Volume 2 April 1992

2nd Edition, re-paginated by Ben Franklin, 3 Aug 1999 Note: There are several references to "IO" as a state abbreviation. This is not currently an abbreviation of any state. It could be either Iowa (USPS abbreviation "IA") or Idaho (USPS abbreviation "ID"). Additionally, it is associated with a "Washington County". There are Washington Counties in both states. Another hint is that it refers to dates in 1843. Idaho did not exist in 1843 (Idaho became a state in 1890), therefore I am guessing that "IO" refers to Iowa

Ralph Morris "Rafe" Franklin (b in Livingston, TX Aug 18, 1857 - d 25 Feb 1934 Buna, Jasper County, TX at his home). He is buried in the Morse Cemetery in Gum Slough near Buna, TX. He was the fifth child of 9 children b to James Isaiah and Mary Ann Hargrove Franklin. Ralph had 4 brothers; William Green, Thomas Benjamin, Allen and an infant brother; 6 sisters; Samantha, Caroline, Sarah, Liddy, Alice and Dosha. Ralph Morris was named after his grandfather.

His parents, James Isaiah and Mary Ann, resided in West Texas tending a stage coach inn for several years. They feared their children were growing up like wild Indians, as that area was pretty fierce in those days, so they packed them up and moved east into the Livingston, TX area where we believe Ralph Morris was born. This area was more civilized.

Due to such a larger family, Ralph Morris had to leave his parents' home and make his way in the world at a young age. He migrated to Jasper County, TX near Buna, where he met and married his first wife, Cathrine Morse, in 1875 at the tender young age of 18 yrs.

Ralph & Cathrine parented three sons, Alvin, David and Pearly; one daughter, Aranna (Aunt Aero). David and Pearly died when very young. Ralph Morris lost his wife, Cathrine, in 1884, after nine years of marriage.

Following Cathrine's untimely death, Ralph Morris married Elizabeth Hickman two years later, in 1886. Elizabeth was crippled from a childhood illness; subsequently died two years later in childbirth. Their son was stillborn. They are both buried in Buna's Antioch Cemetery. The year was 1888.

Being widowed twice, Ralph Morris met and married Martha Crockett Lowe Crawford, also a widow. They wed March 24, 1889. They settled near Buna and later traded some land for a tract of land near the Gum Slough area. Here they constructed their first and only home and lived out their lives as farmers. This union produced seven daughters and three sons; Sula Oseola, Mary Alice, Sarah Elizabeth, Mattie Emma, Effie Dora, infant son, Dollie Eva, Bessie Marie, Vernon and Ralph Gibson (R G). Ralph Morris was father to fifteen (15) children of his own and stepfather to Caroline Crawford, Martha's daughter by her first marriage. All his children are deceased at this writing, except for his youngest daughter, Bessie Marie Franklin Dunn who resides in Buna.

Ralph Morris and Martha were members of the Primitive ("hardshell") Baptist Church of Gum Slough, where he was a deacon. Grandma Franklin was born Jul 6, 1869 and passed away at her residence in Gum Slough Dec 4, 1946 at the age of 77 yrs. She is buried by her husband in Morse Cemetery in Gum Slough near Buna, TX.

Ralph Morris (Rafe, as folks called him) Franklin's father, James Isaiah, was one of six Franklin brothers, born in and around MS & LA. They were William, Thomas, Daniel, David and Jacob Franklin. Ancestors to these immigrated to the United States from England between the years 1660 and 1680.

The home is a sketch drawn by a grandson - Herbert Duane Ross in 1989. The home has been rebuilt with much of the original lumber. The rebuilt house does not have two fireplaces as shown in the drawing.

Editor's Message

We hope that you are enjoying your quarterlies thus far. We have received many positive comments and encourage your input. We can only publish what you want to see if we know what that is...and you share your information with us. It is not our intention to gather all the research ourselves and certainly depend on everyone doing their part.

We have our first success story to pass on to you. One of our Charter Members who lives in MS received valuable info which allowed her to extend her lineage back another generation. This info was submitted by another researcher living in AL and was just one line of reference. So, one just never knows when that one bit of info will provide that one clue. Thanks Lisa Carmichael for helping our MS Charter member.

We are currently receiving **Mississippi Records**, PO Box 1647, Gulfport, MS 39502. We received our first quarterly in which they covered 1843 Warren County, MS Tax Rolls; Clay Co Deed Book One; Roster of Confederate Soldiers & Sailors -- Copiah County; Oktibbeha Educatable Children 1885; Case Files of Applications from former Confederates for Presidential Pardons; and Wilkin-son Co Deed Book A. There were no Franklin's mentioned in this Quarterly.

We are also receiving **Mississippi Memories**, PO Box 18991, Shreveport, LA 71138-0991. Their first quarterly covers: Mississippi Supreme Court Cases; Some early newspapers of Southwest Miss; Coker Chapel Cemetery - Lauderdale County; Confederate Military Discharge Papers; Miss Marriage Soundex prior to 1926; Kemper Co 1834 State Tax List and Bible Record of Enoch Sprewell Jones & Susan Abney Jones. Franklin data has been extracted and will appear in our next issue.

