you descend from. My connection must also include the Pedigree from the Common Family. By putting together the information on common families that each of you find then it may be possible to determine how or where my line comes from.

As an example, if one of your matches is a first cousin to you then you would have the Pedigree of the Common family and my connection must be somewhere within that Pedigree. If someone else finds similar results for their connection then where the two Pedigrees intersect is where the Pedigree fits the four of you that found matches and the Pedigree from that intersection is part of the Pedigree that would be common to my line as well.

I will do the work, just need your help and cooperation in determining if we can find any common families.

This is pure Basic Research.

Cheers, Arnie

Father-Annie-Laurie Buehl and Georgianna Martins had the following child:

68. i. ANNIE LAURIE⁶ MARTINS-COE was born on 08 December 1887 in Heigham, Norwich Parish, Norfolk Co., England. She died on 27 February 1936 in Moose Jaw, Saskatchewan, Canada. She married Horace Charles Andrews, son of William Andrews and Harriet Chapman, on 27 August 1911 in Salisbury S.D., Tribune, Sask.. He was born on 31 August 1892 in Swainsthorpe Parish, Norfolk Co., England. He died on 11 February 1969 in Moose Jaw, Saskatchewan, Canada.

Notes for Annie Laurie Martins-Coe:

Since Annie Laurie was born four years prior to the time that her mother married William Charles Coe then her biological father is suspect. However, a Certified Copy of her Birth Registration, CH017831, which was registered by Georgianna Martins had the father as William Charles Coe and mother, Georgianna Coe formerly Martins. The informant was Georgianna Coe, Mother. Registration date is 18 January 1888. However, this registration is suspect as Georgianna Martins and William Charles Coe were not married until 12 October 1891.

Family Finder DNA testing on two descendants, one a descendant of Horace Andrews and Annie Laurie and the second a descendant of Russell Andrews and Ethel Coe has conclusively shown that Annie Laurie and Ethel were half-sisters and not full-sisters as was thought previously. The power of present day DNA testing, Autosomal DNA, in this case clearly showed the connections for the two persons tested were different when they should have been the same if they were full sisters.

Fred Peachement and Emily Martins, known as Uncle Fred and Aunt Emily to the children of Annie Laurie Martins-Coe, were the people who raised Annie Laurie sometime before Annie Laurie left for Canada prior to 1911. Since Annie Laurie is in the home of George Martins with her mother, Georgianna, in 1891 and the Uncle Fred and Aunt Emily were not married until 1901 then this must have taken place between 1901 and 1911 when Annie Laurie came to Canada with Horace Andrews who she married on 27 Aug 1911.

Notes for John Danyliuk:

The surname of this family is like a moving target. Since they were from the Racial or Tribal Origin: Ruthenian as shown in the 1916 census, they did not speak English or write using any English spelling but rather the Ukrainian form which made it difficult for others to know what the proper spelling was for their name. All I can do is to show what was given in the different sources found where this family was present.

The following is from the Endeavour Community History Book, p172

Danyliuk, John and Olga

John Danyliuk came to Canada from the Ukraine in 1906. He worked on the CPR from Montreal to Fort McMurray, Alta. He went back to the Ukraine in 1912 and brought back his wife, her sister Ann and his daughter Ann. They settled north of Preeceville in the Endeavour area.

They raised five girls and one boy. Worked in many places until later years.

The following link shows a Google Earth image of the Endeavour area and the [href="https://freepages.rootsweb.com/~aek740/genealogy/images/Endeavour-SK.JPG"](https://freepages.rootsweb.com/~aek740/genealogy/images/Endeavour-SK.JPG) Danaluk/Danyliuk farm. The farm yard is in the trees at the lower right corner of section 18.

When viewing this actual document at the Sask Archives, the name is clearly shown as John Danyliuk and not Danzliuck as reported in the Western Land Grants database! A document in the folder box for SE 18, 37, 5, W2 shows when John sent the necessary documents to correct the mis-spelling of his name.

The following info was received from Diane Clark, 21 Oct 2015:

Catherine Sophia was the mother of Violet Andrews, born at Swainsthorpe in 2nd quarter 1888 [England and Wales births 1837-2006, Henstead District, Norfolk County, Volume 4B, p. 207] and baptised in Swainsthorpe on 13 May 1888 [England Births & Christenings 1538-1975, Family Search Database, reference item 6 p55; FHL microfilm 1,911,760]. Her father is unknown.

When I started looking for Violet I found her living with her grandparents in Swainsthorpe in the England and Wales Census of 1891 and in 1901. By 1911 she should have been 23 but I could not find her anywhere, neither could I find any

Generation 1 (cont.)

evidence that she had died, do I wondered if she might have migrated.

