Final Version

Introduction

This version of "Hodgins -- Kindred Forever" is being produced since the original book is out of print and many wish to have a copy for their own personal use.

The PDF version allows those who have a copy to view it with Adobe Reader or any other PDF reader rather than printing a hardcopy. Since updates are a continuous and ongoing process a hard copy is obsolete before it is printed and the electronic form in PDF format saves on the forest and costs of printing. A hardcopy version of the book would be \$100-\$300 and is obsolete in a very short time and the shipping cost would also be considerable.

This version of the book has been divided up into chapters. The individual branches of the Hodgins in the book are all connected together my means of an unknown Hodgins as the parent and that connects back to the main line called 00Root-Hodgins.

The final major chapter used to be a Custom Report which shows all persons with the surname Hodgins whose parents are known or unknown. This report is generated by making a list of all persons with the surname Hodgin. The list is then sorted first by Parentage and secondly by given name. This makes all those with unknown parentage appear at the beginning of the list for ease in locating them for further research. The section of this report with only the ones with no parentage has now be moved to the HKF scanned book section of my webpages.

A new tool has become available to the genealogy research community with the use of Y-Chromosome DNA testing on a male member that bears the surname of Hodgins or other variations that are shown at the beginning of a Branch. So far, those who have come forward for Y-Chromosome DNA testing are one member from Branch-1 and few members from some of the other Branches. See the notes at the respective groups for a link to the DNA results. Other branches of the Hodgins lines are encouraged to have their Y-Chromosome DNA tested so that more information on the lineage of each branch may be determined. Any males having this test are suggested to order the 37-Marker test as a minimum but the 67-Marker test would be better if you are trying to establish your connection to a line that has already had a 67-Marker profile established.

It appears that some people have a great fear of having their Y-Chromosome DNA tested. What this fear is about is unknown but some of the comments I have heard range from: 1) maybe it will find that I am illegitimate. 2) someone will be able to track me by my DNA, etc. The last one is absolutely false as Y-Chromosome DNA has nothing to do with the DNA testing done for criminal cases. The illegitimacy question may be true but it has a much higher probability many generations back and not with the person being tested. In a lot of the cases if one reads the Hodgins Kindred Forever(HKF) book by Lester, connections are made based on speculation and not fact so totally unknown Hodgins line can be connected to what appears to be a complete tree of Hodgins descendants. It will only be by doing testing that one will determine if the connections that were made in HKF were correct or not and the testing will only tell if a completely different line with major differences was connected in error.

The next section contains a link shown between the "" marks and by double clicking on any of the text within that section when in your PDF reader will take you to that page provided you are connected to the internet while using your PDF reader.

Clearly indicate the name of the person and dob/dom/dod who is included in the book and from this data I am able to determine where the corrections are to be applied. Do not use the numbers indicated by the persons name in either WorldConnect or a PDF version of the book as those numbers were only valid at the time when the document was produced and change with any additions or deletions from the data.

Thank you.

Special thanks to all of those who have contributed to the information in this book. The original data was from Lester's book but since that data was entered in the 3 month period from Nov. 1996 to Jan. 1997, many others have added their data. Special thanks to all especially:

Alfreda Veensta who freely shares her Hodgins database with me.

Dr. Ken Hodgins who so graciously has given me his book "Hodgins -- Kindred Forever" so that I might have a copy as people make requests and I can go back to the original source for additional information. A scanned version of Lester's Book is now available at Hodgins Kindred Forever Click on this link to have the book available when reading this eBook document.

Many people who view the reports in this book may not be aware of how to find their way through the list of persons. The following description is an attempt to clarify some of the points. To aid those trying to read the contents of the genealogy reports shown in this book, the following aids are suggested.

1) Look for your name in the index found at the end of the book. If there is more than one page number indicated then the first one is where you are shown as a child of your parents, the second one would be the page where you are a parent, and the remaining pages is where you are shown on the page where one of your childrens families are being given and you are shown as their parent. Additional pages may be present from special reports that are included in the book.

2) The following example of a section of a report showing my parents is being used to explain what the format is for information in the reports and how to find your way through the maze of information.

Descendants of Edwin Henry Krause

Generation No. 1

1. Edwin Henry1 Krause (Carl Gustav WilliamA, JohannB, GggfC, ?D, Branch-One-AE, Branch-OneF, Schlochau-BranchesG) was born 05 June 1911 in 34-18-2 W3 Thunder Creek P.O. , Parkbeg, Sask, and died 19 January 2003 in Moose Jaw, SK. He married **Hilda Annie Andrews** 01 January 1938 in 34-18-2 W3 Thunder Creek P.O. , Parkbeg, Sask, daughter of Horace Andrews and Annie Martins. She was born 28 July 1919 in 17-16-29 W2 Caron Municipality, SK.

Notes for Edwin Henry Krause:

 Photograph taken about 1992

More About Edwin Henry Krause:

Burial: 24 January 2003, Rest Haven/Sunset Memorial Cemetery, Moose Jaw, SK

Children of Edwin Krause and Hilda Andrews are:

- + 2 i. Arnold Edwin² Krause, born 18 February 1939 in Moose Jaw, SK.
- + 3 ii. Marlene Gwen Krause, born 18 September 1940 in Moose Jaw, Saskatchewan, Canada.
- + 4 iii. Barbara Anne Krause, born 01 March 1946 in Moose Jaw, Saskatchewan, Canada; died 16 April 1994 in Moose Jaw, Saskatchewan, Canada.

Working in reverse order if you find the number of a person and wish to follow them back you use that number and find them as a child with that same number which then shows the siblings and parents. This continues back to the beginning of the report for that family line.

The number 1 beside the persons name indicates the item number for that person in the book and is used to follow the descendency line from the first person down through the book. Each child is given a number that is dependant on the number of descendants of the first person in the report and is one larger then the person from the previous generation or family. Each child within that family has a number that shows the birth order. If a + sign appears previous to the number then that indicated there is a page where that number will be shown as a parent and the pattern continues. When one looks at a given family, then the desendants of a certain parent are all grouped together. For example, if the parent is number 25 and the ten children of this family are numbered 70 to 79 then as parents they will all appear in the section where the parents have the numbers 70-79. However, the children of these families will have numbers depending upon the number of descendants of all persons. If additional members of any family are found then all numbering changes from that person on so the number for the person should never be used to designate any errors or updates that may be required. Full name of parents, dates of birth are the way to designate any person that requires changes.

The names shown in () after the person shown at the head of the family unit shows the descendency line from the parents of that person back in time to the earliest known ancestor or pseudo-ancestor in some cases.

If you see some special information shown in the form `<a target="_blank" href=....` then that means this information is a link to a URL where further information is available if you are on the internet and viewing the book with a PDF reader or if you are looking at that persons information in the main database at WorldConnect. This allows photographs and other genealogy information to be made available to anyone viewing the book. However, this extra information is not available in the book if you print it in hardcopy form.

This book is dedicated to
all of the people who have contributed data
and
All those who have passed on.

A. E. Krause,

This is a final version of the eBooks that have been available from my website as the genealogy program that I have used to produce these books has reached a limit and can no longer be extended or corrected. However, I still keep doing genealogy but have to use a different version of the software but it does not have the capability to produce eBooks. In the future, I may have to change to a different genealogy program that can produce eBooks but I cannot depend on that happening.

Descendants of (00Root-Hodgins)

Generation No. 1

1. (00Root-Hodgins)¹ was born in (See additional information for details), and died Unknown in (Sources of information and references).

Notes for (00Root-Hodgins):

This information on the Hodgins Tree is taken from the book "HODGINS ...KINDRED FOREVER". The main author of the book was Lester Hodgins of Vancouver, B.C., Canada. According to information given to me by a Helen (Hodgins) Rennie, of Saskatoon, SK Lester was blind from age two. The fact he was blind makes it even more remarkable that he was able to achieve as much as he did in putting the information together for this book on the Hodgins ancestry.

As a contribution to Genealogy and the memory of Lester HODGINS, I have entered all of the information in this book into this data base and made it available to WorldConnect as a means of distributing the data in an electronic form.

This has been no small task and has taken from November 16, 1996 to January 23, 1997 to enter the information for approximately 14,000+ members of the tree. There may be errors in transcribing the data and there are surely errors in the data as Lester pointed out in his book. If errors are found, I would appreciate it if people would contact me through the appropriate channels so that the necessary updates can be continued.