If you have allied lines that were in these areas and would like to have these names checked, if you will send \$1.00 per surname names and a SASE, I will be happy to check for you. We will review each quarterly as they are received and certainly pass any Franklin data on to you.

Tidbits From Johnnye

I have done it again. I typed the census, printed it out then wiped it out before I made a disk to send Elaine. I'm getting more like the old German everyday. "The more hurrier I go the more behinder I get". I wish some of Elaine's efficiency would rub off on me.

Please! If you haven't sent your lineage (ancestor) chart in, do it soon. An indexed Lineage Book is one of the best ways to get your ancestor names out, also to help you locate collateral lines. If you are sending a chart that has been printed off your computer, please make sure that there is a one inch margin on either side so that when the book is put together, part of your names will not be hidden in the margin. These charts are printed as sent to lessen the chance of an error. They should be neatly typed or printed. I will be glad to type any hand printed charts if requested in a note.

Does anyone use the old State Gazetteers to gather information? I would like to locate as many as possible and would appreciate it if you would ask at your local libraries and let me know what years they have. I think that most states had them.

Houston Public Library Texas Room, 500 McKinny, has Texas State Gazetteers for 1882/83, 1884, 1890/91, (1896/97 cannot be copied on machine) and 1914/15. They give you the information on the towns your ancestors lived in or near for those years. All business owners are listed, planters and farmers too. These are the Franklin planters and farmers that are listed in the 1882/83 issues. The only problem is that there was such a line at the copy machine that these were hand copied and I forget to make a copy of the key sheet. The numbers are the number of acres they farmed, but I don't know what the letters stand for without the key sheet. These are all Franklins so I haven't used the last name and have copied it just the way they are listed in Gazetteer.

Galveston Daily News 7th Dec 1867 - Lewis M. Franklin, native of Cincinnati Ohio, died at the home of his brother in law N. Mayblum, (Richmond, Ft Bend county) after short illness of congestion of the brain.

At the Gonzales Public Library I gleaned this bit of info from the TN Genealogical Magazine, *Ansearchin' News*, winter issue 1987.

- Pg 22 Index for Lincoln county Court Minutes 1830-1833 makes references about 80 times to Benjamin, Bernard, David, J., James, John, SF, Wesley or Wm, all Franklins.
- Pg 27 Rock Creek Cemetery, Benton, Polk county TN lists Michael Franklin d: 11 July 1889 age 72 years of age.
- Pg 148 J.D. Franklyn officiant at wedding of Hiram J. Crow and Harriet Davis 23 Sep 1862
- Pg 149 J.L. Franklin m: Mattie Bell 9 Apr 1863 by G.M. Williams
- Pg 163 Joshua Franklin signed petitions to The General Assembly of TN 17 Sep 1812 Anderson county TN.

If I haven't answered your letter, please send me a postcard. Since October 3 I have traveled more than I have been home. Sadly I was able to do very little research on these trips. Have you ever driven through a town on a Saturday or late in the evening that you want to research in. I've been through Carnsville, GA four times like that. I've driven around the town looking, talked to the people at the local convenience store, then reluctantly went on my way to Portsmouth, VA or home, which ever way I was headed. In January I planned my trip to VA so that I could research a bit in NC, SC, GA & AL on the way home. I just didn't reckon with traveling with my daughter's two cats that I was bringing home. These trips add to my disorganization so if I haven't answered your letter by now, please let me know.

If you haven't received an answer from anyone's letter within two months and you are sure you have enclosed an SASE, then drop that person a card. Ask them to use your SASE to let you know if they have nothing for you or if they need more time, you will send another SASE for their file. If they have nothing for you, you can put their file to rest and quit watching for the postman, expecting to hear from them. Just recently I found in a file an SASE from someone that was almost two years old.

Elaine & I hope that every letter you write and every letter you receive will put you closer to your illusive ancestor, also that you will share your experiences with us so that they may be published for the encouragement of others. If you haven't sent us anything on your family or a query, do it soon. Only YOU can let others know what you need or what you have to share. If you haven't heard from a query you have sent, then send a short query with new info on the same person.

In ancient times there was a prayer for "The Stranger within our gates", but we don't want you to remain strangers. Elaine & I want you to become friends and cousins, not only to us but to each other. A family quarterly is not a money making project, but could be likened to a pot luck dinner. It is not so much what we as hostess prepare, but what YOU contribute and what YOU respond to, that will make this continue to be a successful family publication.