A Miss V Andrews, aged 21, a domestic, was passenger to Quebec on the Empress of Britain, Canadian Pacific Line, out of Liverpool on 4 June 1909. [Passenger Lists leaving UK 1890-1960] Sorry but I did not write her ticket number and the printout did not show it. My source was Ancestry but I don't seem able to find that same list again.

Violet Andrews, age 21, a domestic. was on the arrivals in Quebec, Canada List for 23 July 1909. She was bound for what looks like "Bobubon Man". The discrepancy with the departure list is that the vessel is the Empress of Ireland.

In the 1911 Census of Canada, Violet Andrews, single, aged 23, born March 1888 in England, who migrated in 1909 was working for Jas K Noble and family as a domestic at 722 Broughton, Vancouver City, in the District of Vancouver, subdistrict 76, in British Columbia.

Violet Andrews, also appears in Residents Index 1800-2012 as follows:
12 June 1929 Manitoba, Marriage Index, 1879-1931, Spouse Adam Lawson, Marriage place Pilot Mound, Manitoba, Canada.

If this marriage is Catherine Sophia's daughter, then any further searches should be for a Violet Lawson, however there are more entries for Violet Andrews:
no date Saskatchewan, Canada, Residents Index 1800-2012, Residence Place Estevan, Saskatchewan, Canada, Casual Mention.
1932 Saskatchewan, Canada, Residents Index 1800-2012, Residence Place, Creelman, Saskatchewan, Canada, Resided.

1940 marriage date, at Torquay, Saskatchewan, Canada. No further information, including the name of her spouse, are given.

A followup report received on 4 Jan 2017 from Diane Clark shows the following:
Violet Andrews 1888-1977

Violet was born in Swainsthorpe in 1888 and baptised on 13 May that year. Her mother was Catherine Sophia Andrews[1]. Violet lived with her grandparents, William and Maria Andrews, until at least 1901 when she was recorded in that Census as their granddaughter[2]. By 1911 Violet would have been 23 years old and was no longer listed with her grandparents in the census. Research has been unable to reliably locate her in any census record in the UK for 1911, neither has it been possible to find a marriage or death entry that could be attributed to her. On the other hand, a Miss V Andrews, aged 21 years, sailed for Quebec, Canada on the Empress of Britain, out of Liverpool, on 3rd June 1909. Her occupation was "domestic" - in other words she was a servant. This could very well have been Violet[3].

If the passenger, Miss V Andrews, was William and Maria's granddaughter it seems that she went to Canada before her second cousin Albert Dack and her cousins Russell and Horace Andrews, who migrated in 1910 and 1911 respectively. A Violet Andrews, aged 21, arrived in Quebec, Canada on the Empress of Ireland on 23 July 1909[4]. This Violet Andrews was also a domestic and planning to work as a domestic in Canada. Her destination was Manitoba. Given the difference in the name of the vessel, the question arises as to whether there were two women named Violet Andrews, both domestics and both 21 years old, travelling to Canada in the summer of 1909 or are they the same person? If the latter, why would Violet be transferred from the Empress of Britain to the Empress of Ireland in Liverpool without any change to the Empress of Britain passenger list? On the other hand

Generation 1 (cont.)

entries in the passenger lists were often wrong so the person who entered the name of the ship may well have made a mistake between one Empress and the other. This dilemma has not been resolved.

To add further confusion to the whereabouts of Violet Andrews, an Ellen Andrews and a Violet Andrews, both of Norfolk, were listed as passengers on the Tunisian out of Liverpool, arriving in Quebec, Canada on 31 August 1906. Their ages are not given and their occupations are illegible[5]. Violet's aunt Ellen Andrews did not marry Ernest Jarrett until early in 1910, so it is always possible that she accompanied her niece to Canada in 1906. Ellen was close to Violet's mother Catherine because it was to Catherine she went when her baby Ellen Mary was born in 1911.

The 1911 Canadian Census records a Violet Andrews, born 1888 in England and migrating in 1909, working as a domestic for the Noble family in Broughton, Vancouver[6]. Violet's cousins Albert, Russell and Horace were working at Tribune near Estevan, Saskatchewan in 1911, where they remained until moving to the lumber camps of British Columbia in 1914[7]. This information, however, does little to resolve the dilemma of the identity of this Violet Andrews, although it appears that this Violet Andrews is the person who sailed on the Empress of Britain out of Liverpool in the summer of 1909.

On 12 June 1929 a Violet Andrews married Adam Lawson at Pilot Mound, Manitoba, Canada[8]. There is no mention of their ages, but if this was William and Maria's granddaughter Violet, she would have been 41 years old.