The lineage of many groups has been shown by giving each branch an ancestor. If a branch starts with a "?" or multiple "???"s then one must not assume that this branch is a descendant of the branch that contains the lineage showing a "? Hodgins". This method was used to allow a descendant tree to include all branches of the "Hodgins lines" without allowing multiple trees. The notes for certain individuals indicate that they are being placed in this lineage until the proper lineage is found. If you are a Hodgins descendant and know the proper lineage then please send an email message to the name shown at the end of this note. Your help will be very much appreciated as this electronic form of the Hodgins tree is no small task.

NOTE! The names of persons are shown hyphenated. This was done originally by Lester and was continued in the electronic form of the data as many people in one family would have the same first name and a different second name. Without the hyphenation complete disaster resulted by having all the people called John in a single family.

There are many notes of additional information added to the data. This is as an assistance to people who have the book, "HODGINS ...KINDRED FOREVER", and also a means of finding the many inconsistencies that were found in the book. The fact that this book was put together without the use of a computer and the required programs to keep track of the relationships of all the individuals is remarkable and a real tribute to the mental capacity of Lester and his handicap or maybe it was an asset for him as compared to normally sighted persons.

Analysis of the Hodgins data file as of Jan. 22, 1211 shows the following results when a Genealogy report is produced:

Number of Generations	Highest numbered Individual	Number of Pages in Report (legal size)
08	1080	81
09	1432	106
10	2120	152
11	3710	246
12	6159	381
13	9073	522

Hodgins -- Kindred Forever

14	11888	657
15	13547	744
16	14165	778
17	14227	781
18	14235	782

Note: Spouses are not included in the numbering.

When this file was analyzed on 24 Jan 1998 the results for 17 generations gave 8368 individuals and 314 pages.

The number of generations in this report can be found by looking on the last page of the report. The small superscript number immediately after the persons name gives the generation number.

A. E. Krause plus the many other contributors to family trees. Many do not even know that they have contributed.

Children of (00Root-Hodgins) are:

- 2 i. Branch-01² Hodgins (Source: DNA ancestors and Profiles, *Hodgins DNA Project*, "Electronic."), died Unknown; Adopted child.

Notes for Branch-01 Hodgins:

DNA testing of this line has shown the following results for Kit#75764, Haplogroup I2a.

- 3 ii. Branch-02 Hodgins, died Unknown; Adopted child.
- 4 iii. Branch-03A Hodgins, died Unknown; Adopted child.
- 5 iv. Branch-03B Hodgins, died Unknown; Adopted child.

Notes for Branch-03B Hodgins:

Y-Chromosome DNA tests have been done on two descendants of this line. For a 25 Marker test, the first 23 were exact matches and only the 24 th & 25th marker differed. Haplogroup R1b1b2

One person shows that a 37-Marker test has been done, this is the Hodgins-Sims name but the other one still only has a 25-Marker test and the results at Ysearch still show a genetic distance of 2 while the Hodgins Surname Project does not show the 464c mutation that has a distance of 2 at Ysearch!!!!

- 8 vii. Branch-06 Hodgins, died Unknown; Adopted child.
- 9 viii. Branch-07 Hodgins, died Unknown; Adopted child.
- 10 ix. Branch-08A Hodgins, died Unknown; Adopted child.

Notes for Branch-08A Hodgins:

Some researcher have made the assumption that this branch is from the Belledune Hodgins line that immigrated in 1821. This seems highly improbable as William married Sarah Ludlow in early 1821 or possibly 1820 and the Belledune Hodgins line did not come until sometime in 1821. The more likely immigration path for William Hodgins is via the Military base that was on Campobello Island as that is where his wife Sarah Ludlow was born. More research is required on this.

One possible method that could be used to determine what Hodgins line that these Hodgins families descend from is to use Y-Chromosome DNA analysis to determine the profile and compare it to other

Hodgins -- Kindred Forever

Hodgins lines that have been tested as well. This will take a the co-operative effort of several people to determine what line they descend from. The best approach here would be to use the 37-Marker test as any test with fewer markers would only be useful if the Haplogroup was completely different for this branch.

- 11 x. Branch-08B Hodgins, died Unknown; Adopted child.
- 12 xi. Branch-09 Hodgins, died Unknown; Adopted child.

Notes for Branch-09 Hodgins:

Y-Chromosome DNA tests have been done on two descendants of this line. One member is from Br-09A and the other is from Br-09B. Note the difference in surnames as one is Hodgins and the other is Hopkins. Since 64/67 Allele Markers are identical it indicates a common ancestor with a surname that could be either of the two indicated. The ones that differ are: 389-2 = 33, 32; 557= 14, 15; and 444= 14, 13 . When the time to a common ancestor is analyzed with a FTDNA TiP report, the 50% probability is about 6 generations back in time which indicates that the common ancestor is recent.

She went to live in Cleveland, Ohio. Elizabeth married a German Admiral, and he took her home to live in Germany. She was in her late fifties when Hitler came into power and both the admiral and his wife were put to death. NOTE: The information that she married a German Admiral and was killed in Germany appears to be in conflict with

Notes for Gladys Sarah Hodgins:

The following was receive from Judith Muskoka, 18 Oct 2018:

"GLADYS HODGINS and WILBERT LUKER

Gladys Hodgins (1894-1984) was born and grew up on a farm (Lot 14, 3rd Concession) in Biddulph Township. After attending Alma College in St. Thomas she met and married (June 18, 1921) Wilbert Luker (1884-1953) a roofing salesman. He courted her in a horse and buggy. They made their home in London, Ontario at 43 Becher St. Their residence was a 3 story traditional home on the corner of the Ridgeway and Becher Street.

Wilbert became an agent for the Prudential Life Insurance Company. During the depression, he was one of the few who was able to make a decent living due to his low key approach and affable personality.

After 11 years of marriage, Gladys gave birth to twin boys, Samuel and Richard. At the birthing as the first twin emerged, Gladys was reported to have said, "Thank goodness that is over." The doctor replied, " You are not through yet, Gladys."

Gladys did not know she was having twins. She always said that it was the hairy one, Sam who emerged first. Sam had a lot of dark hair, while Dick was very fair and had little hair. The birth certificate, however, has Dick as 11 minutes older than Sam.

As the twins were growing up there was a series of live-in maids in the Luker household. The most memorable for Sam was Helen Hodgins a farm girl and Gladys' niece. Dick recalls more vividly their French maid from Quebec, who was working in London hoping to improve her English.

Gladys and Wilbert were very sociable, going to dances and entertaining family and friends in their large home in London. Dick reminisced, "There were generally several Lucan people visiting us every week. They loved to talk about the old times. People just loved Gladys and Wilbert. They had many, many friends."

Dick commented, "We would always hold Christmas and have a great gang of Lucan people over. After the afternoon session, we always went to Aunt Flossy's or Aunt Pearl's."

Gladys and Wilbert purchased several other homes in London, Ontario which were an additional source of income for the family. Gladys went to church each Sunday at St. James Westminster and was proud of her Irish heritage and Church of England religion.

The Luker Family paid frequent visits to the Hodgins' family farm. They often stayed overnight and helped with small chores. The farm was 100 acres with crops and animals. Sam remembers hay being grown and seeing horses, cows, and chickens.

In winter, the Luker family would drive as far as Clandeboye and Gladys' brother Bill Hodgins would meet them in a horse-drawn Cutter. Dick shared, "We had a wonderful time riding in the big horse- drawn sled. We would meet in Clandeboye or Mooresville. Uncle would give us buffalo robes to keep the chill away. Often there would be 3 feet of snow." Bill would take the family by sled to the Hodgins' farm as the roads would often be impassible by car. He and his wife Lila had taken over the family farm. A number of Gladys' sisters also lived in the vicinity. Gladys' brother Jim also had a farm just down the road.

Wilbert loved to go to the fall fairs with his brothers-in-law. He particularly enjoyed the harness racing and prize cattle and horses on display. He also took his boys up to northern Ontario fishing. Sam and Dick agree that their father did not particularly enjoy the fishing but he did it for them. Wilbert preferred to go to Grand Bend to the Bossenberry Hotel for 2 weeks or to visit Port Stanley. He enjoyed sitting on the veranda in his

white shirt with his sleeves rolled up and feet on the railing. He would sit there reading the Globe and Mail and the London Free Press.

As the years went by, almost all of the 11 Hodgins' children of Sarah Catherine Crawley and Samuel Hill Hodgins moved into London.

Wilbert retired early partly for health reasons, but only enjoyed his retirement for 2 years when he had a fatal heart attack. His boys were only 21 at the time.

In her later years, Gladys enjoyed shows like Jeopardy which allowed her to answer skill testing questions. She remained very bright and alert throughout her life. She was a widow for 31 years until her death in her 90th year in Guelph.

