Dear Alex Calzareth:

This is in response to your Freedom of Information Act/Privacy Act (FOIA/PA) request received in this office November 14, 2007, regarding the subject: Paula T. Baer.

We have completed the review of all documents responsive to your request and have identified 7 pages which are responsive to your request. Enclosed are 5 pages released in their entirety, and 2 pages released in part. We have reviewed and have determined to release all information except those portions that are exempt pursuant to 5 U.S.C. § 552 (b)(2) and (b)(6) of the FOIA.

- ❑ Exemption (b)(2) provides protection for records that are related solely to the internal personnel rules and practices of an agency. The types of documents and/or information we have withheld under this exemption may relate to internal matters of a relatively trivial nature, such as internal personnel rules and practices which could consist of employee identification codes, computer login codes, policies regarding the use of parking facilities and break rooms, employee leave policies and dress codes or internal matters of a more substantial nature, the disclosure of which would risk circumvention of a legal requirement, such as operating rules, guidelines and manuals of procedures for examiners or adjudicators.
- ❑ Exemption (b)(6) permits the government to withhold all information about individuals in personnel, medical and similar files where the disclosure of such information would constitute a clearly unwarranted invasion of personal privacy. The types of documents and/or information we have withheld may consist of birth certificates, naturalization certificates, drivers license, social security numbers, home addresses, dates of birth, or various other documents and/or information belonging to a third party that are considered personal.

The enclosed record consists of the best reproducible copies available.

If you wish to appeal this determination, you may write to the USCIS FOIA/PA Appeals Office, FOIA Appeals Office, 150 Space Center Loop, Suite 500, Lee's Summit, MO 64064-2139, within 60 days of the date of this letter. Both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

The National Records Center does not process petitions, applications or any other type of benefit under the Immigration and Nationality Act. If you have questions or wish to submit documentation relating to a pending matter, you must address these issues with your nearest district office.

If you should have any additional questions about your request, please direct your inquiries to this office at the above address. You may also call us at (816) 350-5570 or fax any correspondence to (816) 350-5785.

Sincerely,