Till we get together again,
Johnnye

Quarterly Exchanges

We have agreed to exchange quarterlies with the Baton Rouge Genealogical & Historical Society, PO Box 80565 S.E. Station, Baton Rouge, LA 70898-0565 who celebrated their 30th anniversary in Dec 1991. They announce in Vol XI, No. 3 Summer 1991 their microfilm holdings have been broadened with the acquisition of the following 19th Century Baton Route Newspapers: *Republic* 1822-1823; *Baton Rouge Gazette* 1827-1835 and 1837-1853; *Daily Comet* and *Morning Comet* 1852-1856; *Weekly Comet* 1853-1855; *Daily Gazette and Comet* 1856-1860; *Weekly Gazette and Comet* 1856-1868; *Baton Rouge Tri-Weekly Gazette & Comet* 1865-1868; *Louisiana Capitolian* 1879-1882; *Weekly Truth* 1882-1886. These holdings are not all inclusive, as several issues are not available to be microfilmed.

They have recently purchased the 11 volume *Omni Gazetter of the United States*. Nearly 1,500,000 American place names are arranged by geographic regions and may be accessed by a master index volume. Included are populated places (villages, townships, districts, etc.), natural features (valleys, springs, woods, etc.), and structures, facilities, and locals (such as churches, parks, cemeteries, and battlefields). If you are trying to locate an obscure or not so obscure place, the *Omni Gazetter* can probably tell you where it is, down to the latitude and longitude.

Volume XI, No. 4 Fall 1991 announces a new genealogy column. "Roots 'n Records", which has begun in several Mississippi newspapers. Queries, family information or materials with a Mississippi connection are welcomed. Write to the following newspapers or Joyce Shannon Bridges, 1413 Fernwood Lane, Shreveport, LA 71108. *Port Gibson Reveille*, PO Box 1002, Port Gibson,

MS 39150-1002; *Woodville Republican*, PO box 696, Woodville, MS 39669; *Magee Courier*, PO Box 338, Magee, MS 39111.

Mrs. Evelyn Lambert, President of the Baton Rouge Genealogical & Historical Society, 1080 Elizabeth Drive, Baton Rouge, LA 70815, shares the following info with us to help in our research efforts when in the Baton Rouge, LA area:

- East Baton Rouge Library System has ten branch Libraries.
- The Centroplex Branch. This is located at 120 St Louis (across from the Old State Capitol) and has, by far, the largest collection of genealogical materials. You will find several books that the Baton Rouge Catholic Archives have published on their holdings.
- The Middleton Library. This is part of Louisiana State University and houses the Louisiana Room, old newspaper files from around the state, government manuscripts and documents, etc.
- Hill Memorial Library Building This is part of Louisiana State University and houses the the Lower Mississippi Valley Collection.
- Louisiana State Library. This is located near the “New” State Capitol on third St (now Riverside Mall) is the Ask about their lending policy to out-of-towners. Parking is behind the building - go around the corner.
- The Catholic Archives. Before the Louisiana Purchase in 1802, Louisiana was under the rule of “His Catholic Majesty” the King of France & Spain. early records of baptism, marriages and deaths are found in the Catholic Archives. No other churches were allowed in the Territory. In Baton Rouge, The address is The Catholic Diocese, 1800 S Acadian Thruway, PO Box 2028, Baton Rouge, LA 70821. There is a fee to research. If your ancestors lived in Louisiana prior to the time it became a State in 1812, their records probably will be in the Catholic Diocese where they resided. Non-Catholics are recorded as such.
- Clerk-of-Court Records. Do not overlook these records in the Centraplex parking building.

If you have a Society in mind with whom you feel we could exchange quarterlies and would be advantageous to our members, please send name & address and we will contact them.

The State of Franklin (1784-1789)¹

The State of Franklin, a short-lived state was organized by settlers in the western lands of North Carolina (now Tennessee). Early settlers west of the Appalachians were far from the established governments along the seaboard, and they were faced with problems with which the Easterners in control of the state were little concerned.

Frontiersmen in the region had created a government called the Watauga Association in 1772. In 1784, when North Carolina ceded its western lands to the Continental Congress, the

settlers in the Tennessee Valley, incensed over this seeming indifference to their plight, organized themselves into the “state of Franklin.”

A convention met in August 1784, declared the independence of the state, and called a constitutional convention for December. By that time North Carolina had withdrawn its act of cession, but the convention met nevertheless. It adopted a constitution largely modeled on that of North Carolina and requested admission to the Union. The Continental Congress ignored the request.

In November 1785 another convention met to consider the constitution adopted the year before. By this time bitter division was apparent, and an entirely new constitution was proposed; it was highly democratic, its provisions including the referendum of general legislation to the voters for approval.

Land speculators, led by Franklin’s governor, John Sevier, were bitterly opposed to a government which might deprive them of their land grants; they engaged in an aggressive political campaign and the proposed constitution was rejected.

North Carolina appointed officials for the region, a pro-North Carolina party was formed and the state of Franklin began to break up.

By 1789 North Carolina had regained full control. It promptly ceded the area to the new federal government. In 1790 it became part of the new territory south of the Ohio River, and in 1796 it was admitted to the Union as the state of Tennessee.

