A Cline Family Tradition: *by Harley Dakin* **Music & Religion**

This month, I thought I would discuss a tradition near and dear to many of the Cline descendants; it is our love of music and our religion. It seems no matter which line of Cline's I speak to, they seem to have a love for music. This music is usually tied to their expression of religion. This will be our 3rd year of Gospel Quartet entertainment at the reunion and everyone truly enjoys it. We even have many family members including; Denver Cline, Albert Scott, Ron and Maggie Stowers and others who share their music with us.

I am a lover of old time Rock and Roll but will make more of an effort to visit a Gospel Bluegrass Concert or make a trip down to the River to hear the locals gather on a Friday or Saturday night to fellowship and share their music. We are planning a visit to Palestine in Wirt County WV to hear a friend and some of the cousins play their instruments. It seems like no matter where we travel to listen to the music Jams, we run into a Cline cousin.

The love of religion and music is embedded in our ancestral roots. PBS recently broadcast a documentary on the early settlers of America including the Germans, Ulster Scotts, English and Irish, all of which settled in the Appalachians. The tradition of music and religion is beautifully documented in the 3-hour program. The title is appropriately called "THE APPALACHIANS". The writer and producer of the Appalachians is Phylis Geller, a native of West Virginia. PBS of Nashville broadcast the documentary and I would suggest you check your local listing or your local library to see if you can borrow the DVD. It is a great reference source on the subject.

Did you know DNA test show the Ancestors of George Cline originated in what today is India & Pakistan.

Editor's Notes

I hope everyone is doing well in 2006. This is our 1st edition of the new year and we have good reader feedback on the Cline Family Times. The Cline Family Times is posted on many Cline Family Web sites and can be accessed from around the world. We also have an email address database where send a copy to those folks with computer email. If you know someone who might be interested, have them contact me hpdkin@sbcglobal.net. We began our Cline Family Reunion planning last week with a meeting in Belpre Ohio. Our committee has 15 members who plan together and 8 others who work with us by correspondence. Our next newsletter issue will have complete schedule of activities and will be in the June issue of the CFT newsletter. Make sure to put the reunion on your schedule for July 7,8 and 9th. The Cline Family Times is published with the help of descendants of George & Sussanah Buck Cline who settled in Monroe County Ohio. George and Sussanah were born in Germany. Their descendants now live throughout the US. I would like to thank all of those who have shared their Cline Genealogy with us and look forward to hearing from more.

Missing Links

This is a picture of the John Cline family, of Meigs County, Ohio, circa 1920. The picture includes John Cline, his wife, Mariah (nee VanBibber), son, Glenn Roy and a family friend. John and Mariah were grandparents and Glenn Roy is the uncle of Al Cline.

Al Cline is one of our senior members on the Cline Web site and made his living here in Coshocton County for the local newspaper many years ago. He now lives in California but still maintains contact with the folks here in Ohio. His line can not be tied to our George and Sussanah Buck Cline.

Dave Starrett has researched this line up until the 1930's and had the following to share with us on Al's line. "I was going through my notes and maybe this a tie in for ,John Cline B.1853 wife Marie he is son of Thomas G. Cline Abt.1817 Lewis Co. Va .son Of Joseph Cline B.1793 Va. D. 1878 in Columbia Twp OH.

GET WELL

Margaret Cline Smith- Margaret has been in and out of the Hospital this winter but is home recovering now. We wish her well.

Jean Egbert- Jean had a rough winter too, after undergoing another surgery. We wish her continued health. Please keep **Hulane Bostic** in our prayers. We wish the following a continued recovery and let them know they are in our prayers: **Prestley Nelson, Debra Lesick, Diana Nastari, Justin Green, Jane Bromelow, Larry Cline, Glenna Cline, Dave Starrett.**

He was son of John Cline (Johann Kline)B.1750 Germany D.? In Meigs Co. OH. He was supposed to have been a Hessian soldier. I found him in the PA. records he served in the British army during French & Indian War." Thank You Dave for the information and thank you Al for the Photo.

If anyone is aware of any descendants from this line who would be willing to join the Cline Surname DNA project, please have them contact Harley by email hpdakin@sbcglobal.net or 740-498-5636.

While we cannot connect to this line by documentation here in the US, it is possible that our line does share a common male ancestor back in Germany. It also possible that our Jim Cline in Marietta, who we cannot connect by documents, could be tied to this line of Cline's.

If you would like to contact Al, or Dave, please drop me an email.