The following was received from Judith Muskoka, 18 Oct 2018:

"LUKER

Gladys Sarah Hodgins (1894-1984) married Wilbert Luker (1884-1953) when she was 27 and he was 37. She was one of Sarah Catherine Crawley (1857-1939) and husband Samuel Hill Hodgins' (1846-1919) 11 children. Gladys grew up on a farm in Lot 14, Concession 3, Biddulph Township. She attended Alma College in St. Thomas, Ontario before marrying. Wilbert grew up Lot 5, North Boundary, Biddulph Township and was with the Canadian Army Veterinary Corps during WW1. After 10 years of marriage Gladys and Wilbert had fraternal twin boys named after their grandfathers (Samuel Hodgins, and Richard Luker) and a great grandfather (Robert Luker). Samuel Robert Luker and Richard James Luker still debate over which twin is the older. Sam and Dick were, it is thought, the first set of twins in the gifted program that they attended at Empress Public School in London, Ontario. They both skipped 2 grades and graduated at 15 years of age from high school. They then went to London Normal School. After graduating, they taught all 8 grades in 1 or 2 room schools very close to each other in Essex Township (Sam-Elmstead PS) and Dick-Maidstone PS.) At Teacher's College, Dick met and fell in love with Anne Gertrude Taylor from Windsor. Anne and Dick married, made their home in Windsor, and had 2 children Leslie and Tim. After 2 years of teaching, Dick switched professions and became a banker in Detroit. He worked for First Federal Savings in Detroit where he became a Vice President. Sam is quoted as saying, "Dick made all the money but I had all the fun." Dick was known far and wide for his interest and knowledge of Dixieland Jazz. He often would lend records to the Detroit radio station and wrote for several jazz magazines.

Sam and Dick's father died of a heart attack when they were 21 and left their mother Gladys a widow for 31 years.

After teaching a year in Windsor and a year in Lucan (1953/1954), Sam went on to attend the University of Western Ontario. He majored in English and Philosophy, then Psychology. In his fourth year he was awarded the gold medal. He continued on in Psychology and obtained his Master's Degree with the future goal of becoming a Clinical Psychologist.

While an undergraduate, Sam met a young nurse named Melva Moreen Murphy from Midland and they soon married. After graduation, they moved to Port Arthur (now Thunder Bay) where he was Chief Psychologist for the Board of Education. Wanting to get closer to their families after 2 years in the North, Sam and Melva moved to Don Mills where Sam was a School Psychologist with the York Board of Education. Sam and Melva then made their final move to Guelph where they raised their two daughters, Judy and Jana. In Guelph, Ontario, Sam was Chief Psychologist for the Wellington County Board of Education. After eleven years with the Wellington Board of Education, Sam moved to the University of Guelph first as a Professor of Family Studies and then as Chairman of Part-Time and General Studies. He took early retirement from the University of Guelph in 1987 and worked in private practice for several years.

Sam and Melva have travelled extensively before and after Sam's retirement and they aren't finished yet. They have been to 87 counties on all 7 continents. Their latest trip was to their great nephew's wedding on Vancouver Island. They currently live with their daughter Judy and son-in-law Dave in Muskoka.

Sam has done testing with AncestryDNA, Family TreeDNA, LivingDNA, and 23&meDNA and Dick with AncestryDNA and Family TreeDNA. They are also on Grdmatch:Sam-A880628 and Dick-A338719.

Both Sam and Dick are very proud of their Irish Heritage.????

Notes for Thomas Hodgins, Jr.:

"Hodgins --- Kindred Forever", Chapter 8, p21 states the following:

"It is presumed that Thomas remained at Templemore, Ireland, where more than one family of Hodgins worked on the big estates, one of whom may have been the Carden family."

The Tasmania, Australia, Hodgins line from family history are related to the Carden family, no proof just part of family stories. It is for this reason, that Thomas Hodgins who went to Australia is being connected as the son of Thomas Hodgins and Eliza Deacon. More research required(AEK)

The following is from an email received from Mary McKinlay in Tasmania, Australia:

"Hodgins-Kindred Forever". , Chapter 8 Page 21. I am 99% certain that this Thomas Hodgins Junior is my Thomas. It appears that Lester did not know very much about him when compiling the book. I know for a fact that my Thomas worked in BarnaneTipperary for the Carden family (which Lester mentions here) as there is documentation here to prove this. However,it was stated that Thomas was a cousin of the Cardens and that he worked there until Woodcock Carden became of age.

The cousin relationship is not proved although Arthur Carden, with whom I am in constant touch, would be quite willing to accept the relationship if proved.

It is very mystifying that every member here of Thomas's family knows about the Carden relationship but no one can prove it definitely. Most frustrating!

The other strange thing is that Lester has my Thomas married to Eliza Deacon whereas the Family Bible and oral family history has her name as Eliza Lee from Clonmel.

Thomas left Barnane when Woodcock Carden came of age and emigrated to Victoria Australia however disastrous bush fires wiped out his property and it was then that he decided together with his family to come to Tasmania and he settled here for life. His son,Thomas Joseph returned to Victoria, hence the Victorian cousins of mine who still reside there. They come from Alfred who is mentioned in the book.

The only mystery is the original Thomas's brother,William, who came to tasmania but no more is heard of him and no death or marriage or any entry appears for him. I do wonder if he returned to ireland and became one of the many Williams who are mentioned.

We are also enclosing a page of photos of Eliza (or Elizabeth) Hodgins nee Lee from Clonmel. Arthur Carden has also looked for the marriage of Thomas to Elizabeth from Clonmel as he makes frequent trips to ireland but so far without success.

Thomas and Eliza's son Adam was my great grandfather and was very wealthy in property here in Hobart. A

nice story which you might like to know was that he was found dead in bed with the light still burning ,his glasses on and the book he was reading had slipped down into his lap. The book was titled "Ships which pass in the night"!

I do hope you will be able to ascertain that I have the right Thomas.
I will be anxious to know if you agree with me.? Mention of the Carden family has helped.

Looks like all the Hodgins keep the same names for generations!

Kind regards Mary

45. Mary Prittie⁶ Hodgins (John⁵, James⁴, Robert³, James², James¹, Tom^A, ?-1^B, Branch-01^C, (00Root-Hodgins)^D) was born 23 December 1788 in Tipperary, Tipperary Co., Ireland, and died 15 January 1879 in Biddulph Twp., Middlesex Co., ON. She married **Francis Ryan** (Source: *HKFbLH*, Chpt 118, p341-344.)

1806, son of Thomas Ryan. He was born 1783 in Nenagh, Tipperary, Ireland (Source: *1851 Census, Biddulph Twp., Huron Co., ON*, p11..), and died 08 April 1856 in Biddulph Twp., Middlesex Co., ON.

Notes for Francis Ryan:

The parentage of Francis Ryan is a cloudy issue. HKF, Chpt 118. p341, shows the father as Thomas Ryan, wife is unknown. However, further research that has been initiated by Murray Flotre has turned up the following from an email received 28 July 2012:

I had Anthony Adolph from England do a bit of research on the Ryans to try and determine who the parents of Francis Ryan (1783-1856) were. I was not convinced that it was Thomas Ryan and Bridget Hayes. His research gives a fairly good indication that it was Philip Ryan and Abigail Fletcher.

I have attached a copy of his rough draft. The contents of the draft are shown below:

We began this round of research for you by deciphering the handwritten pedigrees by Bruce Elliott that you had sent, and reading his reports: his genealogical mind seems excellent, but his handwriting was absolutely appalling. His sources included deeds and he had obviously seen marriage license bonds.

Francis Ryan was born about June 1783 in Nenagh, Co. Tipperary, and married Mary Hodgins, 1788-1879, who was born in Co. Tipperary on 23 December 1788, sister of Col. J.R. Hodgins, and daughter of John Hodgins from Finnoe, Tipperary, whose pedigree is known. Francis's children were William Henry, born in 1819, George (1820), John (1822) and Caleb (1829). The family emigrated to Biddulph, Middlesex Co., Ontario in 1835.

The family were Protestants. The family story was that at some time in the past they had lost land through being on the wrong side in a battle.

Francis had a brother Nathaniel Ryan born about 1788 in Mountsea, Limerick (and/or of Whitegate in the parish of Clonnish), who was buried in Castletownarra on 3 March 1835. He married first Mary Navin (by license in 1810) and had children Caleb (1816), Abigail (1819) and Katherine (1821) and then married Anne Bouchier of Mount Shannon (1797-1881) on 14 February 1825 (license) and had a daughter Maria (1831). There was allegedly a brother Philip who went to Australia.