The Family Tree Newsletter will publish free Queries in their “Missing McPersons” column. Send queries to Ellen Payne Odem Genealogical Library, c/o Beth Gay, Editor, PO Box 1110, Moultrie, GA 31776. Index to Texas CSA Pension Files²

These Pension Applications are wonderful genealogical resources and can be ordered from the Texas State Library and Historical Commission, 1201 Brazos, Austin, TX 78701. The State charges a minimal amount for copying all pages in these pension files and the info can be of significant value, especially if affidavits were collected to prove eligibility for a Pension. The above referenced book is a part of my resource library and I will be happy to search allied lines for you upon your request./ED

Wilson Franklin (b 10 Apr 1752 Rehath, MA - died after 1810) married 20 May 1784 to Elizabeth Perry (b 30 Sep 1755). Wilson's place of residence during the Revolutionary War was Rehath, MA and Woodstock, CT. Wilson lived in Belmont County, OK ten years and is believed to have died there. (this is questionable that he died in Belmont Co.) Taken from DAR records - Wilson was son of Joseph Franklin and Abigail Franklin who married 1 Feb 1746.

Their children:

1. Joseph Franklin (b 26 Sep 1785) married Isabell Devold
2. Esther Franklin (d in infancy)

He moved to Providence, RI after his marriage where a family of several children were born including a son Joseph who was eighteen years old when the family migrated to Eastern Ohio and settled opposite to Wheeling, WV. After ten years sojourn here at age 28 Joseph married Isabell Devold in 1811 b 3 Mar 1782 d 14 Dec 1859. Joseph Franklin d 11 Oct 1845 in Henry County, IN. Children of Benjamine (1812-1878):

Six boys of this family became Christian Ministers. The above was researched and sent to me by a descendent of Joseph's son Benjamine.

Joseph Franklin and Isabella Devolt were married in 1811 and lived in Belmont County, OH where was born Benjamine in 1812. Soon after they moved to Noble County, OH and settled on Salt Runn Stream. Here was born Elizabeth, Josiah, Daniel, Joseph, Wilson, Washington and David. The family all became members of the Christian Church. The oldest son Benjamin became a preacher and writer during the formative years of the Christian Church, also known as Campbellites and Disciples of Christ. He was well known as a preacher in Ohio and Indiana. Joseph and Isabella moved to Henry County, IN in 1833 and settled on land near Middletown, IN Deer Creek.

Washington Franklin married Louise Hastie and lived in Middletown, IN. Children: Jane (d in infancy); Margaret; Ellen and George W (b 1 May 1851). When George was 12 yrs old (1863) the family moved to Cass County, IA which wa their home the rest of their lives. This inforamtion is from a descendent of Washington Franklin who lived in Iowa.

From the Ohio Genealogical Society *Index of Revolutionary War Pension Applications* p. 414

Wilson Franklin Conn. BLWE 5822-100- Pvt. issued 6/11/1799 to a Sylvester Fuelbr. No papers.

Wilson Franklin moved to Eastern Ohio 1801-1803, since the pension was issued 6/11/1799 the application for pension was made in RI and issued there. It would seem he sold his one hundred acres to a Sylvester Fuller as the papers were delivered to him. The last tour of duty was from Conn served by Wilson Franklin.

Samuel Franklin and Letitia Borrows

(Submitted by Mrs. Nona Bassett, PO Box 1445, Merced, CA 95341)

Samuel Franklin (d 19 Dec 1794, Mansfield, Burlington County, NJ married 14 Jun 1785 Philadelphia, PA (Swedes Church) to Letitia Burrows of Philadelphia, PA (d 1804 Northhampton, Burlington County, NJ). Samuel d intestate - Administrator was Thomas Thorne, fellow bondsman Bethanath Hodgkinson (UB 39 p 480 District OC Vol 1 p 258) 6 Nov 1798. Unconfirmed tradition says Samuel was killed by a run-away team. Some researchers say that instead of Samuel that was killed by a run away team, that it was Hannah Hackney's father - Joseph Hackney. William son of Samuel had a son Josiah who married Hannah Hackney daughter of Joseph, Jr. Letitia d intestate - Administrator was William Deacon. At the time of Letitia's death, her sons Samuel & Benjamin were minors. William Deacon was appointed their guardian (Vol 11 pg 233 BK I & Vol 1 pg 231 BK 10).

Samuel & Letitia's children:

1. William Franklin (b 1 or 4 Nov 1786 Burlington County, NJ - d 6 Jan 1886 Butte Creek, Marion County, OR buried Miller Cemetery, Silverton, Marion County, OR) married 1 Feb 1810 to Hannah Hackney (b ca 1786 prob Chester Twp, Burlington County, NJ - d 1852 on plains enroute to OR) daughter of Joseph Hackney, Jr & Rachel (Stokes) Hackney. Although they were married in Philadelphia, PA, they were both living in Burlington County when filed intentions. William was but a small lad when his father d and tradition says at age 14 he was apprenticed out to a family named Sewell and later married their daughter - Mary. If he did, it was a short marriage. The only part that we can prove is that William was 8 when his father d; Samuel, Jr was abt 6 and Benjamin was abt 4. If there was a sister Sarah,

she could have been apprenticed out at the same time as William abt 1800 and could have been the second born. William was 18 when his mother died.

