1. I have the deeds where George Overmyer's (b. 1755) estate is settled (stating that Levi and Nancy were two of five heirs of son, George Overmier, who was by then deceased) in 1832.
2. I have the deeds where his son, the above George Overmier, bought three lots in Middleton or Middletown (later Somerset), Fairfield (later Perry) County, Ohio in 1812.
3. I have the deed where these same lots in Somerset, Perry Co, OH were sold, showing his 5 children and spouses signing along with Catherine and Frederick Heck in 1834.
4. I have a deed where Catherine Heck, widow of Frederick Heck, sold property to George Overmyer in 1849.
5. I also have a deed showing that on the same day George and Susan Overmyer sold the property to someone else. (This would be my George Overmier and Susannah Houtz, youngest of George Overmyer and Catherine Emerich's five children.  
The above deeds are readable - they tire the eyes, but they are readable.
6. I have Patsy's partition record, which shows that Catherine Heck was Catherine Emerich.
7. Evelyn sent me a deed (poor copy) which shows that Frederick Heck and wife Catherine sold property to John Heck in Perry Co in 1825.

Does anyone have a copy of the marriage record of Catherine (Kitty) Overmier to John Henry on 2 Jul 1815? Fairfield Co records in Lancaster, Ohio - the 1803-23 Vol. pg. 94

Does anyone have a copy of the marriage record of Catherine Henry to Frederick Heck on 25 Mar 1828? Vol 1, pg. 94 - records in New Lexington (is this Perry Co, OH?)

I originally got these deeds because my goal is to somehow prove this lineage to DAR - their standard of proof is very high. I just don't know if it will work when we don't have a birth record for George or a marriage record for him and Catherine Emerich. However, thanks to all of you my arguments are getting stronger. I will have to wait for Catherine's other marriage records, however. I have about 10-15 other Revolutionary War direct ancestors, but I just really want to do this line first, since it is my patriarchal line. Overmier was my maiden name.