Three opinions were offered as to who Francis and Nathaniel's parents were:

1. Thomas Ryan born 1748 in Lismore Co. Waterford who died on 12 February 1814, and his wife Bridget Hayes, 1744-1830 whom he married in 1770: she was daughter of Connor Hayes born in 1715 and Sally Butler born in 1720.
2. (according to Spencer Armitage-Stanley) they were the sons of an earlier Francis Ryan, who was the son of an Anglican clergyman in Tipperary.
3. (according to Bruce Elliott) the parents were Philip Ryan and his wife Abigail Fletcher, who married by license in 1778, he being then of Clonrush, Co. Galway (the parish containing Whitegate). Philip died on 28 November 1808 at Castletownarra, on the Tipperary side of the Shannon. Elliott wrote that the couple seem to have 'moved from north Tipperary across the Shannon to the Whitegate area, near Mountshannon Co. Clare [formerly in Co. Galway]'. Abigail's immediate family has been well researched: she was born on 14 November 1746 and baptised on 7 December that year at Nenagh and was buried on 29 May 1834 at Castletownarra, being a widow of Clonrush parish) – her father was Robert Fletcher and she had a brother Caleb. If Philip was the true father of Francis and Nathaniel then it was speculated further by Bruce Elliott that Philip was in turn son of John Ryan, of Carrigatoher and his wife Susanna White.

The 'Thomas and Bridget' option seems the least likely, simply on the basis of geography. As to option two, the clergyman, we searched in Canon Leslie's Clerical Biographies was searched for any suitable candidates. The only candidate who looked possible was:

Ryan, Philip: Born Co. Tipperary, son of Philip, Farmer. Entered Trinity College, Dublin, 1775, aged 17 yrs.

Rector of Lusk, Kilrossanty, Balrothery ... and Lismore, Co. Waterford
Married Letitia Paine of Dublin.

We checked the Dublin Diocesan Marriage Licence Bonds (1270-1858) and found an entry for the above couple:

Letitia Paine and Rev. Philip Ryan (1793)

Rev. Philip was old enough to have fathered Francis and Nathaniel Ryan, but if Letitia was his only wife, then the marriage is too late, as Francis was born about 1782 - so on that basis we are probably safe in ruling him out - though there is of course a good possibility that he was related to the Ryans of Carrigatoher.

That leaves option three, which seemed the most likely. A Catherine Fletcher appeared in 1851 with the Ryans in Canada. In addition, and most relevantly of all, Nathaniel called one of his daughters Abigail. Bruce S. Elliott, Professor of History at Carleton University, was a noted authority on Irish emigration to North America (Canada), and wrote extensively on Irish emigration, in particular, on emigration from County Tipperary in the nineteenth century. His was an opinion much to be respected.

The most obvious place to seek further confirmation of this were Church of Ireland registers.

The Church of Ireland registers of Castletownarra, Co. Tipperary were available. We searched the burials from 1840 back to 1802, the start of the register, seeking entries for any Ryans or people shown by Elliott to have been related to them. The following details were extracted:

1835 March 3rd. / Nathaniel Ryan of Whitegates, County of Galway, interred in Castletown Churchyard
1825 Oct. 26th. / John Ryan of Newport
1814 Feb. 9th. / Mrs. Susanna Ryan of Carrigatoher
1810 Nov. 21st. / Philip Ryan, Sergeant in the Tipperary Militia
1808 Nov. 28th. / Philip Ryan, Co. Galway
1804 May 7th. / George Ryan - no certain residence

Also, in the same register we noted:

1802 Oct. 10th. / Baptised, Arthur Fletcher, son to Minchin of Portroe

This adds a date of burial for Susanna, the wife of John, whom Elliott had down as your Philip's mother. Clearly, the Philip Ryan who was interred on 28 November 1808 was, according to Bruce Elliott, the Philip Ryan of Clonrush, Co. Galway, who married Abigail Fletcher in 1778, and they were the parents of Francis, Nathaniel (and Philip?). One might speculate upon the possible relationship between that Philip Ryan and the (Sergeant) Philip Ryan who was interred on 21 November 1810: the sergeant may have been Philip of Galway's cousin, or uncle - he can hardly have been his brother: if he was in fact Philip of Galway's son then he cannot have been the Philip who went to Australia.

One option for learning more about these people would have been newspapers. Unfortunately, newspapers published in Nenagh started much too late for the purposes of our research.

The other parish registers that might have helped, for places mentioned in connection to this family by Elliott, are not available:

C. of I. Parish of Nenagh, Co. Tipperary: Records destroyed
C. of I. Parish of Clonrush (Iniscaltra), Co. Galway: Records extant from 1851
C. of I. Parish of Monsea, Co. Tipperary: Records destroyed

We assume, at any rate, that Monsea is the "Mountsea" referred to by Elliott. There seems to have been no such place as "Mountsea" in Co. Limerick or Co. Tipperary, but there was a townland of Monsea, in the Civil Parish

of Monsea, Barony of Lower Ormond and Poor Law Union of Nenagh.

We now turned to deeds. These are at the Deeds Registry in Dublin, and constitute a major source for better-off families, in the absence of earlier church registers. We searched the index to grantors' names from 1800 through to 1839, seeking references to deeds registered in the names of "Francis Ryan", "Nathaniel Ryan" and "Philip Ryan". There were many for Francis Ryans and only two entries for Nathaniel Ryans; the corresponding memorial deeds were examined and checked for relevant information.

None of the deeds citing grantors named Francis Ryan appeared to have any obvious relevance to the search at hand; no familiar names or places were cited. The two deeds registered under "Nathaniel Ryan" appear to concern the interests of an individual named Nathaniel Ryan of Dublin City. Both deeds concerned dwellinghouses in the city, and one of those deeds included his wife's forename, as follows:

1835 Vol.5 No.242 Ryan to Cunningham and others
Deed of Assignment dated 20th. March 1835 and made between Rev. William Gore of Queen St., Dublin City, surviving Executor of William Lyons, late of John St., Dublin, deceased, Patrick Dalton of Denzille St., Dublin, Gent., and Mary Dalton, his wife, Anne Robbins, Anne Ryan and Nathaniel Ryan, the husband of said Anne. The said Anne Robbins and Anne Ryan are the administrators of the estate of John Robbins, deceasedassignment of a dwellinghouse in Francis St., Dublin City

Ironically, this deed was made 20 days after your Nathaniel of Whitegates, Co. Galway, was buried: on checking further we established that this Dublin Nathaniel died in 1867. He may have been a son of your Nathaniel, but he was not the Nathaniel in question.

As to deeds for Philip Ryans, we examined those that were found, but found nothing that would tie any of the individuals concerned to the family in question.

We also searched for deeds registered in the name of "Mary Navin" (the name of Nathaniel's first wife), or which were registered under "Navin to Ryan", from 1805 to 1815. We found a reference for a Mary Navin (granting to a man named to Cretchley) and examined it, but it does not seem to be relevant.

Now we turned to the separate index that concerns the lands mentioned in deeds. We searched from 1810 through to 1825, seeking references to deeds registered under grantors or grantees surnamed "Ryan" relating to the following lands:

Co. Tipperary: Carrig(a)togher
Monsea

Co. Galway: Mountshannon
Whitegate(s)

There were many Ryan deeds listed under the above lands. Most of the corresponding memorial deeds were examined briefly. We found no deeds citing Francis Ryan or Nathaniel Ryan or Philip Ryan as grantors or grantees. Many of those deeds concerned land conveyances made by a grantor named "John White Ryan" of Carrigatogher (in the civil parish of Burgesbeg and Church of Ireland parish of Castletownarra) Co. Tipperary. It would make sense if this John White Ryan was a son of John Ryan and Susanna White of Carrigatogher, and therefore a brother of Philip.

Searches were made to try to locate a possible will of John White Ryan in hopes of finding a mention of either Francis or Nathaniel, or both, as a nephew (or nephews) of the testator. We searched the various indexes to extant wills and will abstracts at the National Archives of Ireland, but found no entry for a "John White Ryan". Some entries for "John Ryan" were investigated further for a precise address, but none of those checked had an address in Carrigatoher, Co. Tipperary.

This is what we have been able to find in the first round (£425) – not very much, I will admit readily, but we

have been able to quash one view of Francis and Nathaniel's parentage – that they were sons of a clergyman – and have added a little to what we know about their most likely ancestral family. If we can now build upon these foundations, so much the better. There are other places where we can seek wills, or abstracts of wills. If we could find John's will, it might confirm the pedigree. Also, we could try searching for eighteenth century deeds relating to Ryan families at Carrigatoher and some of the other relevant townlands. Rosemary ffollott's Index to Biographical Notices in Newspapers of Limerick, Ennis, Clonmel and Waterford, 1758-1821 is perhaps another relevant source we could use, and it would be worth examining The Fletcher Families of South Central Ireland (by Patrick E. Fletcher), in case Abigail Fletcher and her family are mentioned there. Otherwise you may prefer us to turn to your English and Welsh ancestors in the next round, as generally records here are much better preserved than in Ireland, so prospects for research are automatically somewhat better.