We have not proved that Sarah who married Joseph Williams 24 Nov 1808 was a sister, but think she was. Record said Joseph Williams, sometimes called Joseph Franklin, he was related to Benjamin Franklin, a descendent of his sister.

A Jonathan Williams represented Benjamin Franklin when he brought suit against Samuel Hall. He wrote his sister Jane Meacham a letter that "He meant to force payment of a laggard debtor, who had failed to pay either principle or interest in seven years". He was another nephew, Samuel Hall who had married a daughter of James Franklin, Jr in Newport and was now a printer of Essex Gazette in Salem, MA. John Adams, an attorney, brought suit July 1772. Hall paid a hundred pounds sterling the following Jan and in delayed payment half as much again Massachusetts Money a little over 200 lbs which Franklin gave to his Sister Jane.

James Franklin, Jr had married 1 May 1742 Eunice Barnes. They had a daughter Lois Franklin b 25 Nov 1742, she married Samuel Hall abt 1763/64 and they had a daughter Elizabeth (Betsy) Hall b 1764. The mother, Lois, d 1765/66 as Samuel Hall married #2 9 Jun 1766 to Mary Hurd of Bos-

ton. Samuel Hall was the son of Jonathan Hall and Enna Fowle. Her bro Daniel Fowle, printer of New Hampshire Gazette.

Betsy was in the home of the Franklins on Milk St but she also must have been raised by the Barnes Family. She married Thomas Barnes in 1784 and d 11 May 1831. Thomas Barnes d 1855.

In Samuel Hall's will he makes a bequest to Mrs. Thomas Barnes and his wife Elizabeth of Brookfield. She being next of kin to Samuel Hall.

As for relation of Jonathan Williams to Benjamin Franklin, he would be a nephew.

Anne Franklin (b 5 Jan 1686/87 Boston, MA daughter of Josiah Franklin & Ann Child married 10 Jul 1712 to William J Harris of Ipswich. Anne Harris d 16 Jun 1729. They had 3 daughters; Grace Harris (b ca 1714) married Jonathan Williams; Second daughter married Wood; third daughter married Johnson. One of their children married Capt Clark.

Jonathan Williams, a Lawyer, and Grace Harris had 8 children: Joseph, William, Nancy, Jonathan (had a daughter - Christine), John, Sarah, Franklin, Franklin

In Josiah's will 17 Jan 1744/45 - "to my daughter Ann Harris deceased, her children, one single share ninth part of the appraised value thereof.

In the early records most of the Franklins didn't know what relationship the blond girl on Milk Street was to the Franklins, called Betsy, but reported to be a relative...(1) Josiah's son James;(2) James' son James;(3) James' daughter Lois;(4) Lois' daughter (5) Elizabeth Betsy Hall who married Thomas Barnes.

Members of the Buell Train 1847 to Oregon

(Article submitted by Nona gives very interesting and lengthy details about this wagon trip to Oregon. Anyone interested in receiving a copy of this document can write either Nona or myself. We felt it necessary to extract the Franklin data only at this time).

In addition to the Buells & Conners, the following were on this wagon train:

Josiah Franklin age 31 yrs

Sarah Ann Conner age 34 yrs wife of Josiah Franklin sister of William, Nathan & Job Conner.
Children of the above

1. Hannah Franklin age 8 yrs, married later to William C Hicklin
2. Mary Jane Franklin age 6 yrs, married later to Malon O Moody
3. Sarah Elizabeth Franklin age 3 yrs, married later to Henry P Thomson.

Also on the train was Josiah Franklin's sister Ruth Ann (Franklin) Hunt; husband Miller Hunt; John & family.

William Franklin father of Benjamin & wife Hannah (Hackney) died on plains. Father of Josiah & Ruth of 1847 Wagon Train.

Mary Jane Franklin daughter of William and her daughter (54) Minerva Jane Flowers b 1847. Mary Jane married Peter A Syron 1852 in OR and Minerva later md Samuel Eads.

Two men in the wagon train lived to be over 100 years old - James Reed Syron and William Franklin.

Josiah Franklin was in Washington County, IO in 1840 census, probably was there when daughter Hannah A Franklin was born 4 Dec 1839). Sarah d 19 Nov 1879 on the home place, Butte Creek, buried in the Miller Cemetery, Silverton, Marion, OR. Husband md 2nd 9 Jan 1887 to Sarah Strong, widow of Samuel Wilson. She d 28 Sep 1896 and is also buried in the Miller Cemetery. Josiah married #3 25 Nov 1897 to a Mrs. A.E. Simeral, a widow with at least 2 sons on probate records, L. Simeral & W.L. & C.J. Simeral, so may have been 3 sons. Haven't found out anything more on her.

Josiah Franklin & wife Sarah Conner and 3 children and his sister, Ruth Ann (Franklin) Hunt, Miller & Husband John Miller with 4 children, one child dying 18 Oct 1847.

