Preface

This eBook could just as well be titled "Meet Your Cousins" as all of those included in this book are either descendants of John Sturgeon and his wife, Mary Marshall, or spouses of those who are.

Since this is just the first edition of the eBook there will be a lot of missing or incomplete data. The missing data will take the form of missing dates for Birth/Marriage/Death and the full locations of these events, or missing descendants, parents of spouses, or missing surnames of spouses.

To send updates and/or corrections, you are asked to refer to the family unit that is shown in the book and then send the new information in an email or snail-mail to the address shown below. Please do not refer to the page in the book as that is only from the book you viewed and I do not have a copy of that item.

Only by adding your information to this database can we add each branch, twig, and leaf.

I have had to add an option to the report generator so that any adopted child is shown as adopted and not a biological child and in doing so, all children show this extra information.

If you find any errors or missing information then please send me an email with your info.

Your update information should contain the following:

- 1) Full name of the individual, their full date of birth and location of birth(city/town,parish/Township, County/Municipality, State/Province)
- 2) Names of parents of spouse(maiden name of spouses mother)
- 3) Date and location of marriage,
- 4) Full names of children with full dates of birth and location.
- 5) Any deaths should show date and location of death

Thank you.

Introduction

To aid those trying to read the contents of the genealogy reports shown in this book, the following aids are suggested.

For those who might be concerned about information on the internet about living persons, none is published as the database was Privatized to remove info on living persons. In the privatized version of the eBook, only one child is shown for my parents as my youngest sister, Barbara, passed away in 1994. In turn, her son, Dean, is deceased.

1) Look for your name in the index found at the end of the book. If there is more than one page number indicated then the first one is where you are shown as a child of your parents, the second one would be the page where you are a parent, and the remaining pages is where you are shown on the page where one of your childrens families are being given and you are shown as their parent. Additional pages may be present from special reports that are included in the book.

2) The following example of a section of a report showing my parents is being used to explain what the format is for information in the reports and how to find your way through the maze of information.

Working in reverse order if you find the number of a person and wish to follow them back you use that number and find them as a child with that same number which then shows the siblings and parents. This continues back to the beginning of the report for that family line.

The number 1 beside the persons name indicates the item number for that person in the book and is used to follow the descendency line from the first person down through the book. Each child is given a number that is one larger then the parent and each child has a number that increased in birth order. If a + sign appears previous to the number then that indicated there is a page where that number will be shown as a parent and the pattern continues.

The names shown in () after the person shown at the head of the family unit shows the descendency line from the parents of that person back in time to the earliest known ancestor or pseudo-ancestor in some cases.

If you see some special information shown in the form `<a target="_blank" href=....` then that means this information is a link to a URL where further information is available if you are on the internet and viewing the book with a PDF reader or if you are looking at that persons information in the main database at WorldConnect. This allows photographs and other genealogy information to be made available to anyone viewing the book. However, this extra information is not available in the book if you print it in hardcopy

form.

Notes for Margaret Ann Vye:

According to information obtained from a family bible, the name was Margaret Ann Cyr. This bible was lost in a fire when the Thompson home burned. More research required to determine if the name is Vye or Cyr for Margaret Ann. In the summer of 1998, this discrepancy was cleared up and the name is VYE.

The 1861 census for Blackville Parish, Northumberland Co., NB shows Joseph and Margaret Ann Sturgeon and living with them is the mother-in-law and brother-in-laws all with the surname Vye. Some other researchers have indicated the name is Nye. Upon searching the writing styles of the person doing the census, it is evident that the first letter is NOT an "N" but rather a "V".

The 1851 Census for Nelson Parish, Northumberland Co., NB, p22, shows a Margaret Vye, age 18, servant, at the home of:

Philip King, age 28, Husband

Ellen King, age 26, Wife

Francis King, age 5

Thomas King, age 4 weeks.

The person in the Newcastle Parish (Middle District), Northumberland Co., NB, p38 shows the following:

Margaret Vye, age 44, widow

Mary Vye, age 18,

James Vye, age 10,

Alexander Vye, age 4.

The question that needs to be answered is this Mary the same as Margaret or is this a TWIN????

William "Bob" Robert Sturgeon

August 10, 1940 - October 4, 2018

William Robert Sturgeon, affectionately known as Bobby, Daddy and Grandbobby, passed away peacefully on October 4th 2018. Born on August 10, 1940 in Doaktown New Brunswick to Tom and Katherine (Carroll) Sturgeon, Bob spent his childhood years living on the Miramichi River. Following his graduation from Doaktown Consolidated High School (1958), Bob went West to start his lifelong career with the Royal Canadian Mounted Police. A proud member of the RCMP, Bob joined the Force April 1, 1959 and retired April 1, 1995. He was an admirable career man who served with honor and dedication. His family has many pictures of him proudly wearing his favorite

Generation 8 (cont.)

RCMP chapeau.

Lovingly remembered by many, he was especially adored by the three main ladies in his life. He is survived by his loving wife of 50 years Joyce (Stevenson), daughters Tiffany (son-in-law Chad (DJ) and granddaughters Jordyn and Abigail) and Candace (Peter and grandchildren Madison, Wyatt, Joey and Piper).

Born: August 10, 1940 Death: October 4, 2018

He was an energetic funny guy who loved his family with all his heart and wasn't afraid to show it. Many hours were clocked on the road over the years whether it was driving his girls to swim practice or competitions, family vacations to Wasaga Beach and Melbourne Fla, or hopping in his truck and driving south to see his grandbabies, Bob would do anything for his family.

He was our rock who could fix anything, give the best advice, and listen without judgement. He was always going out of his way to make his family feel special.

When the girls were young he would get on the roof on Christmas Eve and make "reindeer tracks" and decorate the house with so many lights it was a sight to see. Anything to see his girls smile.

My sweet man fought hard during his battle against cancer, he never

gave up and lived every day with a will to survive.

Most did not know much about his diagnosis or his fight because he would always tell you he was "never better."

He made the choice to live every single day with a smile on his face and not let the disease beat him. His family urges everyone reading this to have compassion for others. Sometimes you do not know the quiet fight someone may be fighting, a smile or a kind word could make all the difference on a difficult day.

Bob's final days were spent at Hospice House Fredericton. The family wants to say thank you to ALL of the wonderful nurses and staff that cared for him with love and provided him comfort. He told them every single day how happy he was to be there and was at peace. An additional thank you to the HUGE wellness team that spanned 19 plus years of care. A statement from a dear friend truly exemplifies the man we LOVE: "He was an admirable man, a true gentleman, loving husband, adoring father, father-in-law and doting grandfather".

The family will honor the request of no visitation or funeral service.

As an expression of sympathy, memorial contributions can be made to Hospice House Fredericton, 621 Churchill Row, Fredericton, New Brunswick, E3B 1P5. Personal condolences may be offered through www.yorkfh.com

Our most sincere sympathies to the family and friends of William Bob Robert Sturgeon 2018..