The following is from an email from Alfreda Veenstra, received 29 July 2012:

Well. Lots of speculation.

I believe there is a saying that a person has to leave home before they can be considered an expert in a field. Around this part of Ontario that seems to be the case for Spencer Armitage-Stanley. There have been some causes to question some of what he recorded as being fact regarding the Hodgins family. As with any research his is a good place to start but you need to do your own research to prove him right or wrong.

Bruce Elliott is referenced quite often by researchers who believe his work to be accurate. I have read a couple of his books and have found registrations to prove what I was interested in. However I have not had reason to spend hours proving all of his research.

In my database I have the father of Francis and Nathaniel as being Thomas Ryan of Mountsea, Tipperary, Ireland. I do not have the mother recorded. I have Francis children listed as: Nathaniel, William Hodgins, John, Caleb and Catherine. This does not match with what is in this letter. In the letter they are recorded as William Henry, George, John, and Caleb. No Nathaniel and no Catherine. In the letter they refer to Nathaniel's first wife as Maria Navin where my record shows Maria Nevin. Either could be correct with spelling the way it was in those days. People seemed to change how their names were spelled with the change in clergy. Their children I have as Caleb, Abigail and Catherine where the letter records them as Caleb, Abigail and Katherine. His marriage to Ann Boucher produced a daughter Maria which my records agree with. I did not have a brother Philip recorded but have added him as a third child. Interesting that they say he went to Australia.

From what I see in this letter there seems to have been research of actual church and land records. This should indicate that there is probably truth in what they have searched. However there are so many missing records before 1850 in Ireland that I don't like to say one way or another that something is 100% correct. What they have found does seem plausible.

Do I begin changing the early information as to parentage? I would think from the numbering that I have for these people that the father listed as Thomas must have come from HKF.

The letter certainly gives us food for thought.

Alfreda

From Alfreda Veenstra, 30 July 2012:

I have also added this information to the file for the father of Francis, Nicholas and Philip Ryan. I will change Thomas to Philip and add his wife Abigail Fletcher. As I have the information in the notes if we do find at some date that this is incorrect I can revert back to Thomas.

Reading the letter I agree that the father being Thomas is the least likely possibility. With the naming of the children and grandchildren I feel the Philip and Abigail connection is also the more likely choice.

If they do it is only to indicate that the info found in the 1871 census must be wrong. Maybe it is but upon looking for a John Hodgins b 1797 +/- 2 years , in Ireland, in the 1851 census there are none indicated in the Ancestry.com images. This does not mean that a person by this name does not exist, it is only that nothing is in the index of persons for the 1851 census for Canada West or East. If anyone has information that can be backed up by some sort of documentation then please send it to me at the email address indicated by this database or document. There has to be something available if John came with his two children, Ann and John, who according to information on their families were in Biddulph Twp., Middlesex Co., ON prior to 1851. Seems strange that the father would be anywhere else then in the same area but one never knows!!!! Both Carlton Co. and Middlesex Co. show nothing for anyone by the name of John, born Ireland that might possibly be the person we are looking for.

Notes for John Stout Hodgins, Sr.:
The following notes are from Alfreda Veenstra's database and are included here to show the findings for this family line:

John Hodgins spent many of his early years at Dromineer and was well acquainted with the sons of John and Mary (Prittie) Hodgins. He emigrated to Canada about the same time as some of the Dromineer Hodgins, and settled west of the city of Ottawa in Carleton County.

1819 - The Brunswick brought Tom Hodgins of CloghJordan as well as John Stout Hodgins from Ballymackey and Michael Hodgins from Newtown in Tipperary.

John Stout Hodgins was married in Ireland and several of the children were born there. They were living in Goulbourn township in the year 1831. They were living in Biddulph before the year 1835.

2006 November 2

February 21, 2000: This message from Alfreda Veenstra: Hello cousins A huge thank you to Deb Doucette who forwarded a letter from Clinton Thompson and to Clinton Thompson who has finally straightened out the John Stout Hodgins in my database. THERE ARE THREE! The first errors were made when the material was sent to Lester for his original book and information on the families got mixed with each other. Who could possibly lay blame to errors in this family who enjoyed confusing their descendants by using the same names over and over and over ... It is always wonderful to find a resource such as Clinton who was born in 1915 and has a very clear memory of these early families. What a treasure of information. In order to clarify this family I have now made some new notes in their files. We have: Castle Tom Hodgins who married unknown wife. Their son John Stout Hodgins (bc1823) married Ann Hodgins (bc1823) daughter of unknown parents. They had four AND ONLY FOUR children! 1851 CENSUS: John 28, Anne 28; Walter 7, Susan 5, Mary Ellen 3 and James 1. Source: Clint Thompson, February 2000. Clint's mother visited with this family at lot 28 concession 1, two farms south of Clandeboye. He was able to confirm the names of the husband of Ann Ellen and the wife of James from visits with them. John Stout Hodgins, son of John Hodgins and Jane Napier, married unknown wife. 1861 CENSUS Biddulph Township, Huron County, Ontario. Film C-1035 St Thomas Public Library. John Hodgins 38 Ire, Anne 38, James 16 CW, Alfred 12, Susan J. 11, Ellen 9, Elijah 4, John 2. His son John Stout Hodgins (bc1823) married Ann Hodgins (bc1823), daughter of Huntley John Hodgins and unknown wife. They had a total of nine children. I am still amazed that this John was named John Stout when all of his brothers and sisters have Napier as their second given name. Perhaps this is where the error began. Hope this helps those of you who were as confused by this as I was.

Alfreda

Notes for Ellen Stanley:

Old Pioneer Dead: By the death on Tuesday of Mrs. Thomas Green of Diamond the community loses one of its oldest citizens. Her maiden name was Ellen Stanley and she was born on board ship coming from Ireland nearly 91 years ago. Arriving in Canada her parents settled at Richmond. Deceased was married to Thomas Green ever since she resided on the 9th line Fitzroy. Her husband died 13 years ago when in his 88th year. The surviving members are Mrs. L. Heney, Smith Falls; Mrs. C. Carruthers, Mrs. G. Humphries, Carp; William, March, John, Thomas and Adam, Diamond. A brother John Stanley lives in the United States. Deceased has been in excellent health up to about six months ago when she began to fail owing to advanced age. Funeral takes place this (Thursday) afternoon at 1:30 o'clock from the residence of her son Adam to St. Paul's Church 9th line Fitzroy. Source: Carp Review, Carp, Ontario, Canada, 14 January 1909, Page 1, Column 2.

Notes for Thomas Greene:

The late Mr. Thos. Greene, of Diamond, whose recent death was sincerely regretted by a large number of friends around the county, was 85 years of age. He was born in the county Tipperary, Ireland, in the year 1811. He came to Canada in 1835, and settled in the township of Fitzroy, county of Carleton, and on November 2nd, 1841, he was united in marriage to Miss Ellen Stanley, who was a faithful helpmeet to him for more than half a century. When this country was in an almost primeval state he carved for himself and family a home, where he resided until his death. He was naturally of a retiring nature, unassuming in manner, yet sensitive in conscience and pure in motive and character. Because of his modest bearing and simplicity of tastes he did not press himself upon the attention of others, and yet his virtues endeared him to the church and the community. In the home he was an affectionate husband and a kind and thoughtful parent. In business his word could be relied upon, and being possessed of considerable wealth, his heart and hand often ministered to the needy and the distressed. In his religious life his piety was unpretentious, yet ever increasing in beauty and brightness. By his death the church has lost a wise counsellor and the country a just and upright citizen, one who feared God and eschewed evil. His illness was brief. Surviving is a faithful wife who now sits in the loneliness of widowhood and the shadow of a great sorrow, and also a family of seven, namely, John Greene, Thomas, Adam and Mrs. George Humphries, all of Diamond; Wm. H. Greene, of Marehurst, Mrs. Chris. Carruthers, of Carp, and Mrs. Luke Heaney, of Danford, Que.

Notes for John Stout Hodgins:
The following is from Alfreda Veenstra's Database:
We have: Castle Tom Hodgins who married unknown wife. Their son John Stout Hodgins (bc1823) married Ann Hodgins (bc1823) daughter of unknown parents. They had four AND ONLY FOUR children! 1851 CENSUS: John 28, Anne 28; Walter 7, Susan 5, Mary Ellen 3 and James 1.

