Notes: Mary Alford Waters does not appear on the 1920 census that I can find. She did not die until 1923 and according to Maxine Gore lived with her son William Waters. She was living with him in 1910, however, she is not living with him in 1920. There are only two possible explanations for her not appearing with his family: She died before 1923 or she was ill in the hospital when the census taker called on the family. She was not living with Timothy or Stephen, her two other sons.