Probably more on train but this is all we have a record of.

Oct 29, 1871 E. Florence (East Florence, NJ?)

Sunday evening - all gone to bed the house quite[sic]. I received your letter saying your family was better and that you was at work a little. I am glad to hear that you and yours are comfortable and I hope you all will be blessed with health and strength.

I have not got any of that pepsin yet but I hope to get some soon as I can. Don't you think your stomach may be troubled with worms - a girl lived with me that spit up her vitals every meal. She could hardly keep anything down. I gave her a teaspoon of bitters that I had, before each meal and she kept down her food. Then she went to live with another woman. She did not have any medicine to take and she threw up her food and worms with it so there was no mistake about it. I will write the receipt for making it, it is good for the stomach and all bilious diseases and cures the bilious colic without fail.

2 oz. Alors	1 oz gum myrrh	1 oz mace
1 oz cinnamon	1 oz cloves	1 oz ginger
1 oz salts of niter	2 oz gamboge	

Put some of the powder in good liquor and take a little or make it into pills if you choose. Take a little at first.

I hope you will be better before this reaches you. I will send the other if I can get it. Jane says I must send you some gizzard peelings she thinks they will do you good because they help her.

We have had a wedding in the neighborhood. Miss Libbie Whipple was married the 25th to Norvel Smith. You know him, he lived just below Wolcott Hill School house when you was a little boy and lives there yet. I think he was old enough to get a wife that is 28.

Pa has not gone away yet and I don't think he will. His health is good - better than it has been for a long time and I hope it will continue. He has a good deal of law and auctioneering to attend to and as long as he is busy and has enough to do, he won't think so much of going away.

October has been a very pleasant month here. A few hard frosts and a few days ago a little snow now but pleasant for this time of year.

The fire in Chicago was dreadful. Many more burned than they supposed at first - many hundreds have perished. There has been great fires in the Northern part of Michigan and in Wisconsin and Minnesota. The pine forests have burned over sweeping whole villages in its course. Hundreds of men, women, children, cattle and wild beasts were driven into the lake and perished. Those that escaped are homeless and destitute such distress never came into this country before and I hope never will again. I know that the judgements of the Lord are right but we may pray for mercy which He has promised to those that seek Him. I hope we shall be prepared for what lies before us for we know that the day when trouble will come upon us let us rely on His Goodness and trust His mercy for He is more willing to give the Holy Spirit to those that ask Him than earthly parents are to give good gifts unto their children. May the Lord guide and protect us and save us all from sin.

Give my love to E. I wish I could see her. Tell George to be a good boy. I want to see him very much. Send his picture when you can.

H.P.T. take a little of this package before eating.

Letter #2 to Mrs. Henry P Thomson,(pg 24 #D) East Portland, OR

October 14, 1882 Elwood, Atlantic County, NJ

To my Niece:

I owe you an apology for not answering your kind note to me long time ago but the fact is I mislaid it and forgot the address. Do not think it was intentional on account of our differences in religious views. Believe me I am not so bigoted as that. I received your postoffice address since dark and am now in my office trying as best I may to hold converse with you. I did not get your name hence I direct to Mrs. Henry P Thomson. In church matters I am still a Methodist and am licensed as a local preacher, a poor one I assure you. My age renders me quite unfit for active service. I was 69 the second of this month, my health is not good yet I do most all of my own work as well as some of my neighbors work. I have quite a severe cough especially in the morning when first I awake but God blesses me with a good appetite and has thus far given me enough to eat. My weight is now 145 pounds. I am a good Templar and Chaplain of the Lodge -

Sunday 3 1/2 pm: I was broke off last night by a business call and this forenoon I rode five miles and spoke from I Cor. 2nd chapter, 2rd verse. Was home at dinner and now devote a few moments with you. I hope that Pauls sentiments may express your views as well as mine - no bickering about non essentials. The great theme of life should be Christ or rather Jesus Christ and Him Crucified. Believe me our intercourse will not be cut off on any such grounds as you suggest. I shall be happy to hear from you at any and all times.

We live within 24 miles of Old Ocean and in a healthy climate. No frost here as yet and sun shines as bright as June. We have beans in all stages from blooms to the ripe bean...and for desert at dinner..enjoyed a good ripe watermelon. Flowers in abundance. Wife's health is not good, yet she does her own work. We keep a horse and two cows. Daughter Mary left her youngest, a boy with us, he is quite a lad and rode with me to church today.

I shall try and send this off by tomorrows mail and will anxiously look for an answer and forgiveness for my seeming neglect. Jane or Ione and I correspond often and you are near the pacific I am

a neighbor to the Atlantic our correspondence should go over the breezes of each and my desire is that each of us at the last may be wafted by the bales of glory into the heaven of ever lasting peace. My daughter Grace lives in Vineland about 20 miles away. I have no items of news that would interest you. Please send my a newspaper and I will return the compliment.

Monday pm: Have to go to Philadelphia tonight on a pioneer case and must now bid you and yours an affectionate adieu.