Other references to Violet Andrews in 1932 and 1933 in the Saskatchewan, Canada, Residents Index could refer to any of the Violet Andrews's mentioned above. They do not refer to Horace Andrews and Annie Coe's daughter Violet who was born in 1927 and married in 1948[9] because the "locations do not fit"[10]. Horace and Annie's daughter Violet was William and Maria's great granddaughter.

What is most likely is that William and Maria's granddaughter Violet Andrews married Willie Firth Whiteley on 3 September 1920 in New Westminster, British Columbia, a city that is now part of the Greater Vancouver Regional District[11]. A year later, when the 1921 Census of Canada was taken, Violet and Willie Whiteley were living in the Burnaby sub-district of New Westminster. The writing on the Census form is extremely difficult to read but it seems they were living on 8th Street in the township of "Kofp Black". Willie was 38 years old and Violet was 34. According to the Census record Willie and Violet migrated from England in 1905 and 1909 respectively, adding credence to the suggestion that Mrs Violet Whiteley was the Violet Andrews who was listed on the Empress of Britain passenger list in 1909. Willie may have been a widower when he married Violet, although no previous marriage has so far been found. The Census document has 2M for his marital status which apparently meant married twice or widowed. His occupation was gardener although the script makes it difficult to determine if he was employed at the time. Violet was not working outside the home.[12]

Willie Firth Whiteley was born in Barkisland, West Yorkshire in England in 1883. By the time the 1891 Census was taken his mother, Martha, was a widow caring for 6 children. They lived at 16, Lane Side, Stainland with Old Lindley in West Yorkshire. Four of his older siblings worked as cotton operatives in the local cotton mill whilst he and his sister Lilly were termed scholars.[13] A decade later Willie's mother and her 6 children still lived in Stainland with Old Lindley, but their address was Beech Street. Willie and his sister Lillie had joined the workforce, with Lillie a cotton reeler and Willie working in the dye works.[14]

Generation 1 (cont.)

Work in the mills was hard and subject to booms and slumps, so it may have been to escape one such slump that Willie sailed from Liverpool on the Lake Champlain to arrive in Montreal, Quebec, Canada in September 1904. [15] It is interesting to note that the occupation of W. Whiteley, aged 22 was given as "farmer" on the outgoing passenger list from Liverpool, whilst Willie Whiteley was said to be a "labourer" when he arrived in Canada a few weeks later.

Exert from UK Outgoing Passenger List for the Lake Champlain out of Liverpool, September 1904.

Exert from Canadian Passenger Lists for the Lake Champlain arriving Montreal, Canada, 17 September 1904

How Willie and Violet met is unknown or what they did for a living remains the subject of speculation. It seems unlikely that they had children as they were both in their mid to late thirties when they married; neither has it been possible to find children in the records. Willie died in New Westminster on 16 September 1942.[16]

The Canadian Lists of Electors for 1945 and 1949 recorded Violet Whiteley, widow, living at Apartment 12, 732 Agnes Street, New Westminster, British Columbia.[17] Almost twenty years later, Mrs Violet Whiteley, widow, lived at 15th Avenue Burnaby Coquitlam BC, also part of the Greater Vancouver area. In 1965 she was still at the Coquitlam address but was also described as a housekeeper, although no occupation had been given for her in the earlier electoral lists.[18] It seems highly likely that this was Violet Andrews Whiteley because her death at age 90 was recorded on 7 April 1977 in New Westminster, British Columbia, Canada.[19]

The question remains however: was Mrs Violet Whiteley the granddaughter of William Andrews and Maria Dack from Swainsthorpe or another Violet Andrews altogether? Maybe her true ancestry will always remain a mystery

The following was received from Diane Clark, 21 Oct. 1015:

Without wanting to bore you further it also appears that Mary Jane Andrews, 1874-1948, another younger sister of Charles and William Andrews, our ancestors, also had an illegitimate daughter, Alice May 1893-1954. William and Maria cared for her until she went into service at the age of 17 in Thorpe St Andrew near Norwich. It appears that Alice met a young farmhand, William Tooke, who was lodging with her Aunt Catherine Sophia, William migrated to Western Australia in April 1913 to be followed by Alice in October 1913. They married shortly after Alice arrived in Australia on 1 December 1913. They appear to have raised a largish family and lived out their lives as farmhands and then farmers in the Bunbury area of the south-west of Western Australia. The irony of this part of the Andrews saga is that my husband, son and I plus my parents lived in the same area of WA from 1879-1984 and none of us knew that we had relatives living the area. My mother, born in 1912, never knew she had cousins in either Canada or Australia. I will send the rest of the Australian saga when I've finished unravelling it.