The census entry shown above cannot be located in the 1851 online census and without any indication of what area the census was for, makes it exceedingly difficult to prove these findings(AEK-Jan 2010)

The notes shown in HKF, p246 has several errors and anyone using them must take note of the following:
1) The list of children of this John Stout Hodgins shows the name of Ann which is an error were it shold be Mary Ellen as shown from the census info above.

2) The explanation on the children are for the other John Stout Hodgins family that are shown on page 124 and not for this John Stout Hodgins.

Email from Pat Hoover, 15 Aug 2010:

On the back of photo I have – says ‘Mothers Aunt Hannah Eakins’ – written by my grandmother, when asking

her about it, she said Hannah was a Hodgins & I made the notation.

Idillla would not have known her as she was born in 1899.

Mother - was Mary Jane Alexander Aitken & my grandmother was Idillla Jean Aitken Carson

The parentage of Hannah Hodgins is unknown but based on the information from Pat Hoover, shown above, she is associated with the same group of Hodgins that descend from John H. Hodgins, Sr., of Limerick (HKFbLH, Chpt 74, p225). From this reference, it states that John had 4 sons and 2 daughter; however, nothing is shown for the daughters. Since Hannah Hodgins that married James Eakins, was married in Ireland and had at least three children born in Ireland during the time period from 1835 to 1834 then she is not a daughter of any of the son's of John that came to Canada in 1819. to keep her in this same family an additional son who stayed in Ireland is being shown as her father. This is being assumed until proven otherwise[AEK]

Notes for James Eakins, Sr.:

The Eakins family does not appear in the 1861 census for Middlesex Co., ON. The following family shown in the 1881 census for Strathroy, Middlesex Co.(East), ON may give some indication of the time of immigration of James and may also be a son of James??

The children in this family. age 18 and 20, are born in Ireland but the one 16 and younger are born in ON. This indicates that this family immigrated 1863-1865.

Notes for John Stout Hodgins, Jr.:

The family of Johnny-Stout Hodgins is a real problem as HKF shows him connected to two two different lines(See Chpt 85, pages 244-246 and also Chpt 45, p 123-124). This is an error and the only way to straighten this out will be to find some paper documentation that will show his true parents. Another possibility is to use Y-Chromosome DNA analysis to see if the mutations for the two different lines will give any information as to his correct line. This will be a big project and 67-Marker DNA analysis may be the only way to straighten the problem out.

Notes: Chris was sent to Canada to work on Robert's brother's farm at Kinloss. The bother was John Hodgins (b. 1838) Abbey was one of John's daughters. (b. 1879) I'm not sure who Master Jackie was but he must have been a child of one of Robert's brothers? There was a Jackie (b. 1912) but he was the grandson of one of Robert's brothers.

She was formerly Miss Margaret Ann Hodgins, daughter of the late Mr. and Mrs. Henry Hodgins and was born in McGillivray township on May 20, 1864. In 1889 she was united in marriage to Wm. Mrs. Penrice became seriously ill just a few days before her death. She was a devoted member of Trivitt Memorial Church and took an active part in all church work. She is survived by two daughters, Mrs. Fred Hodgins of Lucan and Mrs. Jack Lankin of London; also four sons, Tom, of Holland, Man.; William of London and Jack and James of Vancouver, B.C. The funeral took place from the home to Trivitt Church for service Saturday afternoon and was largely attended. Rev. Mr. Hunt, her rector, officiating. Interment took place in Exeter Cemetery. During the service Mrs. Dore and Mr. Middlemiss sang "In The Garden". The pall bearers were nephews of the deceased. Notes for John Stout Hodgins, Jr.:

The family of Johnny-Stout Hodgins is a real problem as HKF shows him connected to two two different lines(See Chpt 85, pages 244-246 and also Chpt 45, p 123-124).This is an error and the only way to straighten this out will be to find some paper documentation that will show his true parents. Another possibility is to use Y-Chromosome DNA analysis to see if the mutations for the two different lines will give any information as to his correct line. This will be a big project and 67-Marker DNA analysis may be the only way to straighten the problem out.

Notes for Elizabeth Ann Hutchinson:

The following email is from Phyllis Belliveau <phyllis.belliveau@sk.sympatico.ca>

I have searched the Census for Middlesex County back to 1851 and through to 1881. I was not searching for Joseph Hutchinson there but Mark West who was Anne Elizabeth Hutchinson's step-father and my great-great grandfather in my West family line. Anne Elizabeth was in McGillivray or Biddulph, I believe, because Mark had daughters still living in the area and had sent her, Lizzie, "out to the front" to work.

Mark West lived in McGillivray Twp.on the border of Biddulph, was a member of the Church of England, and had two wives buried in the St. James Cemetery at Clandeboye. Mark lived in Mc Gillivray for 20 years before his second wife died and he moved to Bracebridge where he met and married Faith Anderson Hutchinson, Lizzie's mother. Faith was in Bracebridge when Joseph was killed, not in Toronto. Joseph's father was Henry Htuchinson from Burton Coggles and Henry's father's name was Joseph. This Joseph died when Henry was three years old in 1819, in Denton, England.

Henry born 1816, may have had a brother named Joseph but the birthplace and the whereabouts of this "Joseph" are not known. The Joseph in McGillivray however was born in 1800 as the 1871 Census states and he was 71 years old. His birthdate of 1800 is at least 12 years before the marriage of my Joseph Hutchinson Sr. You are correct in assuming this man in McGillivray may be related, but the trail on this Hutchinson family died with Joseph Sr. death in 1819. I would truly like to know where the family in McGillivray came from. They were in McGillivray in 1851. My Joseph's daughter Anne Elizabeth, later to become Sceli, was born in Burton Coggles, England in 1866, I have searched the records.

email received from Margaret Meek:

William Henry Harlton (my great-grandfather) married Emma Deacon on 31 July 1885, McGillivray Township

She was the organist at St Mary's Church, Brinsley where they met.

On her marriage certificate she is Emma Deacon, born England, parents Isaac and Ellen Deacon, witnessed by Edmund Slack.

On her death certificate she is Emma Deacon, father I. Deacon, mother not recorded

On the ancestral file she is listed as Emma Slack.

My aunt told me she & a boy were foundlings; interestingly there is an Emma Deacon who sailed from Liverpool on 28 Oct 1869 as part of a group of 76 children who were with Maria Rye's Emigration Home for Destitute Little Girls and headed for Niagara-on-the-Lake.

In the 1881 census there is an Emma Deacon, 17 years old, living with Betsey Sleck age 60 and Thomos E Sleck age 23 (I presume the name is actually Slack and they are mother and son).

So who is Emma Deacon? Foundling and raised by the Slacks? Home Child from England? Or Emma Slack from Ailsa Craig? I don't know.

William was a teacher - first in Middlesex, then in Nepean very briefly (Carleton Place?), then in Toronto. He later became a house builder.

William died 27 September 1937, age 79, Toronto (York Township)

Emma died 22 September 1937, age 70, Toronto (York Township)

Both are buried in Prospect Cemetery, Toronto

1880 Census, Gillett, Oconto Co., WI, p257B, age 42, b Canada, name: William, both parents b Ireland

Notes from AV Database:

If William's family followed the usual naming pattern when naming their children, which they appear to have done, I believe William should have been their eldest son which would have him born in 1836 not 1856 as recorded in HKF. HKF page 325

Hodgins ... Kindred Forever -- page 146 chapter 54.

In the late 1880s William Hodgins of New York was officially declared by the courts to be the legal heir of the Silverstream properties in Ireland.

William Hodgins took a cash settlement for his inheritance instead of returning to Ireland to take possession of the property. If the property was sold and the money paid to William this would explain the beginning of the end for the Silverstream and Stoneyacres estates which were probably sold out to individual farmers and worked as small farms.

William joined the New York city police force and was promoted, in 1887 to Captain.

They had five children.

William may have been born in 1836 not 1856. His stone was in bad shape.

I thought you might find this amusing. I was browsing through the archives of the Nenagh Guardian online and came across an article in the paper, Sat, Jul 03 04 under the heading 100 years ago:

"Amongst the visitors in Nenagh this week are Capt. W.H. Hodgins, of the New York police force, and his son. Captain Hodgins has not been to this country for quite a number of years, and was greatly struck with the number of changes that took place in the meantime. Our readers ought to know him well, for time and again we have referred to his many acts of kindness to the Irish in New York, where he is a prominent member of society, and a leading and active worker in anything for the good of the old country. Mr.Hodgins is staying at O'Meara's Hotel."