Chas B Thomson

return address (if not delivered within ten days) return to Chas B Thomson, Notary Public, Commissioner of Deeds, Justice of the Peace and real estate agent, Elwood, NJ.

(He calls her niece..so he must be a brother of Henry Thomsons' father. His nephew Henry Thomson died four years and 5 or 6 months before this letter was written. Also great nephew George Thomson followed his father in death in Aug 1879. So he, Chas B Thomson didn't have a blood relative alive from her. The Jane he mentions in his letter is one mentioned in letter written in 1871 (mother or sister of Henry) Probably sister as don't think Pa would be thinking of leaving.

**Letter #3 written by Mrs. Herman Link, PO Box 5886,
South Jacksonville, FL**

Sept 11, 1930

Mrs Irene Montross, RR U Box 94, Clovis, CA:

I am writing to ask you if you can do anything for your Aunt, Mrs. S E Thomson who is and has been in my home for the past 5 years. We took her into our home as an act of christian charity, when she was being ejected from her little house she occupied. In all those 5 years I have cared for her as if she were my own mother and she loves me devotedly but now she is failing very fast and the doctor says the end is near at hand. I have tried all these years to get in touch with her relatives but could never get any reply to my letters. The Catholic of this Parish also the doctor is treating her will bear out my statements. Please answer this at once and oblige.

Letter #4 written by Mrs Herman Link

Sept 27, 1930

My dear friend:

I received your letter and was very glad to hear from you in regards to Mrs Thomson you ask of her to write to you but I am sorry to tell you she can't see nor hear - she is as helpless as a baby. I am in bad health. As to any property she has lost everything. So if she passes away I will send you word. Right now, I will send you the pictures, I will send them all to you. Enclosed you will find one of her taken 5 years ago. May God bless and care for you. I am too sick to write anymore. The doctor says she may pass out most anytime, her age is very old. I will let you know when the end comes.

Letter #5 Oct 4, 1930

To: Mrs. Harold F Warner, Rt 5, Box 141, Portland, OR

To my cousin Myrtle: (pg 25 (F)) Sarah Franklin Thomson

I am writing you to let you know I got a letter from South Florida saying S E Thomson was there and very sick. I did not know if you had heard or not. So am sending you a copy of all I got. I wrote Aunty, but that woman says she is blind and deaf so cannot read or hear anything in letter. She wanted me to send some money but we cannot. It has been hard times for us. Just one drought year after another until we mortgaged this year and put in a pump to irrigate with. So hope next year may be better.

I did not expect you can help her either, but you would like to know so will send you the copies. I know it must be Aunty for the woman sent me a picture of her. Though it is much older, it still looks like her still in many ways so I felt it was her. I don't know anything about the last years of her life or plans but she used to plan and want to be laid by her husband and son Uncle Henry Thomson and George when she was laid to her last rest. As it seems to be the last we can do for her I would like to have it done that way. If we might all do a little it seems as if it might be done. I would like to know what you think of it and right away if you can. I know it will make no difference to our God where we sleep on his resurrection day if our name is in His book of life but if she wanted it that way I would too. I think most of us would. I would try to put in at least 5 dollars with all best wishes I am your cousin Irena Montross with love to all hope you are as well and can write me soon what to do.

p.s. I don't know a thing of the cost of anything like the shipping.

(Matilda (Franklin) Buff (pg 24E) died at or of childbirth. Her sister Sarah E Thomson took the baby and nursed it with her own son born the same year, but wasn't successful..the baby died an infant.

Margaret Dawson married John Franklin ca 1760. They lived in Warren County, KY. Her father was Martin Dawson and she is named in his will of 1808. Which Martin Dawson was this.

Henry Franklin, the father of John above died 1792. His wife was Margaret Hensley. I would like more info on them. Who was their parents. (Martha H Thompson, 517 Dumbarton, Shreveport, LA 71106).

Who were parents of Wilson Franklin (first name may have been James Wilson) b ca 1788/1798 SC or Ga - d 1832/40 married to Temperance "Tempy"??? (b ca 1788 GA - d 1866/69 Covington County, AL. All known children b in AL were: 1) Unknown daughter b 1820; 2) Mary b 1821?; 3) William H b 1823 - d 25 Nov 1896; 4) James Wilson b Oct 1825; 5) John Anderson b 1827? d 2 Oct 1909; 6) Serena J b 1830? d 19??; 7) Green T b 1832? d 19??.

Wilson only appears on 1830 census after that it is Tempy as head of HH. Looking at census neighbors 1850 back, it appears Wilson may have married a widow Tempe Straught (on 1820 census with 3 young daughters).

Any info will be greatly appreciated. Will exchange all I have. (Ira Franklin, 1316 Colonial Way, Alabaster, AL 35007).

