During the colonial era, Maine was for a time an province of the Massachusetts Bay colony. It remained as such, at least in name, until 1779. It became a state in 1820. The first Franklins appear in the 1840 Census. Prior to that time there are no Franklins enumerated there.

Letter from the Editor

Well, it's time to look at another New England state to feature in a volume of FFRU. I've selected Maine. Maine was not the home of very many Franklins over the years, so because of the small numbers, I've been able to include all of the census, and several ancillary records. I've also had the time to be more thorough with footnotes, crosschecking various sources and the years of the census.

Maine Franklins have been featured in only a few previous FFRU articles. The article in the vital records series, Volume 26, entitled "Franklin Marriages in Maine" is quite short. The most extensive article was in Volume 33, as part of: "Book Review: *Ancestors and descendants of Josiah Garland and Miriam Moore, early settlers at Union River, Hancock County, Maine*". As that article points out, the ancestor of that line was a Garland who changed his name to Franklin. So, interestingly, that line actually starts in Maine and cannot be traced further back (at least as Franklins). They are somewhat prolific and thus many (most?) of the Maine Franklins trace back to this lineage. There are several Franklins from Massachusetts who emigrated to Maine, and there is also a line of African-americans from the British West Indies.

Nathan Franklin Pension Application

By Ben Franklin, Editor, FFRU. Nathan Franklin-pension application number W8207-Bounty Land Warrant number 9458-160-55; Ref: National Archives, Washington, D.C.

State of New York
Oswego County

On this 24th day of Sept. 1832 personally appeared in open Court before the undersigned Judges of the Court of Common Pleas in and for the County of Oswego now sitting Nathan Franklin, a resident of the Town of Parish in the said County of Oswego, aged 69 years, who being first duly sworn according to law doth, on his oath, make the following declaration, in order to obtain the benefit of the act of Congress passed June 7, 1832. That he entered the service of the United States under the following named officers, and served as herein stated, Viz: In the month of August 1777 I enlisted at Pittstown N.Y. as a soldier for 9 months in the Company of Capt. Joseph Gifford in Col. Devoes Regt. of Continental Troops John Gifford was my Lieut. and Shepard (given name not recollected) my ensign-I joined my company at Stillwater and soon marched to Bennington H.? where we had a battle with a detachment of Burgoyne's Army under Col. Bauer. We returned soon after the battle to Stillwater, where I remained until after the surrender of Gen. Burgoyne's Army in Oct, and then went to Fort Edward, and staid there until my term of service had expired. When I received a discharge I think from Col. Devoe, which discharge was burnt, together with my house and most of my furniture about 31 years ago at Onondaga N. York.

Soon after my discharge, I think in the month of May 1775 I again enlisted at Troy, N.Y. for 11 months, in the Company of Capt. Deheus (given name not recollected) in Col. Van Keussalaers Regt. of the New York line. I joined my company at Greenbuck and soon after marched to Fort Edward and from there to Fort Miller, we train a short time and returned to Fort Edward-from there we went to Shewsboro where we went into winter quarters and remained till about the 1st of March, when we were ordered to Stillwater, where I received my discharge at the expiration of my eleven months service. Which discharge was burnt with my house at Onondaga. In the Spring of 1780 (month not recollected) at a place called 9 Partners in Dutchess Co., N.Y. I again volunteered in the company of Capt. John A. Smith, to go with Col. Rufus Harick of the New York Militia to Fort Edward to which place we soon marched and staid there and at Fort Miller and Stillwater until about the first of Jany 1781 when we returned home to 9 Partners. In the Spring, following I went again under the same officers to Stillwater and remained there and at Fort Edward through the Season and returned home to Nine Partners late in the fall-cannot tell what month-think I was absent 8 months at least. I know of no person living who can testify as to my services except Jacob Fellows, whose affidavit in relation to part of my services is hereunto annexed.

I was born in the year 1763 (as appeared by a record in my Father's bible) at a place called "Quaker Hill" what county I cannot tell.

I have no record of my age to my knowledge except that contained in my Fathers Bible which I have not seen for several years and know not where it now is.

I have lived since the Revolutionary War in the following places, Vis: Schoerir, Johnstown, Pompry, Onondaga, and Lysander and moved from the latter place to the Town of Parish about six years ago where I now reside. I am acquainted with many people in my neighborhood who can testify as to my character for veracity and a belief in my services, among whom is the Revd. Wm. Nutting and Luccy Thayer whose certificates are hereunto annexed. I have never received a pension and I hereby relinquish every claim to a pension or annuity except the present, and declare that my name is not on the pension roll of the agency of any state.

Sworn to and subscribed

127. Helen's father's data is an intriguing match for that of Leo Franklin. She is living on Lafayette Street. Leo was living on Lafayette Street (number 48) in 1920. His marriage data here in 1930 seems to indicate that he was not married before he married Mildred only 6 years before. This seems to indicate the possibility that Jennie McClean and Leo G. Franklin are the parents of Vivian L. McClean and Helen Franklin. Note, too that although Leo is listed as white in 1930, he is listed as mulatto in 1920.
128. This enumerator's handwriting is very bad. "Franklin" is only a guess. BJJ
