Below, please find additional info I have agained through another internet source

Served in the Civil War - Co B, 3rd TN Infantry

Obtained copies of the nearly 400 pages of my second great grandfather, Joseph Abraham BROWN's (JAB) Civil War Pension file. There is extensive hand-written testimony in multiple affidavits. In many instances, the deponents revealed aspects of their own life and Civil War experiences. As time permits, I shall post each individual's name and their personal information from the testimony in the order in which each affidavit appears in the file.

Freeling H. COX appeared on 17 October 1884 at Coal Creek, Anderson County, TN, before D. G. COLSON, a Special Examiner of the Pension Office.

He was listed as age 42, farmer, residence near Coal Creek. He was a member of Company B, 3rd Tennessee Infantry (Union). He was a boyhood friend of JAB and raised in the same neighborhood. He attended ("waited on") JAB for about 3 months after an injury in a railroad accident near Murfreesboro, TN, February 1863. Mr. COX left Murfreesboro for Carthage, TN, with his Company about May 1863. He mentioned that his company "fell back" from Strawberry Plains, TN, and went to Sweetwater, TN, the next day. He says that he "left the company next morning and went home and did not go back for some time". Mr. COX signed his name to the affidavit with an "X" mark.

Fourth Generation

85. Rufus COX. Born in Jan 1863. Was on the census for Knox Co TN in 1900. HH born Jan 1863, age 37, married 14 years; wife Mary E Jan 1863 age 37, three children, three living; Oscar P. Apr 1883 age 17; Rosco C. Jul 1889 age 10; Ernest H born Nov 1896 age 3. All born TN.

On 10 Dec 1885 when Rufus was 22, he married Mary E DOWELL, daughter of Ephraim DOWELL & Charlotte JETT, in Knox Co TN. Transcribed marriage records of Knox Co. show the marriage date as 1885, but this is two years after the birth of the first son according to the 1900 census which listed him being born in 1883 and age 17. If the census is correct and the marriage record is correct, he was apparently born out of wedlock. Born on 27 Jan 1863. Mary E died on 13 Sep 1904; she was 41.

1900 census shows three children, three living.

They had the following children:

- i. Oscar P (1883-)

T. born Sep 1891, age 8; Stella M. born May 1894, age 6. Edgar E. is missing from the HH and is found nearby in a "Hebber" household where he is listed as "grandson". Research is needed to determine if Sarah Jane's parents are Hebber and not Foster. Ambers Melton died in Knox Co. TN on 12 May 1940; he was 75. Buried in Mt. Harmony Cemetery, Knox Co. TN.

Marriage record says Ambrose. Census of 1900 says Ambers. Ambrose is likely to be correct. Need to investigate further.

On 28 Aug 1884 when Ambers Melton was 19, he married Sarah Jane FOSTER, daughter of Levi FOSTER & Rhoda BAKER, in Knox Co. TN. transcribed record of Knox Co. marriages lists his name as Ambrose: COX, Ambrose M marr. FOSTER, Sarah J on 28-AUG-1884. Born on 26 Jun 1860. Sarah Jane died on 27 Jul 1934; she was 74. Our Coxes had cousins named Bishop. Moses Cox had a brother Richardson who had a son Curd. This Curd married Nancy Conner who is a niece of Milly Conner (our Mary Conner's mother). Nancy is the daughter of William Conner Jr (Milly's brother) who married Sarah Cox (Moses' sister). So Mary and Nancy are double cousins through both the Coxes and Conners.

Nancy and the younger Curd had a daughter Sarah who married a Bishop. (Now we're getting to Marvel McHenry's generation).

Register Report

They had a son William Francis Bishop who was in Collin Co. TX by 1883 when he got married there. They had another son James Alexander Bishop who married in Collin Co TX in 1889. That means that at least the older one was there before Leon and Charlottia went there and that they were probably both there at the same time Leon and Charlottia were there. Then the older one went somewhere else in TX and died there, but get this, the younger one, James Alexander, died in WANETTE, OK in 1912. Maybe, just maybe, this is how Marvel McHenry ended up in Wanette...cousins traveling together or going where other cousins were. When we're checking records in all the places in OK where we know ours were, we need to see if there were Bishops around them. I have long suspected that others from the families in TN were also with them or near them in OK, but this is the closest I've been able to actually pinpoint some.
What do you think?
