March Term, 1922.

ON THE MATTER OF THE GUARDIANSHIP No. \_\_\_\_\_  
OF SARAH J. BOWER, AN OLD PERSON. Petition to invest funds of  
ward to jointly purchase home.

To the Honorable Reuben R. Carr, Judge of said Court:

The undersigned guardian of said Sarah J. Bower, an old person, respectfully shows to the Court that his said ward prior to his appointment as guardian sold her home located in Akron, said county and state; that she had lived in her said home, and that on account of her present physical condition it has become necessary for to live with her daughter, Minnie Lugar, of Marion, Grant County, Indiana; that the home of said daughter is owned by said Minnie Lugar; that said home is not large enough for her to take care of said ward properly; that it is the desire of said daughter to trade and exchange her real estate for another tract of real estate in said City of Marion, upon which is located a larger and better dwelling in which said daughter can properly care for said ward; that the tract of real estate said daughter desires to procure is owned by \_\_\_\_\_, and is described as follows, to-wit:

that said tract of real estate has a fair cash value of \$1600.00; that said real estate now owned by said daughter is reasonably worth \$1000.00; that it is the desire of said daughter and ward to have this guardian pay the sum of

\$600.00 out of the funds of said ward towards the purchase of said real estate; that said daughter and ward would take title to said real estate as tenants in common, owning 10/16 and 6/16 respectively.

That it is necessary that said investmnet be made by said guardian in order that his said ward will have a proper place to live and be properly cared for; that this guardian has personally inspected the realmestate owned by said daughter and the tract of real estate desired to be purchased; that the prices of each as above mentioned are reasonable; that there is located on the tract of real estate sought to be purchased a seven room cottage constructed as follows, frame building withba shingle roof, and is located in a reasonably good meighborhood.

WHEREFORE, he prays authority to invest \$600.00, of the funds of said trust so in his hands to purchase for said ward said interest in said real estate.

This guardian shows to the Court that said ward is a resident of Henry Township, Fulton County, Indiana, and that the money by her received as shown by her final receipt, was used to pay for nursing and for coal that has been by her used; that she has no money or property of any kind or character and that he has procured for her an order from the Trustee of said township to admit her to the Fulton County Infirmary to be there cared for.

This guardian further shows to the Court that he has made no charge for his services in this trust and that his attorney has rendered services herein for which no charge has been made, all of which was done for the purpose of conserving the assets in this trust in order that said ward might be able to be cared for outside of such Infirmary.

Said guardian further shows that there remains nothing further in this trust for him to do and he asks that this trust be closed and that ~~xxxxx~~ this report be in all things approved and that he be released and discharged from said trust.