I spent a bit of time reading through the NY Times for 1905, 1906 and this gentleman was quite a well known character. He was known by the sobriquet "Big Bill" Hodgins. Reminded me of the other gent Big Jim Hodgins who was also in the Constabulary in Ireland and Canada half decade before. In any event, Big Bill was forced to retire from the NY police force as he weighed over 300 pounds (136 kilograms metric weight) and it was deemed he could not perform his active duties. He took his case before the Supreme Court and with the help of the then mayor was reinstated. Prior to his re-instatement he went to Iowa and attempted farming. It's a hefty distance to Iowa from NY so it's likely he had Hodgins kin there.

The dating of some of the others is a bit confused. Here is the correct order we think (comes from my dad): I have added death dates where we think we know them. You will see that birth dates which are in the register which you originally sent me (well i think it was you!) therefore all get knocked about a bit. When the 1901 census comes on line it will be easier to work out.

Marriage Notes for Elizabeth Guest and Arthur Brown:

Marriage info shows names as: Arthur Brown & Lizzie Gnest

The second marriage License and Certificate for Arthur H. Brown and Mrs Elizabeth J. Brown is the confusing part. Is this the same couple? If so, why is she called Mrs. Elizabeth J. Brown if Arthur H. Brown is marrying her for the second time as the first marriage might have been declared in error as the name is shown as Lizzie Gnest when in fact, Elizabeth Jane Guest had been married to William O'Neil previously. If this is the case then her name should not be shown as Mrs. Elizabeth J. Brown but rather as Elizabeth J. O'Neil. Looks more like Elizabeth married two different men by the name of Arthur Brown. However, the tombstone info indicates there is only one Arthur H. Brown.

According to the age of the Arthur H. Brown who married Elizabeth J. Guest in 1917, he was 61 years old which gives his year of birth as 1855-1856 and not 1852 as shown for the Arthur Brown that Elizabeth was married to previously. The age for Elizabeth is shown as 54 in May 1917 which is correct for her birth in July 1862.

The following email segment was recieved from Wendy Mann on 5 Jan. 2007:

Mt .Hope Cemetery records it states Brown,Arthur H.(hus of Elizabeth Guest m.1882).His birth 1852,Year of death 1945 Div.C, Lot #34.Sub place born3 beside this London,Ontario,Canada.

Based on this tombstone information it appears that there is only one Arthur H. Brown and not two as shown as a possibility from the two marriage certificates!!!

He married ? ????. She died Unknown.

Notes for Dempster Hodgins:

It appears that this child was born and the mother died either at child birth or shortly thereafter. Due to the combination of names it appears that Catherine's sister Isbella who had married James Dempster might have raised this child. However, according to the 1880 census there is a James Dempster, age 2, in the home and this does not fit with a child born in 1875. More research required(AEK) Subsequent searching of Ontario Birth Records shows that James Dempster was the son of James Dempster and Isabella DeCoursey and not the son of Catherine DeCoursey and William Napier Hodgins. Maybe the entry in HKF is in error!!!!

PEARL RUBY WEBSTER Peacefully; it is with deep regret that we announce the passing of Pearl Webster, on Thursday, April 2, 2009 at the Tuxedo Villa Extencicare at the age of 89 years. Remaining to cherish Pearl's memory are numerous nieces, nephews and friends. She was predeceased by her spouse Robert Webster, brother and sisters Harvey, Cecil, Russel, and Eva and their spouses and her parents Frederick and Clara Hodgins. Pearl was born and raised in the Pratt Manitoba District, and later resided in Winnipeg. She married Bob Webster and lived and worked in Alberta and BC running their motel and hardware store, returning to Winnipeg in 1975 after the death of her husband. While living in Winnipeg she spent the next several years as a loving care giver. Pearl was a very independent individual; living on her own until November 2008. Pearl also enjoyed dancing, music and camping. In compliance with Pearl's wishes, no formal funeral service will be held. Gladys Mae⁹ Bailey (John George⁸, Andrew⁷, Elizabeth Jane⁶ Hodgins, George⁵, Robert B.⁴, Robert³, James², James¹, Tom^A, ?-1^B, Branch-01^C, (00Root-Hodgins)^D) was born 18 January 1923, and died 20 March 2011 in Kingston, Frontinac Addington Co., ON (Source: "Obituary."). She married **(2) Howard Babcock** 15 April 1954. He died Bef. 2011.

Notes for Gladys Mae Bailey:

The following information is what provided the evidence that connected Thomas Alfred Bailey and John

George Bailey descendants.

The following email segment was received from David Bailey, 19 Mar 2011:

"Apparently my great Aunt (Gladys Babcock) didn't know what to do with the letter so she just sent it to my grandmother. I guess she figured that my Dad or Aunt would do something with it. They never did, but my Aunt finally scanned it in and sent it to me. I am going to ask my grandmother a few questions to see if she can give me a rough estimate of when and where my great-grandfather died. Also, I'm not sure if my grandfather, Orval was the oldest or not."

The original letter that was sent by Dennis David Bailey to Mrs. Howard Babcock shows the following.. "My Uncle is Harold Benson Bailey and my father name is Harvey Spinstar Bailey.... Uncle Harold sent me a photograph of you with Thomas Alfred Bailey, my grandfather, taken in about 1934." ...

Harold Benson Bailey was a first cousin to Gladys (Bailey) Babcock. Gladys did not reply to the letter but sent it to her brothers widow of, Orval John Bailey, who was the grandfather of David Anthony Bailey, who now has a scanned copy sent to him by his aunt.

FORT COULONGE EXPLOSION
NEWSPAPER ACCOUNTS

Ottawa Equity

December 16, 1920

The boiler explosion at Fort Coulonge last Monday, briefly noted in last week's issue, occurred at the new stave factory of the Sutherland-Innes Co. The boiler which exploded causing the death of one man and injury to eight others one of whom (Alex Chatterton) has since succumbed to his injuries, was a small portable one, which was being used for heating mortar cement, etc. for the large 60-foot boiler which was being bricked in. Excessive steam pressure and defective steam gauges, caused the explosion, it is said. The boiler was hurled through the end of the building and carried away some distance, while some of the machinery was wrecked and parts blown away. The explosion made a terrific report which sounded to the villagers like the discharge of a cannon.

William McCoy, the man who met his death, entered the building only a few minutes before the accident. He was a deaf mute, 35 years of age and was not employed at the mill.

The names of those injured are as follows:-

Alex Chatterton, 55 years, millwright, Toronto, scalded face and neck.

John Chatterton, bricklayer, 39 years, son of Mr. Alex Chatterton, severe burns, broken left leg and injured shoulder.

Alex Chatterton, 16 years, son of Mr. John Chatterton, suffering from the effects of concussion.

Joseph Belaud, 32 years, carpenter Fort Coulonge, face badly scalded.

Tophile Bertraud, 38 years, carpenter Fort Coulonge, scalded face and broken rib.

Wellington Armstrong, 35 years, bricklayer, Shawville, slightly scalded.

James McDowell, 38 years, bricklayer, Shawville, legs and back scalded, head wounds and injured left leg.

James Chamberlain, 40 years, carpenter, Cobden, minor scalds.

The injuries sustained by James McDowell, both of the nature of broken bones, a bad gash on the head, and scalds, were among the most serious of any, yet he was found lending a helping hand to his fellow unfortunates when assistance arrived.

James was taken to the Rideau Street hospital the afternoon following the accident, and Wellington Armstrong is at his home in Shawville.

Mr. H.S. Elliott, deputy coroner for the district visited the scene of the accident on Tuesday and took the necessary steps.

SHAWVILLE MAN DIES
FROM HIS INJURIES

James McDowell Passes –
Third Death in Fort Coulonge Explosion,

James McDowell, Shawville, Que., died at 1:30 yesterday afternoon in the Protestant General Hospital, from injuries received on December 7, in a boiler explosion at Fort Coulonge, Que. He suffered a fractured leg, and severe scalds and cuts but for a while it was expected that he would recover.

When the accident happened, one man, William McKay of Shawville, was killed, and McDowell and five others suffered more or less serious injury. Since then another of the injured, Alex Chatterton, has also died.

The accident happened at the cooperage factory being erected at Fort Coulonge, for the Sutherland-Innes Co. Limited of Sundridge, Ont. A small portable ten-horse power boiler, which was used for heating water, to be used to mix mortar in the construction of brick work around a new boiler being installed in the plant blew up, injuring every man that was in the boiler room at the time.

McDowell's body was removed from the hospital to Mackenzie Bros. Undertaking parlors and from there was sent to Shawville yesterday afternoon. No inquest will be held.

