

FFRU Places Index to Volumes 1 - 10

This is the index of locales in the first twelve issues of FFRU, Volumes 1 - 10 Charter Issue and the Pedigree Volume. These were originally published by Elaine Franklin Giddens beginning in October 1991 and ending in April 1994. These issues have been reformatted and re-indexed, adding indices for all locations and all names. This information was not in the original issues, but are essential for multivolume indexing and searching.
