My Dear Sir:-

I shall send to you for you person use, and to be kept by you my gleanings, of the Griffith family, especially in England, Va, Md, Ft Amsterdam, and N.Y. and I wish you to read it carefully - as you know you will, being an old "Print"- and then please send me your honest criticisms atc.

I have made a half dozen carbon copies - any yours is a carbon. Which I shall send to four or five others who have evinced some interest in our family history.\

It is a terrible thing to fall into the hands of an angry fellow, whose record you may happen to print, and I am taking every precaution to save my self from destruction. There are 52 pages of the MS I send you, but I have as much more, of the pedigrees of many of the family who have sent in to me their records, notably Charles Griffen of Greenland, ILL and his cousin Morganza Griffen of Brunswick, MO, which have had so much trouble to find who their great grand father was, but by the help of Mr Charles field Griffen of Mamaroneck, N.Y. finally succeded, and they are of the line of John Griffen of Flushing, L.I.

With a hope that you may enjoy a Happy New year, and that you will not remain "mum" as you are accustomed to be.

Sincerely yours,
Zeno T. Griffin