The late Mr. McDowell was 39 years of age and was born at North Clarendon, Que.

John Chatterton, of Fort Coulonge who was brought to the Rideau street hospital with the late Mr. McDowell, suffering from a fractured leg, dislocated shoulder and fractured rib, is still in that institution, but is well on his way to recovery and is expected to be able to leave the hospital shortly.

FORT COULONGE EXPLOSION
NEWSPAPER ACCOUNTS

Ottawa Equity
December 16, 1920

The boiler explosion at Fort Coulonge last Monday, briefly noted in last week's issue, occurred at the new stave factory of the Sutherland-Innes Co. The boiler which exploded causing the death of one man and injury to eight others one of whom (Alex Chatterton) has since succumbed to his injuries, was a small portable one, which was being used for heating mortar cement, etc. for the large 60-foot boiler which was being bricked in. Excessive steam pressure and defective steam gauges, caused the explosion, it is said. The boiler was hurled through the end of the building and carried away some distance, while some of the machinery was wrecked and parts blown away. The explosion made a terrific report which sounded to the villagers like the discharge of a cannon.

William McCoy, the man who met his death, entered the building only a few minutes before the accident. He was a deaf mute, 35 years of age and was not employed at the mill.

The names of those injured are as follows:-

Alex Chatterton, 55 years, millwright, Toronto, scalded face and neck.

John Chatterton, bricklayer, 39 years, son of Mr. Alex Chatterton, severe burns, broken left leg and injured shoulder.

Alex Chatterton, 16 years, son of Mr. John Chatterton, suffering from the effects of concussion.

Joseph Belaud, 32 years, carpenter Fort Coulonge, face badly scalded.

Tophile Bertraud, 38 years, carpenter Fort Coulonge, scalded face and broken rib.

Wellington Armstrong, 35 years, bricklayer, Shawville, slightly scalded.

James McDowell, 38 years, bricklayer, Shawville, legs and back scalded, head wounds and injured left leg.

James Chamberlain, 40 years, carpenter, Cobden, minor scalds.

The injuries sustained by James McDowell, both of the nature of broken bones, a bad gash on the head, and scalds, were among the most serious of any, yet he was found lending a helping hand to his fellow unfortunates when assistance arrived.

James was taken to the Rideau Street hospital the afternoon following the accident, and Wellington Armstrong is at his home in Shawville.

Mr. H.S. Elliott, deputy coroner for the district visited the scene of the accident on Tuesday and took the necessary steps.

SHAWVILLE MAN DIES
FROM HIS INJURIES

James McDowell Passes –
Third Death in Fort Coulonge Explosion,

James McDowell, Shawville, Que., died at 1:30 yesterday afternoon in the Protestant General Hospital, from injuries received on December 7, in a boiler explosion at Fort Coulonge, Que. He suffered a fractured leg, and severe scalds and cuts but for a while it was expected that he would recover. when the accident happened, one man, William McKay of Shawville, was killed, and McDowell and five others suffered more or less serious injury. Since then another of the injured, Alex Chatterton, has also died.

The accident happened at the cooperage factory being erected at Fort Coulonge, for the Sutherland-Innes Co. Limited of Sundridge, Ont. A small portable ten-horse power boiler, which was used for heating water, to be used to mix mortar in the construction of brick work around a new boiler being installed in the plant blew up, injuring every man that was in the boiler room at the time.

McDowell's body was removed from the hospital to Mackenzie Bros. Undertaking parlors and from there was sent to Shawville yesterday afternoon. No inquest will be held.

The late Mr. McDowell was 39 years of age and was born at North Clarendon, Que.

John Chatterton, of Fort Coulonge who was brought to the Rideau street hospital with the late Mr. McDowell, suffering from a fractured leg, dislocated shoulder and fractured rib, is still in that institution, but is well on his way to recovery and is expected to be able to leave the hospital shortly.

Notes for Hazel Irene Bosomworth:

Obit from Prince Albert Daily Herald, 12 March 2008

Hazel Irene Wilson

On the wings of a prayer, our beloved mother Hazel Irene Wilson breathed her last breath March 7, 2008, surrounded by the love of her family and her loving and compassionate caregivers of Talarico Place. Hazel was born on March 16, 1926 in Lumsden, Saskatchewan to Hugh Clark Bosomworth and Margaret (Cairns) Bosomworth. Along with her parents, her sister Margaret, and brother Bill, she grew up in rural Saskatchewan on several different homesteads that her parents farmed, mainly in the Birch Hills and Paddockwood areas. Hazel married Frank Elliott Wilson on November 19, 1947. Hazel was predeceased by her husband Frank in 1982, her sister Margaret Holmes of Canwood, Sask and her brother Bill of Prince Albert, Sask, as well as her grandson Chad Friesen of La Ronge, Sask. She leaves behind her loving children: Betty (Rick) Friesen of La Ronge, Sask., Howard (Dee) Wilson of Castlegar, B.C., and Floyd (Debbie) Wilson of Red Deer, AB. Her grandchildren: Delaine Friesen of La Ronge, Sask.; Michelle Owen of White Rock, B.C.; Rachel (Jean Pierre) Champagne of Kamloops, B.C.; Jennifer Harker of Burnaby, B.C.; Amie Wilson of Nelson, B.C.; Melissa Wilson of Golden, B.C.; Rae Lynn (Brad) Cawood of Red Deer, AB; Ryan (Jessica) Wilson of Red Deer, AB; as well as Norman, Terry, Jerry, Henry, and Janet, her extended grandchildren. Her great grandchildren: Jasmine Friesen of La Ronge, Sask.; Daniel and Nathan Owen of White Rock, B.C.; Andrew, Marcel, and Justice Champagne of Kamloops, B.C.; Abigail and Izabelle Wilson of Red Deer, AB; last but not least, her little fighter Little Gus (Angus) Cawood of Red Deer, AB. She is also survived by her brother in law Harry Wilson of Melfort, Sask.; sisters in law: Violet Bosomworth of Saskatoon, SK, Nina Broadfoot of Birch Hills, Sask., and Viola Swaby of Prince Albert, Sask. Mom lived her life to the fullest and even though Parkinson disease held her captive in her final years it did not dampen her spirit. She still loved a visit from anyone who dropped by her room, she loved to show everyone her picture albums that showed a story of her life, her love of Frank and her children and grandchildren. Hazel gave back to others in any way she could, including her many years of service to her community through St. John's Ambulance, Arthritis Society, MS Society, and Victoria Union Hospital Foundation, as well as her many years as secretary of the Red Cross and United Way in Prince Albert. In her retirement years, she loved to travel and enjoyed many trips to various parts of the world. Funeral services for Hazel will be held at the New Apostolic Church at 2528 Columbia Avenue, Castlegar, B.C. on Saturday, March 15, 2008 at 2:30 p.m. with Rev. Dean Marti officiating. A memorial service and interment will follow in Prince Albert, Sask. at a later date.

Obit:

Ferne Hodgins

Ferne Luella Hodgins (1921-2010) Ferne Luella Hodgins, aged 89 and a longtime resident of Burnaby B.C., passed away on April 13, 2010 following a stroke. Ferne was born in Indian Head, Sk., on Jan. 18, 1921, the first child of Byron and Bertha (Harris) Hodgins from Shawville, P.Q. Ferne's early years were spent in Indian Head, with her family, now including her sister Hazel, moving to Regina in the mid 1920s where brother Harris (Bud) and sister Edith were born. Ferne started her long working life in 1938 with the Regina Leader-Post, which she left in 1947 to join her mother, Bud, and Edith in Vancouver. There, over the next 39 years, she worked for the Street Railwaymen's Credit Union (STRY), National Shield Weld and lastly, Canadian Energy Services. Ferne spent her last years residing at the Fellburn Retirement Centre in Burnaby, and the Residences at Morgan Heights in South Surrey. Predeceased by her sisters and brother, and friend Clifford Vosper, Ferne was a unique and independent individual, yet generous to a fault to her many friends, coworkers and especially her niece and four nephews who all affectionately referred to her as The Chief. Ferne leaves many friends in Regina and Vancouver, and is survived by Warren (Linda) Hodgins of Quadra Island; Denise Hodgins Gartner of Calgary and her children Michelline, Travis, and Christopher Gartner; Roy Hanna (Karen Rasmussen) of Ottawa; Wayne (Irina) Hanna of Winnipeg and their son Jan; and Bob (Anne) Orr and their son David of South Surrey. At Ferne's request, there will be no funeral or memorial service. She will be remembered for her generous and independent spirit, her lively conversations, and her steadfast commitment to her family and friends. May her feisty spirit roam free.