Would like to correspond with anyone researching the Franklin, Benton, Snider and/or Grimes lines. Would like to know the father of Thomas H Benton (b 1862 TX) married Josephine Grimes (b 6 Jan 1870 TX - d 8 Jul 1958 Manning, Angelina County, TX). It is our belief that his father is L C Benton (b 1826 TN) who may have been the son of Jesse Benton from Trinity County, TX. Thomas & Josephine were married 8 Mar 1888 in Angelina County, TX and were the parents of Lula Benton (b 24 May 1890 Angelina County, TX - d 14 Jun 1934 Nacogdoches, Nacogdoches County, TX) who married 26 Sep 1911 Angelina County, TX to Charlie William Franklin (b 21 Jun 1898 TX - d 14 Feb 1988 Zavalla, Angelina County, TX).

Pheba Snider (b 1864 TX - d 23 Dec 1935) married 30 Oct 1891 Angelina County, TX to William Plumer Franklin, Jr (b 1853/1856 Caldwell Parish, LA - d 22 Jun 1908 Terrell, Kaufman County, TX). Who were her parents???

Who was the father of Daniel Grimes (b 1841 TX/AL) who married Sarah Ann McVey (b 1849 FL)??? Daniel & Sarah were the parents of Josephine Grimes.

Any help would be greatly appreciated. (Mrs. Thomas Franklin (Ethel), Rt 2, Box 143, Kemp, TX 75143).

I need info about Edward Franklin (b ca 1770 in Maryland). He married Miriam Newton in 1809 Duplin County, NC. He was in Screven County, GA in 1820. In 1850 he was in Lowndes County, GA living with the Timothy Bryant family. Timothy had married Sarah Franklin in 1830 in Bulloch County, GA. Who were Edward's parents? Where were his children's names and birthdates? (Joyce S Gatlin, PO Box 346, Steinhatchee, FL 32359).

Seeking info on Jackson (John) Franklin who married Pamela Owen ca 1840 in VA, possibly in the Lynchburg area. The following comes from the 1850 and 1860 census: 1850 - family in Lebanon, Wilson County, TN; 1860 - family in St Louis, MO. Children of Jackson and Pamela: Benjamin, Alexander, Martha, Henry, Mary, Robert Fulton, Sarah and Charles.

I need marriage record and parents of Jackson and Pamela. I would enjoy corresponding with members of this Franklin line. I am happy to share info and pay for copies and postage. (Mrs Harold E Miller, 1684 Firth Road, Inverness, IL 60067).

The following is a photograph from the Spring 1907: Back Row: Esther (b 1887) and Susan (b 1855-1914) Center Row: Robert Fulton Franklin (b 1855-1914) Lettie Franklin Gossling (b 1883 - 1957) Mary Franklin Harrington (sis/o Robert) Bottom Row: Ida (1896 - 1972) Gene (1899 - 1977) Ernest Gosling holding Norman Gossling (b Oct 1906)

Lilian (Harold) Miller shares the following brief history about the above photo:

The older people in the picture are Robert Fulton Franklin and his sister Mary (Franklin) Harrington, children of Jackson Franklin & Pamela Owen. Jackson & Pamela married in VA ca 1840 and four of their nine children were born there.

The family moved to Lebanon, Wilson County, TN abt 1847. Mary was born there ca 1848 and Robert Fulton on 13 May 1855.

By 1860 Jackson and his family resided in St Louis, MO where two more children were born (a son John W was born TN)

Robert Fulton Franklin married Sarah Elizabeth O'Haver in the 3rd Baptist Church, St Louis, MO 17 Jul 1880. Nine children were born to this union. Mary Ellen b 1892 - d 1893; Octavia d 1902 at the age of 17. Two of the nine children were sons - Fredrick married and had one daughter. Adolph Jackson Franklin had one son, Robert who has two sons and two grandsons. They will be the only ones to carry on this line of the Franklin name.

Sarah Elizabeth (O'Haver) Franklin died in 1903. Her death certificate says "Exsanguination Abortion". My best guess - she bled to death having a miscarriage. She was 43 years old and left 7 living children age 22 to age 3. The younger children were raised by Letitia, the eldest daughter. The five sisters in the picture married and raised their families in St Louis area. They remained close until parted by death. Aunt Essie (back row-left) identified the people for me in 1984 when she was 97 years old. She will be 105 this summer. Aunt Essie said the picture was taken in 1906 or 1907 at their home on Greenwood Boulevard in Maplewood, MO, a St Louis Suburb.

Texas 1910 Census

Here it is April and I'm not finished with the Franklins in Texas in 1910 yet and the 1920 census is almost in the libraries. I really need to have some input from the readers about these after 1900 census. Elaine has ordered the 1920 soundex for Franklins already. On the 1910 I take the names from the soundex, then I go directly to the census to get full infor. Sometimes the names are not to be found, are too faded to read or just not readable. If you don't find your name here, use other records, such as tax, land or many others to locate your person. Follow all your clues. I had a cousin that thought her ancestor was married in Greenville, TX, when it was Greenville AL.

These are listed by ED number, then dwelling, unless otherwise specified, place of birth of person, father, mother in that order for head of house. No place of birth listed for child indicates that it is same as child above. Only head of house and other than Franklin names indexed.
